REACHING THE SPOT.

It Has Been Done, So Scores of O'Neill Citizens Say.

To get rid of an aching back, The sharp twinges, The tired-out feelings, You must reach the spot—get at the cause.

In many cases 'tis the kidneys. Doan's Pills are for weak kidneys. O'Neill citizens testify. Ask your neighbor!

J. M. Ashley, O'Neill, says: "My back has bothered me and pained so I could hardly keep going. Sharp pains darted through the small of my back and the kidney secretions were highly colored and unnatural. The last attack came on after having the measles. After taking the first few of Doan's Pills I could see a change for the better and kept on with them until I had used three boxes which I got at Reardon Bros' Drug Store. I was cured of the trouble and my kidneys were put in a strong and healthy condition again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Ashley had. Foster-Milburn Co., Mrfs., Buffalo, N. Y.

nunciation contest on the cities of Europe. The side mispronouncing the least words wins.

The girls of the Home Economics class studied meat last week. They learned the location of the various cuts, their uses and their relative costs. The three general ways of cooking the tender cuts of beef are: Boiling; Pan-broiling and roasting. The three methods of cooking tough cuts are: Soup-making, stewing

and pot-roasting and braising. Meat was cooked these different ways in the laboratory.

This week the girls have been making salad dressing and salads. One dozen different kinds were made including the following: Santa Claus, butterfly, New Year's orange cups baskets, apple cups, Waldorf and many other combinations.

The dates for Eighth grade examination have not yet been set by the State Superintendent. All teachers in the county will be notified immediately upon receipt of definite dates from the State Superintendent.

The next teacher's examination will be given Saturday, January 19, 1924.

Two hundred fifty-eight applicants were registered for county and life certificate subjects at the October 20th teacher's examination and one hundred sixty-eight, at the December 1st teacher's examination.

An extra-supply of the "Fire Prevention Home Inspection Blanks for School Pupils" has been received and copies of same will be mailed to teachers upon their request.
