(Atkinson Graphic, June 8)
Mr. Joseph Bouska and Miss Ethel Hise, both of Atkinson, were married at St. Joseph's Catholic church in this city at 8 o'clock on Monday morning, June 4, 1923, the Reverend Father Loecher performing the ceremony. They were attended by Miss Katie Waite and Mr. Edward Bouska, brother of the bridegroom.
The bride was beautiful in a gown of white tulle with a wreath of white canton crepe with growth and veil, three strands of dainty pearls forming the wreath. She carried a corsage of white tea roses, lilies of the valley and ferns. The bridesmaid wore white satin and carried pink carnations.
Mrs. George Campbell played the wedding march and Miss Dorothy Miller sang "O Promise Me."
Both are well and favorably known. The bride is the daughter of Mr. and Mrs. Fay Hise, and has been a popular clerk at the Bailin Bros. store for the past two years. The groom is engaged in the garage business in this city.
After several weeks visit with relatives the happy couple will be at home to friends, July 1st, in the Ziska property in the west side of town.

CHURCH NOTICE.
Church attendance was larger than usual the 3rd. Rev. Ohmart preached a very good sermon that was helpful to all who heard it. We are trying to get as near as possible to God's plan to raise money for church purposes, but we will not attain that end until we introduce the "tithing system" into our church activities. Some may not believe in that very much, but we will quote from the bible itself to show that we will not be on scriptural ground until we do that.
"Will a man rob God? Yet ye have robbed me. But you say, Where in have we robbed Thee? In tithes and offerings."—Malachi 3: 8.
Come to Pleasantvalley to church.
On account of rains and bad roads the Children's Day program was postponed to Sunday, June 17. A magnificent program is being arranged and you cannot well afford to miss it.
PLEASANT VALLEY.
Mrs. Clyde Streeter and daughter, Elaine, and Miss Zola Snyder, were O'Neill visitors last Wednesday.
The farmers are trying hard to protect their corn from the cutworms.
The latter part of the week has been rainy and unfit for outdoor work.
The farmers of Pleasant Valley met at the Hayne school house last Friday night and voted as to whether they should get a new road grader and fix the roads up or not. The vote was in the affirmative.
Elmer Trowbridge and wife have taken up the farm recently vacated by Clyde Streeter and wife.
Elton Trowbridge spent Sunday at the home of his brother, Elmer Trowbridge.
Miss Vivian Hayne is spending a short time with relatives in Norfolk.
Charlie Grass and family spent Sunday at the Leslie Lyons home near Page.
Claude Hamilton spent the week end at the home of Mrs. Cora Hamilton in O'Neill.

Clyde Streeter and family spent Saturday and Sunday at the home of R. H. Murray in O'Neill.
R. F. Wagers went to Rochester last Wednesday, where Mrs. Wagers was operated upon last Friday. Last we heard she was getting along nicely.
The school meeting of District No. 23 was held last Monday and George Henderson was reelected.
COUNTY AGENT'S DEPARTMENT
Beautifying The City.
A person cannot help but notice, walking around the sidewalks, or driving around the streets, the unkempt condition of many of the lawns. It seems rather peculiar to see a lawn with grass carefully mowed, all the dandelions cut out, no grass over the sidewalks, and the plot of grass between the walk and the street carefully taken care of. Then to see the lawn next to this one knee high in grass and weeds, grass hanging out over the walks, and having all appearances of nobody living there at all. It only takes a few minutes each day to keep this grass and these weeds removed from the lawns, and it would add much, not only to the beauty of the town, but also to the value of the property. People coming into town get a bad impression when they see grass growing along the curbs of the main streets, see the vacant lots, and some of the lawns thickly covered with weeds. They can't help but form an opinion as to the type of people living in the town. I should think that the people of this town would take a personal interest in the beautification of their town, and each person do his bit to make the town as presentable as possible.
Therefore: Why wouldn't it be possible for the town to set aside one week or any other convenient period for the purpose of mowing all weeds, removing all rubbish, ash piles and any other articles which may detract from the beauty of the town? ***
VANDERBEEK-McCARTNEY.

GOLDEN WEST
Going via the Pacific Northwest Returning from California via Colorado
The Low Cost of the Trip Will Surprise You
It is an experience of a lifetime to become acquainted with the great storehouses of scenic, climatic, agricultural, industrial and other wealth in the Pacific Northwest and California.
In making such a trip, it is both natural and logical for one to select that route on which the most and the best of the astounding wonders in our fascinating West can be viewed from the car window.
To the end that Burlington patrons may reap the fullest possible measure of delight, benefit and inspiration which such a wonderful trip affords, schedules have been developed and perfected via two widely different routes so that the most of the best scenery is passed during daylight hours.
Through the combination of these two routes par excellence into one grand circle tour of our impressive and progressive West, you can travel several thousand miles, through a dozen great states, on one ticket. You can see practically every kind of scenery, every phase of topography, every variety of plant life, every species of animal life, every sort of mineral wealth, and every beauty of landscape that the entire American West affords.
Aside from the broadened vision which travel only can give, such a trip may take you to the land of your dreams, to a home in this wonderland of natural beauties, to an opportunity in this wonderland of natural wealth, with a future wide open.
Let us tell you more about it and let your home-town railroad introduce you this summer.
