DANGERS OF A COLD
O'Neill People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, kidney action follow. Don't neglect a cold. Use Doan's Pills at the first sign of kidney trouble. Follow this O'Neill resident's example: C. P. Mabon, says: "Catching cold has sometimes put my kidneys in a weakened condition and the secretions passed frequently and were highly colored. It was through the advice of a neighbor that I first tried Doan's Pills which I got at Reardon's Drug Store. Three boxes corrected this trouble and I have not been bothered since. I can certainly recommend Doan's from the lasting cure they made for me and I believe them to be the best kidney remedy one can use for kidney trouble." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Mabon had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
