J. M. Ashley, says: "My back has bothered me and pained so I could hardly keep going. Sharp pains darted through the small of my back and the kidney secretions were highly colored and unnatural. The last attack came on after having the measles.
After taking the first few of Doan's Kidney Pills I could see a change for the better and kept on with them until I had read three boxes which I got at Reason Bros. Drug Store. I was cured of the trouble and my kidneys were put in a strong and healthy condition again."
