FORECAST OF ACTIVITIES OF THE O'NEILL WOMAN'S CLUB FOR THIS YEAR

The O'Neill Woman's Club enters upon the fifth year of its existence and activities with a bright outlook, and with much anticipation. The program committees have done their work well, the year-book is in the hands of the printer, and, from glimpses into the pages of the proof sheets, it promises to be one of the most interesting, entertaining, as well as the most profitable of all the club programs. The membership roll shows 113 members in good standing, with a fine representation in each department.

All general meetings, held on the 4th Wednesday of each month, will follow the same outline, as follows: Business—Current Topics—and Parliamentary Drill. The first general meeting will be held on Wednesday afternoon, September 24th, and it is the wish of the President that there be a full attendance.

ferent musical forms, i. e. The Waltz, Gavotte, March, Serenade, Cradle Song, Nocturne, Minuet, etc. Musical current events will be a feature of each meeting.

It will be plainly seen that no one can afford to miss even one of these programs, so the President, Mrs. Giligan, asks that each member constitute herself a committee of one to bring at least one name for membership to the first meeting.
