

Only clean oil can give Protective Lubrication

THE average motorist feels safe when his oil gauge shows motor oil up to the proper level. But he is mistaken.

Every time you use the choke you dilute your oil. Every piston stroke draws in road dust. A dilution with 5 percent of gasoline lowers the lubricating efficiency of oil fully 15 percent. After five hundred miles operation the dilution averages more than this. Contamination by dust and carbon has changed its nature. It is rapidly becoming a grinding compound.

Take lubrication seriously and your motor will last longer and give you better service.

Consult the Polarine Chart. Buy the right grade of Polarine for your car. Keep the oil up to the proper level. Drain and flush the crank-case after every five hundred miles of operation and refill with fresh Polarine. This will save you many times the cost of oil in the greater mileage and power you will get from gasoline and the smaller cost for necessary repairs.

Buy Polarine where you see this sign—five grades, light, medium, medium heavy, special heavy and extra heavy—to suit every make of motor.

SHERIDAN LOSES DECISION IN SIOUX CITY BOUT

(Sioux City Tribune, April 29.)
Homer Sheridan, Sioux City middleweight, after winning four out of five rounds from Sailor Anderson, of Sioux City, weakened in the sixth frame and the bout was stopped and awarded to Anderson. Sheridan displayed good form, and a good knowledge of ring craft, but went out fighting in the final frame, when he should have taken things a little more easily. As a result he tired too quickly while Anderson was in good shape at the last.
Sheridan needs another month of training and then he will step out with the best of them.

RUSSELL URWIN.

(Creighton News.)

Russel Gale Urwin was born near Orchard, Nebraska, on August 5, 1923, and died on April 11, 1924, his age being eight months and seven days. He leaves to mourn his loss, his parents and one sister, besides grandparents and other relatives.

The funeral was held on Sunday at the Methodist church conducted by Rev. Farner, and the remains were laid to rest in the Creighton cemetery. To the bereaved parents we extend our heartfelt sympathy in this their sad hour of mourning.

One fleeting smile, on moment given, Buds of earth must bloom in heaven.

Russell Urwin was a grandson of Mr. and Mrs. G. A. Fox, who reside southeast of O'Neill.

The Holt County Track and Field meet will be held at O'Neill, May 14th. Up to date O'Neill, Atkinson, Stuart, Chambers, Inman and Page have entered teams and have paid the entry fee of \$5.00. Large delegations of school people and those interested in athletics are expected from each of these towns and those in charge of the meet are preparing for an attendance of at least 1500 people. The meet promises to exceed in every way the meet held last year and it is hoped that the business men of O'Neill will get back of the project. If the meet is to remain in O'Neill this must be done.

Seventh Grade.

The Seventh grade, in geography, under Mrs. Suhr, wrote letters and stories, each pupil representing a one of the countries of Europe.

The Professional Training class visited four rural schools last Thursday. The Normal Training course requires two days to be spent in observing rural schools. The other day was spent at Miss Cromwell's school before they did their practice teaching in the rural schools.

Eighth Grade.

In a speed drill in geography Wednesday morning John Dumpert and Frank Maben led the class.

Erma Dimmitt spelled down the class Friday.

The class will take the state examinations in the remaining subjects Thursday and Friday.

Fourth Grade.

Geraldine Madison enrolled in the Fourth grade last week.

The Fourth Grade are busy making health posters this week.

The attendance in this class was 100 per cent last week.

The following pupils are at test No. 13 in the Curtis Arithmetic tests: Velma Hunt, Ralph Ratliff, George Abdouch, Charles Myers.

Job Work—High Grade—Frontier.
