

SPENT HALF HER TIME IN BED

Farmer's Wife Tells How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman

Carter's Creek, Tenn.—"Three years ago I was almost an invalid. I spent half of my time in bed, being afflicted with a trouble which women of a certain age are apt to have. I took Lydia E. Pinkham's Vegetable Compound Tablets and used Lydia E. Pinkham's Sanative Wash. I am a well woman now and have been for two years. I can work as well as any one who is younger and as I am a farmer's wife I have plenty to do for I cultivate my own garden, raise many chickens and do my own housework. You may publish this letter as I am ready to do anything to help other women as I have been so well and happy since my troubles are past."—Mrs. E. T. GALLOWAY, Carter's Creek, Tenn.

Most women find plenty to do. If they are upset with some female ailment and troubled with such symptoms as Mrs. Galloway had, the smallest duty seems a mountain. If you find it hard to keep up, if you are nervous and irritable, without ambition and out of sorts generally, give the Vegetable Compound a fair trial. We believe it will help you greatly, for it has helped others.

ACCEPTED SAM WILEY'S WORD

Honest Individual Had Said the Eggs Were Fresh, but Time Will Not Stand Still.

There was no doubt about it—he was very angry when he entered the village grocery shop.

"You sold my wife some eggs yesterday, Mr. Peavey," he said.

"Yes," said Mr. Peavey, genially. "I believe I did."

"And you told her that they were fresh eggs?"

"Yes, I did."

"But see here, Peavey, you had no business to say they were fresh eggs!"

"Why not? I bought 'em fresh from Sam Wiley."

"I don't believe it. Sam Wiley's an honest man."

"Well, Sam said it all right. He came in here with a basket full of 'em, and put 'em down on the counter and exchanged 'em for a box of biscuits."

"When was this?"

"Oh, I dunno. 'Bout three months ago, I suppose."

LEAVES IOWA BRIDE AFTER HEATED TIFF

Was Imposed on by "Designing Woman," Professor Pleads—Divorce Suit to Be Withdrawn.

BY GENERE FLACK, Universal Service Correspondent. South Bend, Ind., Nov. 24.—Prof. John P. Tiernan and his wife were reconciled today. The professor, humbly seeking forgiveness, returned to his South Bend home, leaving his bride of a day to return to her home in Hansell, Ia.

Tomorrow the Tiernan divorce, which was annulled after the former law professor at Notre Dame had married Mrs. Blanche Brimmer, pretty divorcee, will be withdrawn, it was announced today.

"I made a dreadful mistake," Tiernan said when his first wife quieted down after a 10 minute scene at the South Bend railroad station.

"I have played the fool this time. I have made the very same mistake that my wife did."

New Marriage in Tangle. Tiernan and Mrs. Brimmer had come to Chicago for their honeymoon which was cut short by the revocation of his divorce by Judge Chester Montgomery.

Adding to the complications of his hectic romance with Mrs. Brimmer, Prof. Tiernan said that she had expressed a doubt as to whether she was really divorced when she married him.

Prof. Tiernan pondered the statement. Relaxing into tolerance, he embraced his "new wife" and fondly kissed her farewell, returning immediately to South Bend.

10 Minutes of Abuse. Mrs. Augusta Tiernan, his first wife and an amazing figure in the Poulin paternity case, awaited him at the station. When the train stopped and her husband alighted, she wheeled on him. For 10 minutes she poured out a torrent of abuse.

Tiernan, his sternness melted, looked on dazed. His eyes were feverish. Throughout the tirade he remained mute and motionless. He offered no excuses but begged only to be taken back.

Mrs. Tiernan's fury spent, the two took a taxicab and returned to the Tiernan home.

Later in the day they announced that they had become completely reconciled. Their reconciliation, it was said, will be made a matter of court record tomorrow and the Tiernan divorce suit and cross complaint will be completely dropped.

Calls Bride "Designing." Learnings of Mrs. Brimmer's former marriage and her alleged doubtful divorce in Iowa, Tiernan's wrath turned on his late "bride."

"At a time when I was distraught with madness over the turn of events in 'Gussie's' trial, I gave ear to the uncanny words of a designing woman," Tiernan said.

"When I was disconsolate, Mrs. Brimmer offered her sympathy. Soon we were exchanging letters, first at the rate of one a day and then twice a day. The letters grew more and more torrid. When I wired her that I had been granted a divorce she came to me on the next train. We met in Chicago. Friday we tried all day to get a marriage license. I bought her a wedding ring and a new hat. Finally we decided to go to Crown Point and were married there."

Quarrel on Honeymoon. "I was reminiscing a little, telling her what a good girl my first wife was down in her heart. Then she insinuated that I had married her for her money. Then came the information that she had been married to three other men. She had told me only of one, who had been killed in a railroad accident. She had deliberately lied to me, betrayed me."

"I never saw two persons such opposites, Gussie, emotional, sentimental and Blanche, quiet, reserved and accomplished. I know now that I love only Gussie."

