Where Real News Is Paramount

In the country newspaper, sensations, scandals—the recording of human misery—is almost taboo. At least it certainly is secondary to the printing of real news about people and things.

For the province of the country paper—your Home Town Paper—is to give community interests first place, printing the more or less sensational personal items only when necessary to keep faith with subscribers who pay for ALL the news.

Therefore, your Home Town Paper can give you, in full measure and overflowing, 100 per cent pure news about the people in whom you are most interested—your relatives and friends of the Old Home Town.
