## RURAL CARRIER EXAMINATIONS

The United States Civil Service  
Commission has announced an ex-  
amination to be held at O'Neill, Ne-  
braska, on July 26, 1924, to fill the  
position of rural carrier at Emmet  
and vacancies that may later occur  
on rural routes from that postoffice.  
The salary of a rural carrier on a  
standard daily wagon route of 24 miles  
is \$1,800 per annum, with an addi-  
tional \$30 per mile per annum for  
each mile or major fraction thereof in  
excess of 24 miles. The salary on  
motor routes ranges from \$2,450 to  
\$2,600 per annum, according to length.  
Separate examinations for motor  
routes and wagon routes are no longer  
held.

The examination will be open only  
to citizens who are actually domiciled  
in the territory of the post office where  
the vacancy exists and who meet the  
other requirements set forth in Form  
1977. Form 1977 and application  
blanks may be obtained from the va-  
cancy office mentioned above or from

mission at Washington, D. C.

At the examination applicants must

## SERIES OF ACCIDENTS DISABLES BIG FAMILY

(Atkinson Graphic, July 3)  
Mrs. Lizzie Pelcer returned Friday  
from a three weeks stay at the farm  
home of her brother and family,  
Henry Weyman, near O'Neill. With-  
in the Weyman family of eleven chil-  
dren where sickness had never before  
entered there was a congestion of  
causalties that called for outside help.  
Mr. Weyman took sick, and imme-  
diately thereafter one of the boys  
broke an arm and a day or two later  
one of the girls had an arm broken and  
that was followed by another one of  
the boys rupturing a blood vessel and  
ligaments in one leg. These injuries  
to the youngsters all came about  
through bad falls and there was need  
for first aid and much nursing at this  
home.

## GIVES UP BABY!

Omaha.—A mother—just a slip of  
a girl—carrying a poorly dressed baby,  
walked 16 blocks today from her room  
in a cheap rooming house to campaign  
headquarters of the Nebraska Child-  
ren's Home Society "to give up her  
baby."

"I love my baby as much as any  
other," she said, "but my husband  
and I can't give her the right  
kind of a home. Won't you please  
and a good home for her?"

R. B. Ralls, secretary of the society,  
has furnished aid for the child and  
mother until a suitable home is found.  
"This is a frequent occurrence in  
our office," said Mr. Ralls. "In many  
cases we make arrangements so the  
mother can keep the child. If this  
is not possible we take the child to  
our receiving home and care for it  
until good foster parents can be  
located."

Preparations are now being made  
to carry on a campaign for \$40,000  
with which to build a new receiving  
home.

The campaign in this county will  
be launched March 15.

"The present receiving home is in-  
adequate," said Dr. Max Emmert,  
chairman of the campaign committee.  
"Unless a new home is constructed  
some activities of the society will  
have to be curtailed. This would be  
a real tragedy."

## Real News Paramount

In the country newspaper, sensations, scandals—the recording  
of human misery—is almost taboo. At least it certainly is sec-  
ondary to the printing of real news about people and things.

For the province of the country paper—your HomeTown Paper  
—is to give community interests first place, printing the more or  
less sensational personal items only when necessary to keep faith  
with subscribers who pay for ALL the news.

Therefore, your Home Town Paper can give you, in full meas-  
ure and overflowing, 100 per cent pure news about the people in  
whom you are interested—your relatives and friends of the Old  
Home Town.
