HIGH SCHOOL.

After a splendid vacation filled with good times, skating, feasting and merrymaking we once more return to our High School. There are several new Christmas ties in evidence and it is hard to decide who were the most favored, the boys with their new ties and belts or the girls with the sparkling new hair ornaments.

Mr. and Mrs. Sahr spent their vacation at Hastings and Lincoln. Miss Eckles at her home near Whitman, Nebraska, Miss Roskoff at Norfolk and Mr. Schmitt at Sioux City, Iowa. All report an enjoyable time and lovely weather.

Florence McNair, who was out of school for several weeks on account of scarlet fever, is once more with us.

Eighth Grade.

Harold and Laurence Nye of the Eighth grade, moved to Spencer during the holidays.

Emmet Roseler has entered school again after being absent since October with a severe attack of appendicitis.

The Eighth grade are devoting the reading period this week to the reading of extracts from library books as an incentive to good reading.

Seventh Grade.

The Seventh grade have completed the study of the picture, "Christ at Twelve." This picture was painted by Heinrich Hofmann and is a detail of the picture "Christ in the Temple."

In geography, we are working on the new countries of Europe.

Fern Noble and Barton Walton have not attended school since vacation.

The Thordike-McCall Reading Test was given in the Seventh grade Wednesday morning.

Sixth Grade.

Velma Clevenger moved to Iowa during vacation and will finish her school term at Laurel, Iowa. We are sorry to lose her from our grade.

The Sixth grade girls of the Busy Bee Sewing Club have begun the work of the third problem in their sewing lessons.

Charles Hancock, who has been attending school at Inman, entered the Sixth grade Monday.

Fourth and Fifth Grades.

The Fourth, Fifth and Sixth grade pupils are having socialized recitation in geography this week.

All Fifth grade pupils were back to school Monday after an enjoyable two-weeks' vacation.

The Fifth grade was sorry to lose Ailee Graves from their class. He will finish the school year in Omaha.

Second Grade.

The Second grade was sorry to lose Roland Nye who moved to Spencer. The total enrollment of this grade is now twenty-four.

Emmet Harmon just completed a sand table in manual training which

was given to the Second grade. This will be used to illustrate interesting stories in reading and language.

M. A. SWAIN ENDS LIFE WITH CARBOLIC ACID

M. A. Swain, stock raiser and extensive land owner of Ewing, committed suicide at that place Wednesday by drinking carbolic acid. He was 35 years old. Financial difficulties are believed to have been the cause, although he left a note to his sister, Mrs. Etta Posson, with whom he lived, indicating that failing health prompted him to take his life.

Mrs. Posson was away from home at the time and found the dead man on her return.

He was born in Ewing and had lived there ever since.

Until the recent money depression Mr. Swain was quite comfortably fixed, but it is understood that recently he suffered heavy losses.

He also left a note to the undertaker, Carl Jaco, requesting that no inquest be held and maintaining his Irish wit to the last, instructing the undertaker that if he had no casket large enough, to have one made.

The note to the undertaker read:

"Carl: Do not hold an inquest over me. Get it over with as soon as possible. If you have no casket large enough, have Jim Anderson make one."

He is survived by five sisters. Mrs. Etta Posson, Mrs. Will Biddleton and Mrs. Ed Wilke of Ewing and Mrs. E. Snyder of Wyoming, and Mrs. Houston of Montana.

County Attorney J. D. Cronin went to Ewing this afternoon and after a thorough investigation of the case decided that an inquest was unnecessary as the evidence of suicide was very pronounced.

The stockholders of the First National Bank of this city held their election of officers at the bank last Tuesday evening. The following officers were re-elected for the ensuing year: President, J. F. Gallagher; Vice President, T. F. Birmingham; Cashier, Ed. T. Campbell; Assistant Cashiers, Edw. M. Gallagher and H. J. Birmingham; Directors, T. F. Birmingham, H. J. Birmingham, J. F. Gallagher, Edw. M. Gallagher, and J. P. Mann, of Chicago.

ARVILL KESTENHOLTZ.

Arvill Kestenholtz died at the home of his brother Harry, who resides six miles northeast of O'Neill, Tuesday afternoon about four o'clock. Arvill had been in his usual good health until about noon that day. He was taken with a severe pain in his head and became unconscious in a very short time, from which he did not recover. The cause of the sudden death is not known but is thought to have been the after effects of an attack of meningitis which he suffered a few years ago.

The deceased was born in Berrian county, Michigan, February 22, 1882. He came to Holt county in 1885 with his parents where he has since resided. He was unmarried and made his home with his parents, Mr. and Mrs. Wm. Kestenholtz, of Inman. At the time of his death he was assisting his brother Harry on the farm.

He leaves a father, mother, one sister, Miss Anna, and one brother Harry. Funeral services were conducted from the home of Harry Kestenholtz conducted by Rev. Levi Hammet, of Inman. Interment was made in the protestant cemetery in O'Neill.

FORD

Interesting Facts

105,799 Ford Cars and Trucks Retailed in December

Approximately the same number scheduled for delivery in January

What Does This Mean?

This volume of deliveries to actual owners is entirely unprecedented for this time of the year—

It has taxed the manufacturing ability of the Ford plants working at full capacity—

It indicates a volume of business during the rapidly approaching months of "heavy demand" which will be far beyond the maximum production schedule which the Ford Motor Company has set—

And that means a Ford shortage even more acute than the one which existed last Spring and Summer.

Dealers stocks all over the country are low—there are no reserves to draw upon to meet the demands for delivery—

There is no way in which dealer reserves can be built up, as deliveries have been made to customers as fast as Cars could be manufactured since last April.

The only way you can protect your desire to obtain prompt delivery of a Ford even at this time is to place your order immediately.

This emphasizes more strongly than anything we could possibly say the necessity of your making prompt arrangements with a Ford Dealer for the listing of your order, particularly if you are contemplating the purchase of a Ford Car or Truck for use this Spring or Summer.

We believe you are entitled to know these facts as they actually exist.
