Your Winter Trip

to California will be surprisingly more enjoyable and far more satisfactory if your hotel or bungalow accommodations are arranged for well in advance and proper consideration is given to the selection of your route to take you there. Naturally, you want to see the most of the best scenery in America en route. The logical route is the Burlington (in connection with the Denver & Rio Grande Western and Northern Pacific), because it takes you right through Denver, the Pike's Peak region, Royal George, scenic Colorado, Salt Lake City and the Grand Canyon of the Feather River in the beautiful Sierra Nevada range. Then, if you return by way of the great Pacific Northwest (Yellowstone or Glacier Park line), Minneapolis-St. Paul and the Burlington's Mississippi River Scenic Line, you put a ring around the Golden West—the most wonderful trip in America. Rail rates are the same via all Western lines. Therefore, you have something to gain and nothing to lose by investigating before completing your plans. Let me tell you more about the Burlington's more-travel-comfort-at-the-same-cost service.
