Elias Dorothy was born in Illinois, January 10, 1840, and died September 14, 1923, aged 83 years, 8 months and 4 days, at Gear, Idaho, at the home of his niece, Janie Myers. His last sickness was of about three months duration and of a gangrenous nature. According to his wishes he was buried at Frazier, Idaho, on September 15th.

When a small boy he moved with his parents to Wapello county, Iowa. There he was married October 25, 1860, to Eliza Maria Barrow. WM. B. BARNARD BUYS J. C. ROSS REALTY CO.

Casper Tribune, Sept. 9: A deal was consummated last week wherein W. B. Barnard, a Realtor, purchased the J. C. Ross Realty company, 102 Becklinger building, and he will hereafter conduct a general real estate and insurance business at that location under the name of the Barnard Realty company. Mr. Barnard has been engaged in the real estate and insurance business in Casper for the past four years, being one of the organizers of the A. P. Nesbitt Realty company, and remaining with that company until last June when he disposed of his interests therein to Mr. C. D. Spicer. He is a graduate of the Creighton College of Law, having practiced law in connection with the real estate business in Nebraska before coming to Casper. With his experience he is well qualified to handle the real estate and insurance business in any of its branches.

In speaking of the future conduct of his business Mr. Barnard says that he is going to emphasize service in all relations with his clients, particularly that relating to the transfer of real property, believing that he can relieve the purchasers of property through his office of the embarrassment of delays and expense when they desire to make a resale of their purchase.

The company will be agents for the Travelers Insurance Company, specializing in life, health and accident insurance, and the same will be handled by S. P. Pantan, a man of very wide experience in the insurance business, having engaged in that business for the past thirty-five years in the states along the Pacific Coast.

BIG CROWDS AT THEATRE.

The Elwin Strong theatre organization which is showing in O'Neill this week in its big canvas theatre has received a most generous patronage as big crowds have been admitted each successive night.

Elwin Strong with his cast of all new plays appearing in some very new New York success plays has again merited the goodly patronage he justly deserves. The customary mannerly way he conducts the enterprise meets the approval of folks generally and earns for Elwin Strong a reputation of likeableness. The Band Concerts on our main square both at noon and evening time are greatly appreciated.

Folks here like Elwin Strong because he treats the big crowds nicely, courteously and honestly, and presents plays that give appreciable satisfaction. Our town is a theatre going town and Elwin Strong is able each successive season in pleasing the big crowds of folks who appreciate his visits here and who like him for his sociability and honesty in business affairs.

The opening nights play, "The Woman in Room 13," was a melo-drama with many thrills and was well received.

Tuesday night the company presented Avery Hopwood's great comedy "Why Men Leave Home," and Wednesday night "East is West," a drama of the Far East. Thursday night the most discussed play of the year, "Scandal," and you won't find better entertainment anywhere than this shimmering romance that shook high society until the family skeleton rattled. In story, vast and lavish production, "Scandal" is a genuine delight.

"The Man Who Came Back," is a type of story that carries an appeal of particular interest in those who like their entertainment flavored with realism and will be on Friday night. The company will conclude their engagement Saturday night with "Putting It Over," a comedy drama of the Golden West. A repertoire of high class plays which have never been presented in this state is with us this week and our people who do not take advantage of the opportunity to see something well worth seeing, will miss a whole lot. Mr. Strong is presenting one of the best stock companies that ever visited O'Neill and is giving the theatre going public of this city the cream of Broadway successes. The augmented orchestra will change their program nightly. There will be daily concerts noon and evening.
