

1924 Durant and Star Models

STAR COUPE

A new addition to the Star line of closed models. This new model has two doors, one on each side, exceptionally wide, permitting easy entrance to the very attractive interior.

In the Star Coupe the arrangement has been refined to such a degree as to eliminate all the little inconveniences which heretofore have been the only objection to this kind of a car.

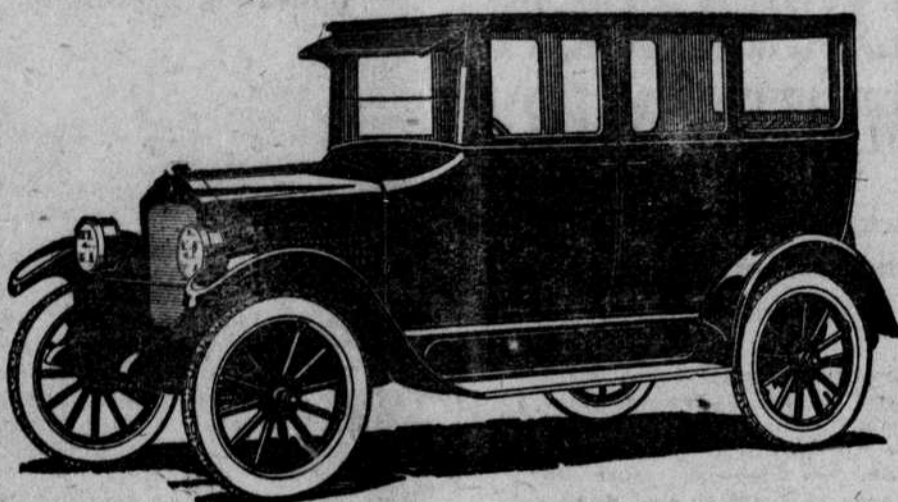

1924 STAR TOURING

Star cars are now the lowest priced standard fully equipped cars on the market. Stop and think. Can you name any car on the market near the Star price that has—

- A Red Seal Continental Motor.
 - A Dry Disc Clutch.
 - Floating Rear Axle.
 - Timken Bearings.
 - Positive Oil and Water Pump
 - Stewart Speedometer and Vacuum System.
 - Gas Tank in Rear.
 - Spicer Universal Joints.
 - Warner Transmission and Steering Gear.
- These mentioned units are found in such cars as the Packard and Cadillac, as well as on the Star.

There are many minds and there are many automobiles of many characters—a piece of machinery, like man, has character. Each thing made represents the ideas—honesty and purpose of those making the article.

Durant and Star Cars represent a high purpose in conception and execution.

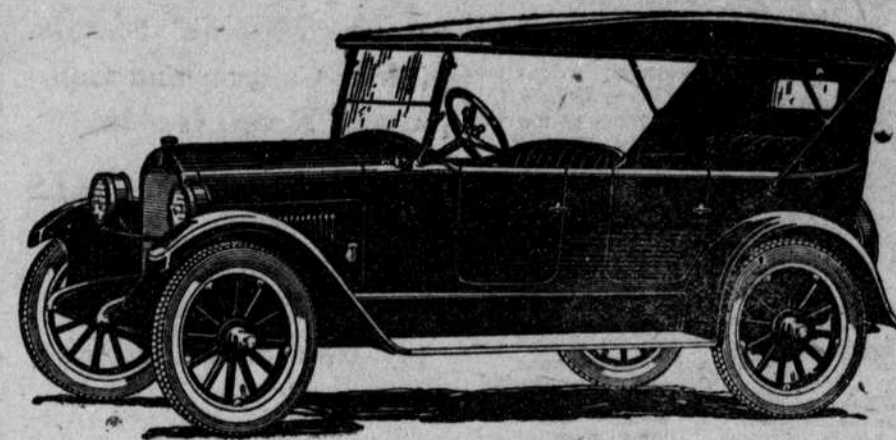

1924 STAR SEDAN

The Star Sedan has all the power and the refinement of the high priced cars and with its low under-slung springs gives you all the pleasure and comfort that are experienced in cars costing twice as much. **Just a Real Good Car. Cars That All Can Own.**

We have given our customers the Best Service Possible in the sale of cars. We always take a personal interest in their automobiles.

Call around to our garage. We will gladly show you 1924 Star Tourings at \$490.00 f.o.b. factory and the rest of our cars are priced accordingly.

1924 DURANT

The Durant car is not well known in this vicinity, but they are giving perfect satisfaction every where that they are in operation.

Durant owners in nearby towns have driven their cars nearly 30,000 miles and their appearance and operation would indicate that they are good for 100,000 miles more.

Ask any owner!

1924 STAR SPECIAL TOURING

An O'Neill car owner who recently bought a new Star car said he not only wanted the best performing, but the best looking and most economical car on the market—that's why he bought the new Star Special Touring Car.

To appreciate this car you must see one.

BONNIE JEAN

ARLINE DOUGHERTY
Bonnie Jean Arline, little daughter of Mr. and Mrs. Charles J. Dougherty of this city, died Wednesday evening, March 12, 1924, at the home of her parents, after an illness of pneumonia followed by an attack of measles. She was four and one-half years of age. The funeral will be Friday afternoon at 2 o'clock from the Methodist church, the Reverend J. A. Hutchins officiating. Burial will be in Prospect Hill cemetery.

GEORGE LAWRENCE.

George Lawrence, of Emmet, one of the early settlers of Nebraska and for twenty-one years a resident of Holt county, died at his home in Emmet Sunday, March 9th, aged 86 years and 24 days. He was born at Magor, England, February 15, 1838. Mr. Lawrence is survived by his wife and ten children. He was a veteran of the civil war and also possessed of an enviable record as a member of the Nebraska Volunteers, organized at the close of the civil war to fight Indians, and with that organization engaged in warfare with the Indians over what is now Holt county as early as 1865, at which time an Indian engagement was fought on the Elkhorn river between the present sites of O'Neill and Emmet. Mr. Lawrence, who came to Holt county from Columbus, Nebraska, had been a resident of Nebraska for sixty-four years. The funeral was held Wednesday from the Methodist church at Emmet, the Reverend Rasmussen officiating and burial was in Prospect Hill cemetery this city.

The Supreme Thrill of Motion Picture History!
A frail boat and its six occupants towed at express-train speed toward three thousand miles of open water, through a sea lashed into foam by a maddened whale.

A sudden turn; a shout, "Look out, he's heading for us!" The cars are splintered along one side of the whale-boat; before the startled crew can back-water, the monster of the deep is upon them!

A flip of its death-dealing "flukes," and both craft and its occupants are tossed high in the air. The boat falls back into the sea a battered wreck, its crew floundering about in shark-infested waters.

Such is the climax of the most astounding piece of realism ever photographed—a motion picture made in the broad reaches of mid-Atlantic, with a 90-ton sperm whale as the principal actor, and the hand of chance directing as fierce a battle between man and mammal as the long history of whaling has ever known.

See it and you will agree that it is

the most astounding sensation of the century!
