## AN UNUSUAL VAUDEVILLE SHOW

The Royal Theatre management has been very fortunate in securing a booking for two days, Friday and Saturday, April 20 and 21, of one of the highest class vaudeville shows on the road. The Sheen Wonder Show, an unparalleled amusement organization that is considered by all as a really big time company.

This company features the "World's Greatest Juvenile Trio," with 20 musical combinations and special musical acts that surprise and delight the most blasé musical critics, with Master Allan Skeen, violinist, rightly named, "The Boy Kreisler," "Miss Thelma Skeen, who is considered by the World's leading musicians as "America's Greatest Harpist," and Miss Lorenda Skeen, Violinist, who is known as America's Child Wonder.

Interspersed between these 20 musical combinations and novelty acts, in which the Skeen Juveniles are the originators and only performers, Prof. S. W. Skeen, known as "Lazerte The Great," will mystify and amuse with magical effects and illusions, finishing with the greatest sensation in 50 years. Saving a woman in three and restoring her as in days of yore right before your eyes, entirely different from any other sawing illusion ever demonstrated on the American stage. The illusion alone is well worth the price of admission, making a two hour program in all of unusual merit that is seldom seen in any small town and we sincerely hope the people of this vicinity will turn out and support this high class and educational performance.

Remember Sheen's Wonder Show have all they advertise and guarantee to please or refund money and a good applause will always bring an encore.—From Carroll Times, Carroll, Iowa.

"GRANDMA'S BOY" EXCEEDS EXPECTATIONS

"Grandma's Boy" exceeds the liveliest expectations for this much-discussed and widely heralded film.

With its philosophy, romance, exciting clashes, satire on human weaknesses, pathos and optimism, "Grandma's Boy" is unlike anything Lloyd has ever done and displays the star as

an actor of broader scope than his most ardent admirers have known. Here, in addition to being exuberantly funny, he shows surprising ability as an emotional player, and the fact that he sometimes pulls hard at the tenderest heart strings, gives an idea of the difference of his five-reel effort from all his previous films.

In "Grandma's Boy" the story construction is so clever that the character development is as legitimate as in any serious play. At first one is almost led to expect merely a buccolic drama. Then the fun begins with its satire on the foolish fears that are a part of most human lives, and it is riotous.

Lloyd's scenes with Grandma, played by Mrs. Anna Townsend, an adorable old lady of 79, are among the most charming ever screened. Mildred Davis never before played with so much charm. Dick Sutherland's portrayal of the tramp is unequalled, and Charles Stevenson is excellent as the Bully.

Harold Lloyd has never been seen to such excellent advantage as in "Grandma's Boy," and never was there such a comedy as this. At the Royal Theater Thursday and Friday, April 12 and 13.
