The Commercial students now occupy their new commercial room re-cently completed in the high school. The room is divided by a large glass partition into two rooms—one a room for typewriting and equipment with tables and six typewriters. The lar-ger room is equipped with long tables for bookkeeping work. The two rooms being divided by a glass partition enables one instructor to supervise both departments. When the blackboards, which have not yet arrived, are placed, this will be one of the best commercial rooms to be found in any

The Domestic Science class is observing the canning season by making jelly and canning fruit this week.

The Business English class has an enrollment of 40 this term. The class is studying the principles of grammar before taking up the work of punctuation, spelling and letter writ-

Ing.

The Freshman English class has an Dist. Teacher enrollment of 38. The class is working on oral composition this week. The Senior Normal Training class has an enrollment of eleven girls. Arithmetic is the major review now being studied. Twenty-five girls and two boys are enrolled in the Junior

Normal Training class.

The High School Athletic department is seriously handicapped by the lack of equipment. During the summer months practically all foot ball and basket ball equipment was removed from the high school gymnasium. A complete foot ball suit costs over \$20.00. A basket ball uniform over \$12.00. Those having any of this material please return to the high material please return to the high school immediately.

FORMER ATKINSON YOUNG PEOPLE WED

(Atkinson Graphic, Sept. 12.)
An unusually pretty wedding was that of Mr. Theodore B. Friedrich, of Anoka, and Miss Phania Johnson, of Emmet, which occurred at the spacious country home of the bride at 11 a. m., Wednesday, September 10th, and was attended by about sixty guests Rev. E. L. Prather, pastor of the Presbyterian church of Atkinson, was the officiating clergyman.

Every arrangement for the wedding was perfect in detail. A color scheme of green and white was carried out in all the decorations which were deall the decorations which were designed by the bride. A canopied arch had been contrived by means of festoons of crepe paper in the two colors from which a large paper weddingbell was suspended. Ferns and other plants further adorned this nook. Doorways leading to the stairs and dining room harmonized in decoration, and up the dising room the second of the stairs.

dining room harmonized in decoration, and in the dining-room the same decorations were effectively used.

To the strains of Mendelshons wedding march, executed by Miss Helen Moss, the wedding party descended the stairway and took their places in front of the arch described above. The bridge was given in marriage by her father and the double ring ceremony was used. The young couple mony was used. The young couple was attended by the bride's sister, Miss Coleela Johnson as maid of honor, the groom's brother, Orchard Friedrich as best man, and by four bridesmaids, the Misses Bessie Friedrich Form Hitcheack Ins. Witters and rich, Fern Hitchcock, Ina Waters and Elsie Mulford, classmates and close friends of the bride.

The wedding gown was of white crepe. The bridesmaids were attired in gowns of dainty rainbow shades of silk crepe. Lovely boquets of roses, snapdragons and ferns were carried by the bride and her attendants, the rmer being of brides roses in that of the maid of honor being pale pink and the others of deep pink. Bo-quets of gladioli and ferns were used

Immediately following the wedding ceremony a delicious and elaborate three-course breakfast was served by four girl friends, the Misses Carrie Wabs, Wilma and Helen Moss and Eva Waters. As a distinguishing uniform they wore caps and aprons of green and white. Mesdames Jas. Malloy and John Hunt reigned as cooks in the kitchen, thereby relieving Mrs. Johnson and other members of the family of the work and responsi-bility for the day.

When the first table, at which were

seated the newly married couple and guests of honor, was served the bride cut the wedding cake which was not only a work of art to look upon but delicious to the taste. It had been GRADE TEACHERS artistically decorated with frosting

artistically decorated with frosting and ar ornament.

Following the breakfast Miss Dorothy Deck sang a group of songs, "O, Promise Me," "I Love You Truly" and "Those Endearing Young Charms," and Miss Helen Moss rendered an instrumental selection. The music of both performers was greatly enjoyed. both performers was greatly enjoyed

Guests from a distance were: Mrs. Koksnia and daughter, Mrs. Mattie Eller, of Doynes, Kansas, aunt and cousin of the groom and Mrs. Lang and daughter, Miss Lang, of Minne-apolis. aunt and cousin of the bride.

Just before time for the company to disperse the young couple slipped away but not slyly enough to escape the shower of rice thrown at them and their fast disappearing car which had been inscribed with sentiments suitable to the occasion. They are taking a trip to the Black Hills and upon their return will announce their future place of residence to their

The groom is the oldest son of Mr. and Mrs. Carl Friedrich. He was born and grew up in this community and but recently moved with his parents to Boyd county. He is a substantial young farmer and an exemplary young man. The bride is a daughter of Mc. and Mrs. Andrew Johnson and has spent most of her life in the pleasant farm home near Emmet. She is a graduate of the Atkinson high school and has been a successful teacher since her graduation. She is a young lady of many graces and both young people enjoy the respect and friendship of a large circle of acquaintances who wish them every joy and blessing on life's journey together.