Calls Up First Wife. Tiernan immediately after his marriage to Mrs. Brimmer, it was learned today, grew remorseful and called his first wife on the telephone, addressing her as "Dear Gussie," "Baby Doll," and other endearing terms. This, Mrs. Brimmer said, brought on their quarrel a few hours after they had been married.

The Tiernans' plans to forsake South Bend and sell their home, the scene of the violent episodes of the past few months, will be adhered to. "Billy" the year old baby whose paternity the professor denied, will accompany them with their two daughters. The children, it was announced, will be placed in a Chicago institution until Tiernan locates a position with some legal firm.

EDUCATOR ASKS DAMAGES. Los Angeles, Nov. 25 (A. P.)—Dr. Ernest J. Lickly, assistant superintendent of the Los Angeles city schools, and a nationally known educator, has filed a suit charging Mrs. Ella Bagnell, a club woman with libel and asking damages totalling \$15,000 as the result of charges she recently filed with the Los Angeles county board of education against him and four teachers and one attendance officer of the city schools.

Tekamah, Neb., Nov. 25 (Special).—Andrew Vinsonhaller, 21 years old, son of Judge Vinsonhaller of Omaha, was instantly killed near here early Sunday morning, and Helen Hoagland, daughter of an Omaha lumberman, was very seriously injured when the automobile in which they were riding struck a railing of a culvert. A piece of the railing hit Vinsonhaller under the chin and penetrated the brain. The same piece of railing also crushed the side of the head of Miss Hoagland. Two other occupants of the car were not seriously injured.

CONGRESS ASKED TO PROBE KLAN

Reported Use of Government Buildings for Ku Klux Ceremonies Rouses Congressman.

Washington, Nov. 24.—Congressional investigation of published reports that the Ku Klux Klan had invaded the United States capitol building and in full regalia staged an initiation ceremony was demanded by Representative John W. Rainey, democrat, of Illinois, today.

Representative Rainey introduced a joint resolution providing for an investigating committee of three senators and four members of the House. The committee would inquire also into assertions that the state, war and navy and other government buildings have been made use of for Klan ceremonies.

Deny Ceremonies Held. Coincident with the introduction of the resolution, Elliott Woods, superintendent of the capitol building and grounds, announced that investigation has shown that no such ceremony had taken place in the capitol buildings. The inquiry was conducted by Mr. Woods, David S. Barry, sergeant at arms of the Senate, and Joseph G. Rogers, sergeant at arms of the House. Mr. Woods said:

"Neither the police force nor the mechanical force, which are on duty at the hour of the night when the Ku Klux ceremony is declared to have been staged, knows anything about any such event. It might be possible that some individual took some person into his private office for such a purpose, but I hardly believe this would have been done."

Senators and representatives are privileged to invite any persons into their offices at any time. Officials and employees of the two Houses have access to the buildings.

Formal Permit Required. A formal permit, however, is required for any ceremony anywhere in the capitol building or grounds. No application was made for a Klan ceremony and no application has been granted, it was declared.

President Harding is prepared to take federal action against the Ku Klux Klan whenever federal statutes are violated, it was stated authoritatively today at the White House. Thus far, it was learned, the president has no information indicating that Klan activities have interfered in federal matters and is aware of no federal investigation now in progress. The federal government, the president feels, should not become involved in purely state affairs connected with the Klan and its activities.

KLAN LEADER EVICTED. New York, Nov. 24 (U. P.)—Efforts to establish a recruiting branch of the Ku Klux Klan at Forty-second and Broadway collapsed today.

The management of the Hotel Hermitage, located near New York's most famous corner, announced they had virtually evicted the Rev. Oscar Haywood, who had a room there and who had stated he would make it his headquarters for recruiting Ku Klux Klan members.

Haywood left the hotel at the request of the management, according to Frank C. Hurley, manager.

This followed Mayor Hylan's action in sending a telegram from French Lick Springs to police here ordering that the Ku Klux Klan be prevented from organizing in this city.

Although Haywood is evangelist of Calvary Baptist church, that institution does not sympathize with the Klan, it was stated today by Mrs. John Beach Stratton, wife of the pastor. Dr. Stratton was away from home, but Mrs. Stratton, speaking in his behalf said, "No one in the United States is more violently opposed to the principles and purposes of the Ku Klux Klan than my husband."

This answered the assertion of Mayor Hylan, in his telegram, that he had seen reports that Dr. Stratton sympathized with the Ku Klux Klan.

Mayor Hylan's letter in part follows: "The dispatches from New York this morning indicate that the Ku Klux Klan is getting busy in our city. If this is so, I desire you to treat this group of racial and religious haters as you would the reds and the bomb throwers. Drive them out of our city as rapidly as you discover them. Assign your most expert detectives to this work, and as you secure the names of any of the organizers or members of this secret organization, be sure that their names are given to the press so that the citizens of our city may know who are supporting this vicious and destructive secret society. It is unfortunate that the federal government did not take a more firm position in this matter when the governor of Louisiana appealed to his excellency, President Harding, for federal action."

