A splendid missionary rally was held in the church October 27th. Rev. E. D. Hull, our new District Superintendent, gave the message, which was well received. Delegates were here from Chambers, Inman, Page and

Ewing.
The Kings Daughters Sunday school class met last Thursday at the home of Mrs. Pine. Almost every member of the class was present. The meeting was held in honor of Mrs. Della Shaw, who is leaving soon for California to spend the winter.

BOY DIES FROM INJURIES.

(Springview Herald.)
A very regrettable occurrence, one that cast a gloom over this community was the injury which resulted in the death of George Hill, member of the Long Pine high school football team, on the field here last Friday afternoon. Just how the accident happened is not clear, but it is thought he tackled a Springview player high and was struck in the neck with his opponent's knee resulting in its dislocation and causing his death Sunday forenoon about eleven o'clock at the Ainsworth hospital. A specialist was called from

Omaha to assist the local surgeon, but all efforts to save his life failed.

The funeral was held at Long Pine Monday and the body shipped to Western, Nebraska, for burial.

Harold Kieth of Long Pine, who was umpire of the game and who saw the accident, which occurred in open field, said, "the injury could have happened to the best trained football player in the country. It was not dirty football, neither was it the Springview player's or Hill's fault. It was an accident pure and simple."

Out of respect for the deceased boy both Springview and Long Pine have cancelled the remainder of the season's schedule.

CAN'T DO THE WORK.

It's too much to try to work every day against a constant, dull backache, or sudden darting pain in the small of the back. Be rid of it. Try Doan's Kidney Pills. Your neighbors recommend them. Ask your neighbor.

Mrs. Minnie Bowen, O'Neill, says: "I had backache and a heavy dull pain in my kidneys that seemed to wear me all out. I couldn't get much rest at night and it was all I could do to keep at my work. There was a severe pain in the back of my head and through my shoulders. My kidneys were weak, and caused annoyance, but Doan's Kidney Pills relieved me completely."

The above statement was given June 20, 1916, and on June 14, 1920, Mrs. Bowen added: "I still think Doan's Kidney Pills are a good kidney remedy. It has been a long time since I have had need of a kidney remedy."

Line Trouble!

The wires connecting your telephone with other cities and towns must cross miles and miles of territory where they are exposed to all kinds of hazards.

The limb of a tree may fall across a wire and the line become "noisy." A pile of burning brush may take the "temper" out of wires and cause them to break.

An insulator may be broken by a boy shooting at birds. A piece of wire may be thrown across the telephone circuits, or a wet kite string may fall upon them. These cause a "short circuit," making it difficult to hear over the lines until the obstruction is removed.

Constantly the wire chiefs at each end of the circuits watch the lines and dispatch repairmen to the scene of trouble.
