The \$12,000.00 residence of Hugh O'Neill, of Anncar, was burned to the ground last Saturday afternoon about three o'clock. The fire is thought to have started on the roof from sparks from the chimney. Two of the boys were at home when the fire was discovered and were able to remove the furnishings from the lower floors and a few articles from the upstairs. We understand that the house was partially covered by insurance.

BUSINESSMEN ORGANIZE A COMMERCIAL CLUB

The businessmen again met at the Golden Hotel Monday evening and perfected an organization of a Commercial Club and are planning on carrying out a program that will ultimately bring results and be a lasting benefit to O'Neill and surrounding territory.

Following a three course dinner served at eight o'clock, the business meeting of the evening was held. The minutes of the meeting are:

At a meeting of the Citizens of O'Neill, held at the Golden Hotel on the evening of September 3rd, the following business was transacted.

First: The meeting was favored with an address by the Honorable T. V. Golden, Chairman of the meeting, which address pertained to civic and community development. Other citizens addressed the meeting, including a business talk by the Honorable J. J. Harrington, Mr. S. J. Weekes, Mr. J. F. O'Donnell, and animated speech on the County Fair by Mr. John L. Quig. All of these discussions were instructive and well taken by the meeting. The resolutions outlining a program for community development, was presented by the standing committee and approved by the meeting.

Second: The meeting was called for the purpose of the re-organization of a Commercial Club and as a result there was adopted at the meeting the Constitution and By-Laws of the existing Community Club and the officers elected were as follows: President, Clifford B. Scott; Vice-President, Thomas J. Brennan; Secretary, W. J. Hammond; Treasurer, Edward M. Gallagher. The meeting was then recorded unanimous as favoring a resolution presented by James F. O'Donnell pledging the united and individual support of the business men of O'Neill to the promotion and advancement of the Holt County Fair, and particularly for the concerted and individual cooperation in making the Holt County Fair, which is to be held this month, a success socially, educationally, and financially.

The meeting adjourned subject to the call of the new organization.

T. V. GOLDEN, Chairman.

C. M. DALY, Secretary.

Following are the resolutions adopted by the businessmen at the Monday evening meeting:

WE, the undersigned Committee, appointed by the Honorable T. V. Golden, in accordance with authority given by the citizens of O'Neill at a meeting the evening of August Twenty-seventh, and pursuant thereto, we beg to make the following report and recommendations.

FIRST: Whereas, the City of O'Neill is without an active Commercial Club and is the geographical hub of North Central Nebraska and the metropolis of this section of the state, besides being the County Seat of Holt County and having favorable railroad facilities, we believe that the City of O'Neill and the territory surrounding is being retarded in progress and development and we believe that a live and active Commercial Club is fundamental for the civic and commercial development of a town and community and we recommend the organization of a Commercial Club for that purpose.

SECOND: Whereas, O'Neill is located in and surrounded by an agricultural country comprising grain, hay and pasture land and proven to be adapted to the successful production of grains, alfalfa, tame and native grasses and is adapted to diversified farming and we believe that dairying is the one principal industry for which our country is especially adapted and we recommend the encouragement of the dairy industry in this country. Likewise, poultry raising is a business of great importance, the importance of which has been greatly overlooked. We believe that the farmers should be instructed and encouraged to greater interest and attention to poultry raising. We also think that a Commercial Club should assist the producer of poultry in finding a profitable market for their poultry and eggs. We should pledge support to the general advancement of agriculture. We should make the farmer's problems
