**CIRCUS DAY.**

Didn't you ever enjoy "Circus Day" when just a kid? Here is some reminders—and maybe a few tips for the kids on how to get in circusday. Breathes there a man or youngster, with soul so dead who doesn't thrill at the thought? Surely only a few, if any at all, a 4-Ring Circus, a circus with blaring bands, a circus with wild animals from the jungles of Africa, a blood-sweating hippopotamus, a score of laughing clowns. Horses with human brain. Fairyland with ponies, monkeys, and birds. The Lion Act of ten big monsters with "Connie Millor." She calls them pets and they trust her. As a tonic for old and young there is nothing like it. World Bros. Big 4-Ring Circus of 30 Cars will be in O'Neill, Saturday, June 2. A parade over a mile long at 11 a. m.

**NORTH WESTERN TO SPEND MILLIONS IN IMPROVEMENTS**

Millions of dollars are to be expended by the North Western railroad in the improvement of its lines between Omaha, Fremont and Wyoming, this year, in a bid for the lion's share of the oil and cattle business from the northwest, and O'Neill may receive a share in the enlargement and extension of the local yards. The program, according to railroad officials, includes the double-tracking of the road to Fremont from Missouri Valley, the replacement of the superstructure of the bridge at Blair with one sufficient to accommodate the heaviest traffic, the enlargement of the Fremont, Norfolk and Casper terminal yards and the enlargement of the switch and stockyards at the principal towns along the route.

**THE IDEAL TWO WEEK'S VACATION Colorado**

The Low Cost of the Trip Will Surprise You

If your time is limited— If you want to crowd into two weeks, perhaps the maximum vacation enjoyment— Go to Colorado! Colorado is as big as all New England, with Indiana added; two-thirds is mountainous — 100,000 square miles contain 155 peaks that are more than 13,000 feet high. Within the state there are 500 lakes—large and small; 6,000 miles of running water. Mineral springs abound—no one knows how many there are. Every railroad line is an excursion line; motor highways radiate in all directions.

Obviously, in such a region vacation possibilities are unlimited. Here, whatever your age, or means, or preferences, you'll find your vacation "as you like it." Where to go? Here are thousand different places! When to go? Any time! This summer, when you're tucked and seeking escape from the heat and dust, get out under that magnificent cool blue Colorado sky, get the tang of the mountain air and the spicy smell of pine in your nostrils, and you will not have to ask anyone whether it was the right thing to do. How to go? Oh, just climb aboard a Burlington luxurious limited! Colorado is not "Way off yonder," as some people think. The journey there is both quick and pleasant. If you desire to continue on to the Pacific Coast and return via an entirely different route, that's easily arranged. Don't wait until the last minute to make arrangements.
