NOTES FROM THE NORTHEAST.
Ralph Phillips and family were Sunday visitors at the Wertz home.
Robert Phillips has purchased an outfit to saw wood and grind feed. He will also look after custom work.
Baled hay shipped from Page is a record for the town. We are informed that several hundred tons are and will be stored for shipment at a later date.
Ray Shellhart was a Sunday caller at the home of your correspondent. Ray is a near relative of the Trullingers, former residents of Willowdale township, who were well and favorably known by the old settlers. His father filed on land here in 1885.
Miss Lena Cole, Miss Morna Wertz and Leslie Wertz were present at a seven o'clock dinner at the home of Mr. and Mrs. Carl Grant, given in honor of their daughter, Miss Inez, Friday evening. The evening was spent with cards and dancing. Those present were highly entertained and thoroughly enjoyed the hospitality of the family.
We stepped in the open doorway of the New Year; we looked back through 1922 with some regrets—the events and disaster, the source of uncontrollable elements. Industrial condi-

tions are improving but optimism should combine caution and conservatism. It is time to be constructive but should be void of unnecessary expenses or obligations.
While enjoying an evening walk in the suburbs of Star, I met the weather man and casually remarked that the balmy weather was a saving of fuel and feed, and that winter pasture is more valuable than summer pasture with the present existing conditions. His prompt answer was: "I notice your straw hat, summer coat and light shoes." In time of peace prepare for war." Have an abundance of feed near your stock, weather conditions may change and heavy snows are possible about February 1st.

EDUCATIONAL NOTES.

The Nebraska State Teachers' Association will hold its next meeting in Omaha January 18, 19 and 20. Round-trip tickets can be purchased from your town at fare and one-half. Identification tickets can be secured by writing the Nebraska State Teachers' Association, No. 224 Funke Building, Lincoln, Nebraska.

The following districts report socials been held recently: District No. 132, Mrs. Ina Stoeker, teacher, proceeds \$13.00; District No. 131, Mrs. Katherine Ruterbories, teacher, proceeds \$30; District No. 4, Ruth Donnelly, teacher, proceeds \$41.05; District No. 145, Eva Harmon, teacher; District No. 16, Charles Fox, teacher, proceeds \$27.00. January 20, 1923, will be the date of the next teachers' examination. Questions in County and Life certificate subjects will be given on that date.

Forty dollars was the total amount awarded to the various districts of the county as premium money for their educational exhibit at the Holt County Fair. All schools in the county are required to send an educational exhibit to the county superintendent each year. Specimen books for this work can be secured from the county superintendent by writing for them or calling at the office. Premium lists will soon be sent to all schools.

District No. 88 (The Emporia School) will soon have their modern two-room school completed. This is an important step forward educationally. Its being a large school, the patrons decided the work could be done so much better by two teachers than by one. There are a number of other large rural schools in the county which should have two teachers instead of one in order to give the children the benefit of the instruction to which they are entitled. When erecting new school buildings great care should be exercised in regard to proper lighting and heating.

At the beginning of the present term District 18 1/2 (Deloit School) reported their school as having new adjustable chair desks and play-ground equipment as follows: Four swings, two see-saws and basket ball equipment.
The dates for the eighth grade examination have not yet been set by the State Superintendent, but as soon as we receive this information, blanks on which to list all eighth grade pupils will be made to all teachers in the county.
All pupils desiring free high school tuition must have their applications on file in this office by June 1st. Application cards for this purpose can be secured at this office. Students who attend high school can secure these cards from their high school superintendant.
Last year three hundred seven pupils received eighth grade diplomas in this county.
Three hundred sixty-three answer papers from this county were sent to the State for grading at the close of the teachers' examination December 2, 1922.

It is the duty of all teachers and school officers to report to the county superintendent all children who are not attending school as required by law.

ANNA DONOHOE,
County Superintendent.

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this O'Neill testimony.

A. W. Gunn, carpenter, says: "My kidneys acted irregularly and I had to get up a number of times at night to pass the secretions which were highly colored. I had a lameness in the small of my back and kidneys that bothered me a great deal when I lifted or bent. Doan's Kidney Pills corrected the trouble and I wasn't bothered for years until I caught cold which settled on my kidneys disordering them. I took a few Doan's again and they relieved me so I have not been bothered since."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gunn had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Winter never fails to bring this car renewed praise.
It is because the starting system and carburetor seem to be almost immune from cold weather troubles. The response is prompt, even on the coldest mornings.
The cord tires, with their safety tread, are also particularly desirable in winter. They not only act as a safeguard against skidding, but greatly reduce the possibility of having to change tires under disagreeable weather conditions.
Close fitting curtains, which open with the doors, enable the owner to drive in comfort the whole year round.