WOULD SEND 'EM TO PRISON. Universal Service. Raleigh, N. C., Nov. 24.—John Baggett, a member of the state legislature, announced today he would introduce a bill in the next session making it a penitentiary offense for a man to wear a regalia of the Ku Klux Klan when off his own premises.

NEW KANSAS GOVERNOR AFTER ALLEN'S COURT. Pittsburgh, Nov. 24 (A. P.)—Governor-elect Jonathan M. Davis, in speaking to a large crowd of shopmen and business men here last night, pledged himself to repeal of the Kansas Industrial court and to replacing it with "an American law." He declared that the present law violates the fundamental principle of the government and it must also go, he said, "because of its expense, unworkableness and tendency to become a football of politics."

IRISH BURN KING GEORGE IN NEW YORK

Effigy Ceremony Follows Parade of 5,000—Men and Women Beat Off Police Reserves With Fists and Clubs.

Universal Service. New York, Nov. 26.—King George of England was burned in effigy and police reserves from two stations were beaten off as a climax to a parade of 5,000 Irish republican sympathizers tonight.

The parade started following a meeting protesting against the imprisonment by the Irish Free State by Mary MacSwiney. Miss MacSwiney's brother, Paul, was among the speakers.

The police attempted to break up the parade when it was learned that no permit was obtained but they were beaten back by men and women wielding clubs. Two policemen were knocked down and disarmed.

Attempts to break up the parade were not successful as the paraders were strengthened by hundreds of curious who did not seem to know what it was all about, but followed.

When a dummy of King George was set ablaze, a fire alarm was turned in, but the effigy was destroyed before the engines arrived. Police asked that a hose be turned on the crowd, but the firemen refused.

It was midnight before the crowd dispersed of its own accord.

CHILDERS NOT BITTER. By Dennis O'Connell, Universal Service Correspondent. Dublin, Nov. 26.—Republican adherents are now attempting to stir sympathy by asserting that Erskine Childers wished to become a Catholic before being executed and that the free state officials refused him permission to receive a visit from a priest.

They are also predicting the early release of Mary MacSwiney, who is hunger striking at Mount Joy prison.

Mrs. Childers Dazed. Universal Service's correspondent called upon Mrs. Childers. She was calm, though seemingly somewhat dazed by the tragic event. She spoke with quiet enthusiasm about her husband's work, but showed no trace of resentment or bitterness against his executioner.

Mrs. Childers said that when she saw her husband recently, he declared that he would be happy to die. It is learned that Childers faced death bravely. The early morning time set for the execution was dark and he asked that they wait until daylight before firing the volley. The request was granted and it was some minutes after eight o'clock, instead of the official hour of seven, when he was shot.

Chatted With Guards. In the interval he chatted with the guards and others and wrote several autographs. He shook hands with the firing squad before his eyes were bandaged.

Before he was taken out for execution Childers said to the Very Rev. E. H. Walter, dean of Kildare: "I am at peace with all the world. I bear no grudge against any one and I trust that no one bears any against me."

BOOZE FLOWS AT ARMY-NAVY GAME. So Much Liquor Seen by Cabinet Officials That Investigation Is Started.

Universal Service. Philadelphia, Nov. 26.—Claims that the prohibition law was openly violated following the Army and Navy football game led to the well defined report tonight that several high government officials who attend the gridiron classic will start an immediate investigation.

Hotel men said that so many men and women drank intoxicating liquors that quite a few became nuisances and had to be ejected from the dining rooms and grills.

Cafe owners reported a hilarious night, all indications pointing to the fact that bootleggers had reaped a harvest.

It was stated that Secretary of War Weeks, who attended the game, started a personal investigation before he left for Washington.

Wherever crowds attending the game congregated, one cabinet official stated, the most casual observer could see an ample display of flasks. This official described the conditions as "intolerable."

Prohibition enforcement officers stated that they had done everything possible to keep Philadelphia "dry" and minimized reports of "wetness."

DEATH "IN SPIRIT" OF FIRST WIFE NOT ENOUGH. Indianapolis, Ind., Nov. 25 (A. P.)—The plea that his wife had "died in spirit" failed to win the approval of the supreme court for Willard W. Long, who was convicted in Floyd circuit court of bigamy. The supreme court today affirmed his conviction and in doing so ruled that the laws of the land took precedence over a "higher spirit" which he declared prompted him to wed Marjorie McFall, his 19-year-old bookkeeper, while his wife was still living.

WESTERN CANADA Big Wheat Crops
Canada is the world's greatest producer of wheat—second only to the United States—yet only about 12% of the tillable area has been worked. Yields of 40 bushels of wheat per acre are not uncommon. Oats have yields as high as 100 bushels per acre, while 40 to 50 bushels per acre are ordinary yields; barley and rye in like proportion. Cattle and horses thrive on the native grasses which grow abundantly and corn and sunflower culture are highly successful.
