

Time to stop eating Kellogg's heavy food! wonderful for the whole family

Nature rebels against heavy foods in warm weather. Much illness in summer is caused by overtaxing the stomach. Change your diet—and keep snappy in mind and muscle!

Kellogg's Corn Flakes with cold milk and fresh fruit are wonderful for the hot days—for breakfast, for lunch, for supper or for "snacks." They digest without taxing the stomach and supply the nourishment the body needs.

For children, for the workers and for the aged there is no more delicious, sustaining summer food than Kellogg's Corn Flakes.

Insist upon Kellogg's Corn Flakes in the RED and GREEN package bearing the signature of W. K. Kellogg, originator of Corn Flakes. None are genuine without it!

The coal situation has a fair prospect of becoming serious in this locality if some drastic action is not taken soon. While the coal supply is sufficient here for the present needs, there is a probability that the light plant will be extremely low on coal before many days, although they have two hundred and fifty tons on the road at this time but are unable to locate it. If the railroads take it for their own use, which they have a right to do, the situation here will be acute, for the reason that many of the business houses use much electricity in the conduct of their business. The president is using every effort to settle the differences between the miners and mine owners but up to this time neither side have shown a willingness to concede anything to the other.

ELECTION BOARDS

COMBINE VOTE

The election boards of Verdigris and Dustin precincts registered more democratic votes to Beal than there were democratic votes cast in the precinct. This was caused by the fact that Beal was a candidate for congressman for both the short and long term and the boards thoughtlessly combined his vote giving him an excessive total. The same condition possibly existed throughout the entire district which may account for Lani-gan's defeat.

O. Wilkinson for assessment purposes of \$8,215.00, or \$765.00 less on the entire section than the assessment on the 480 acres of land owned by your petitioner.

That heretofore the Board of Equalization of said County in the year 1921, without any notice to your petitioner, raised the valuation of said land owned by your petitioner.

4. That residence property situated about an equal distance from the business center of said city, and the value of which is two and a half times greater than the property of this affiant, is assessed for 1922, at an actual valuation for assessment purposes, \$4,300.00.

Stuart, Neb., June 19, 1922.

To the Honorable Board of Supervisors, Holt County, Nebraska.

Gentlemen: I do hereby request that the Honorable Board grant a reduction on the assessor's valuation which is almost double the actual value on the NE 1/4 Sec. 22, Twp. 30, Range 15, consisting of 133 acres.

BEA L. MORGAN,
Stuart, Nebr.

On motion prayer of petition was granted, and a valuation of \$10.00 per acre placed on the above described land.

To the Honorable Board of Equalization of Holt County.

Now comes Chas. Wrede, Jr., and protests the valuation placed upon the improvement NW 1/4 NW 1/4 Sec. 12-30-11. These improvements are assessed \$2,000.00. These improvements cost when new \$1,600.00 and are now about ten years old, and I ask that the valuation on these improvements be reduced to \$1,500.00.

CHAS. WREDE, JR.

On motion same was denied.

Schuyler, Neb., June 14, 1922.

The Board of Equalization, O'Neill, Nebraska.

Dear Sirs: We find that the Hans M. Outzen land, being the North-east Quarter and Southwest Quarter of 35-26-11, Holt County, was valued for the 1921 taxes at \$4,220.00 and the Jos. L. Fisher land in the same section is valued at \$2,120.00 for the 1922 for same number of acres.

We wish to have this Outzen land valued the same as Jos. L. Fisher land as it is the same and we have no improvements on it. We hope to hear from you soon as to what valuation you will place on it. We object to the assessment if it is any higher than any similar land adjoining.

Yours truly,
J. FOLDA,
Cashier.

On motion same was denied and valuation left as the assessor returned it.
