SET THE STANDARD TOO LOW

National Motion Picture Director Gives His Opinion as to Mistakes Made by Producers.

Will Hays, the new motion-picture director, said the other day in New York:

"Too many motion-picture people think that everything really good is highbrow. Their standard is too low. They are like the chorus girl."

"A chorus girl married a rich man after a stormy courtship of about a week, and the Sunday morning following the wedding, when she came downstairs to breakfast, she found her young husband engrossed in the two or three hundred enormous pages of the city's yellowest newspaper."

"Before this spectacle the chorus girl started back aghast."

"Heavens," she said, "I've married a highbrow!"

## FREEDOM FROM LAXATIVES

Discovery by Scientists Has Replaced Them.

Pills and salts give temporary relief from constipation only at the expense of permanent injury, says an eminent medical authority.

Science has found a newer, better way—a means as simple as Nature itself.

In perfect health a natural lubricant keeps the food waste soft and moving. But when constipation exists this natural lubricant is not sufficient. Medical authorities have found that the gentle lubricating action of Nujol most closely resembles that of Nature's own lubricant. As Nujol is not a laxative it cannot gripe. It is in no sense a medicine. And like pure water it is harmless and pleasant.

Nujol is prescribed by physicians; used in leading hospitals. Get a bottle from your druggist today.—Advertisement.

## CONVICTS' ARMY OWN STORY OF ESCAPE IS CUT IN TWO

Sioux Falls, S. D., Aug. 28 (Special)—Back behind the walls of the South Dakota state penitentiary, Joe Foreman, Joe Teel and J. B. King on Sunday told their own story of their sensational escape from the prison a week ago Thursday, and their subsequent thrilling adventures in eluding the posses until Friday, when they were captured and taken to Murdo, S. D., for Warden George T. Jameson.

The responsibility for the escape was placed by the convicts on Henry Coffee, negro prisoner who was the fourth member of the party and who was killed in a gun battle with the posse.

The captured men declared they had scarcely any food all the time they were out. They told of the difficulties they encountered in evading the posses, and said that several times they figured they were on the verge of being caught, but managed to get further away.

Foreman, who was shot in the right leg by a member of the posse, is not seriously wounded.

State's Attorney Parron, who was shot by the convicts, will recover, it was said Sunday night.

Night Captain John R. Kramer, of the penitentiary, said Sunday night he had been informed the three prisoners would be charged with attempted murder as the result of the shooting of a guard when they escaped and also may be charged with attempted murder in connection with the shooting of Parron and Sheriff Wilson. The latter is also expected to recover.

The men will be charged with kidnapping the warden as well as with breaking out of the prison.

The convicts admitted they crossed over into Nebraska and then returned to South Dakota, but denied they were in Iowa or Minnesota.

A BIRDIE?

Crawfordsville, Ind., Aug. 26 (A. P.)—One of the most unusual golf shots on record was executed here yesterday by Mrs. Galen Blackford. After an approach shot had landed in a bird's nest in a tree, Mrs. Blackford climbed the tree, took a stance among the limbs, and played a pitch shot onto the nearby green from where she holed out in one putt, thus halving the hole.

## REDS' CONSPIRACY BEING UNCOVERED

U. S. Agents, Questioning Prisoners, Get Information Tending to Show Plot Against Nation.

Universal Service. Chicago, Aug. 28.—Prisoners taken in a raid on a convention of the Trades Union Educational League Saturday were being closely questioned by government agents Sunday. Important information tending to show a plot was being hatched against the government was secured, it was stated Sunday night.

The raid followed a similar raid in Berrien county, Mich., last week. The Michigan meeting was said to have been a communist party convention. Fifteen arrests were made and the prisoners are being held under \$10,000 bonds.

More than 200 delegates were attending the educational league when the government authorities and police swooped down.

William Z. Foster, organizer of the league, was presiding, but was not arrested. He is under bond to appear in the Michigan courts for an alleged violation of the Michigan state syndicalism law. He was said to have been a leader at the Berrien convention but escaped to Chicago, where he was arrested.

Eleven prisoners were taken from the educational convention hall. Of this number nine were aliens and deportation proceedings will be started against them.

The authorities believe the communists have been attempting to foment disorder in the railroad strike.
