RESOURCES		LIABILITIES	
LOANS AND DISCOUNTS	\$329,171.79	CAPITAL STOCK	\$ 50,000.00
This consists of notes given by our customers—mostly farmers—a very large per cent of which is secured by either chattel mortgage or other collateral.		This represents the cash paid in on the original investment by the stock holders.	
OVERDRAFTS	367.26	SURPLUS AND UNDIVIDED PROFITS	85,381.20
This represents money due us from depositors who have checked out more money than they had on deposit. While this item is not large, we are not particularly proud of it for the reason that it is against banking department regulations to permit any one to overdraw their account.		This is a part of the earnings of the bank that have been set aside from time to time as a "guarantee fund" for the further protection of our depositors or to cover any possible losses. Our surplus and undivided profits amount to more than 170 per cent of our capital stock.	
UNITED STATES BONDS	107,350.00	CIRCULATION	49,200.00
These are all gold obligations of the United States and all of which are now selling very close to or above par.		This represents the "currency" or "national bank notes" we have in circulation for which we have deposited with the Treasurer of the United States \$50,000.00 U. S. Gold Bonds to guarantee the redemption of these notes.	
OTHER BONDS AND SECURITIES	64,854.61	DEPOSITS	527,658.19
This consists of municipal bonds, county, township and school warrants, all worth par. PRESIDENT COOLIDGE AND SENATOR NORRIS OVERWHELMINGLY ENDORSED BY NEBRASKA VOTERS

President Calvin Coolidge and United States Senator George Norris were overwhelmingly endorsed by Nebraska voters at the primary election Tuesday and Adam McMullen, of Beatrice, received the republican nomination for the governorship by a handsome plurality over Albert N. Mathers, of Gering. In the democratic column Governor Charles Bryan ran very far ahead of Chares Graff, his opponent for the nomination, and John J. Thomas, of Seward, received the nomination for the United States senate. There were no democratic candidates for the presidential nomination filed in the state, but William McAdoo received the big end of the written in vote, with Governor Bryan second. The governor has announced that he does not consider the preference expressed for Mr. McAdoo as binding on the delegates to the democratic national convention, however; following in this his brother, W. J. Bryan, who at the Baltimore convention disregarded the voice of the Nebraska democracy which had declared for Champ Clark. In the Sixth congressional district Congressman Robert Simmons was renominated without opposition and the democrats on the returns now in have selected Charles W. Beal, of Broken Bow, to be defeated by him this fall. Mr. Beal holds the unique distinction of having been defeated more times for congress in the Big Sixth than W. J. Bryan has for the presidency. In the candidacies of local interest Judge Robert R. Dickson ran far ahead of Judge James Berryman, of Bassett, for district judge, although both are nominated to contest against each other this fall, and County Judge Malone is running better than two to one ahead of S. E. Kelley, of Atkinson, who is the other contestant for the county judgeship. W. L. Philley, of Ewing, is nominated over Ross Ampsoker, of Springview, for state senator from the Twenty-Second district and will oppose John A. Robertson, the democratic nominee, this fall, and J. M. Hunter has been named as the republican nominee and Frank Harrington the democratic one for representative from the Sixty-Fourth representative district. Ira Moss had no opposition for the republican nomination for clerk of the district court and also apparently has received the democratic nomination by having his name written in. Chauncey Keyes, of Inman, apparently has received the republican nomination for county assessor and John Melvin the democratic nomination.

Following are the unofficial totals on the several candidates in Holt county with several precincts yet to be heard from:

PHILLEY DEFEATS AMSPOKER FOR STATE SENATE IN TWENTY-SECOND DISTRICT

The Rev. William Leonard Philley, of Ewing, will represent the Twenty-Second district, comprising Holt, Boyd, Brown, Keya Paha and Rock counties, in the Nebraska state senate next year. Mr. Philley on the face of the returns now in has defeated his opponent in the republican primary, Ross Ampsoker, of Springview, by approximately three hundred votes.

The unofficial returns in Holt county, with several precincts yet to hear from, give Philley 701 votes and Ampsoker 372. In the other counties of the district Mr. Philley ran well up with his opponent; in Keya Paha county, Mr. Ampsoker's home county, tying him with 163 votes each, with three precincts out. The vote in the entire district is most complimentary to the popularity of the Ewing man, as Mr. Ampsoker, his opponent, is one of the leading attorneys of the west end of the district and enjoys a large acquaintance and the respect and confidence of all who know him throughout the entire district.
