SCHOOL NOTES.

The football team played Springview last Friday. The game was lost by a score of 16 to 2. During the final minutes of the game the Springview boys scored 16 points. The game stood 2 to 0 at the end of the third quarter. Leslie Uhl played an exceptional game in the first two quarters.

The team drove from Springview to Ainsworth on Friday night and defeated the Ainsworth team by a score of 13 to 0, Saturday. The boys were very much stiffened from the effects of the hard game at Springview and did not make a very good showing in their game Saturday.

All the O'Neill boys speak very highly of the treatment given them by the Ainsworth team and people. On Friday the team was invited to a school party in the fine new High School building. After the party the Ainsworth boys took the O'Neill boys to their homes. This is not the first time that Ainsworth has shown her splendid hospitality to teams representing the O'Neill schools and the team and school authorities hope that many more trips will be made to this city. Many other towns could profit much from the example set by Aansworth.

A few girls of the high school met a week ago Monday after school in the auditorium and organized a sewing club. They chose as the name for their organization B. U. G., the meaning of which is to be kept a secret. The club is to give an opportunity to the girls to know each other better and to have enjoyable time as well as to give them an opportunity to make articles to be exhibited at the county fair next fall and also a chance to make Christmas presents. Any girl interested in the organization may join. Initiation will take place next Monday after school, and we would like the names of all who wished to join by next Friday. These names may be handed to Iola Purcell or Mil-

dred Tomlinson. Mrs. Suhr is sponsoring the club.

Eighth Grade.
Alta Strube handed in the neatest paper in arithmetic Wednesday.

The class substituted part of Friday's agriculture lesson with the work of Luther W. Burbank.

The Eighth grade has dropped oral spelling temporarily and are drilling on definitions in accordance with the course of study.

The class is paying special attention to the adjective in this week's work in English.

Second Grade.
The Second grade are very much interested in the growth of a cotton plant which they planted some time ago. The first blossom appeared last Monday.

Fifth and Sixth B.
Atlee Graves, Irene Brown, Mae Mazelle Martin and Laura Wyant had perfect papers in language today, the work being on definitions.

Miss Mae Leod is teaching a class in geography 6 A having exchanged it for penmanship with Miss Trehy.

Every one is all enthused over preparation for Education Week, November 19 to November 23.

The Fifth and Six B gave their teacher a surprise party Friday afternoon. She received several lovely gifts and everyone had a good time.

We are planning making some clothes-pin Indian dolls to commemorate the Friendship of the Indians and Pilgrims. The boys will do the carving and the girls will make the clothes.

Seventh Grade.
The Seventh grade English class gave two minute talks Tuesday on "What I Would Do With One Hundred Dollars."

Blanche Mohr, Lona Cromwell, Helen Schwisow have joined the sewing class organized by the Holt County Extension Department.

Gail Bressler is absent because of a severe cold.

The Seventh grade geography class is making a chart in connection with the study of world winds, to show the direction of the wind for two weeks.

Fourth Grade.
This class finished their "Language Booklets" last week. In these booklets will be kept all the written work of the class for the year.

Miss Meta Martin visited this room Monday.

Audrey Colfax returned to school Tuesday after an absence of several weeks.

George Abdouch had his nose badly injured when he fell while playing Monday afternoon.

This class enjoyed a half-holiday Monday.

Jack Perrine has gone to Omaha to live. Jack will be missed by all.
