**NOTES FROM THE NORTHEAST.**

Charley Hart, of Middle Branch and Justin McDonald, of Page, were Sunday callers at the Wertz home. Justin is employed by the Western Bridge & Construction Company.  
Ralph Phillips and family drove to Grand Island, Nebraska, Friday, visiting at the home of Elmer Phillips. They returned home Sunday by the way of Norfolk and Neligh.  
F. W. Hendrick threshed 140 acres of rye and Emmett Revelle 90 acres of oats recently. Quality good and yield satisfactory. Generally the yield and quality of small grain is above normal.  
The heaviest rainfall, for many moons, visited that part of Holt county the 15th inst. Beneficial to alfalfa sown in July and August and the soil is in good condition for sowing fall grain.  
Bryon Phillips and family were recent visitors at the home of his mother, Mrs. F. W. Phillips, driving to North Platte, Nebraska, where Bryon and wife are teachers in the North Platte public schools.  
Mr. and Mrs. Frank Hunter were recent visitors at the home of your correspondent, kindly leaving a basket of apples grown in their orchard. This is strong evidence that orchard, with proper care will produce fruit at least for home use.  
Ray Shellhart died at the Lutheran hospital at Norfolk, Nebraska, the 12th inst., after a week's illness, following a serious operation for appendicitis and gall trouble. His father, George Shellhart, of New Castle, Wyoming, was with him during his illness and death. His mother died in 1905. Her name before her marriage to Mr. Shellhart was Miss Anna Trullinger, daughter of Mr. and Mrs. Denzie Trullinger, pioneers of Willowdale precinct. A sister, Mrs. Winnie Carman, lives near Des Moines, Iowa. A young man in the prime of life. Ray will be sadly missed by his many friends in this neighborhood.  
The school house in District No. 49 was sold recently to R. K. McKown, who resides near the school site. District No. 49 was organized in 1881. John W. Wertz taught the first term of school, in his sod house on the farm. In 1882 the patrons of the district built a frame school house, of cottonwood logs on the Cline land, and in the Niobrara river, hauled the logs with oxen to Wall's saw mill for the dimensions. A. C. Mohr, now of Spencer, Nebraska, did the carpenter work, or rather foreman. The site on the southeast corner of the J. W. Wertz homestead. This was used for school purposes and public gatherings for several years. Later on the building was sold to J. M. Hunter, now of O'Neill, and used as part of his residence. The site was changed and the present school house was built. A. C. Mohr doing the carpenter work. District No. 240 and District No. 251 was organized taking part of the territory from District No. 49. The school site is again changed to near where C. E. Downey and family, now of O'Neill, lived for several years. A new school house will be built in the District No. 49, known for many years as the Hainsville school.

**SUPERVISORS' PROCEEDINGS.**

(Continued from last week.)  
washed in. Emergency crossing of brush now serving.  
It is our opinion that above defects make this bridge dangerous to travel and unsafe. We believe a new bridge should be built to replace the present one which we do not think can be repaired. We recommend prompt action before serious accident occurs.  
With reference to the Ernest bridge located between Sections 26 and 35, Township 31, Range 12, we find it to be unsafe and dangerous. Stringers and part of floor are rotted except some of the floor. It is our opinion that this bridge can be repaired but should be done immediately before some serious accident occurs.  
With reference to the Stearns bridge located between Sections 14 and 21, Township 31, Range 13, we find it to be unsafe and dangerous. Piling are rotted and too small to carry traffic. Back planking are badly rotted. It is our opinion that this bridge can not be repaired.  
We inspected the bridge known as the Wallace Johnson bridge located between Sections 29 and 32, Township 31, Range 12, and found that the good condition but must have a new foundation and we further recommend that this pannel be moved east about seven feet and re-erected and that an additional 30 foot pannel be erected on the west end to properly span the stream, owing to the enlargement of the channel caused by heavy floods the former span having proven inadequate.

And Whereas, the bridge located between Sections 25 and 30, Township 31, Range 12 and 13 and known as the Vequist bridge is in an extremely dangerous condition because of age and decay and is unsafe and liable to cause injury and damage.  
And Whereas, the bridge located between Sections 26 and 35, Township 31, Range 12, is in an extremely dangerous condition because of the age and decay of floor and stringers and is therefore unsafe and is liable to cause injury and damage.  
And Whereas, the bridge located between Sections 16 and 21, Township 31, Range 12, known as the Stearns bridge is in a dangerous condition because of age and decay of piling, floor and back planking and is therefore unsafe and is liable to cause injury and damage.  
And Whereas, the bridge located between Sections 30 and 31, Township 31, Range 12, known as the Wallace Johnson bridge is in a dangerous condition because of age and decay of foundation and insufficiency of size approach and is liable to cause injury and damage.  
Now, Therefore, I move you that an emergency be and the same hereby is, declared to exist, and that the public good requires immediate action to prevent inconvenience and damage and that the Board of Supervisors proceed to enter into a contract as by law provided for the necessary labor and material to repair and reconstruct such bridges and the approach thereto and place the same in a safe and passable condition.

Around all day with an aching back, Can't rest at night;  
Enough to make any one "give out," Doan's Pills are helping thousands. They are for kidney backache; and other kidney ills.  
Here is O'Neill proof of their merit. Mrs. Minnie Bowen, says: "I had backache and a heavy dull pain in my kidneys that seemed to wear me all out. It couldn't get much rest at night and it was all I could do to keep at my work. There was a severe pain in the back of my head and through my shoulders. My kidneys were weak, causing a great deal of annoyance. Doan's Pills relieved me completely."  
**FOUR YEARS LATER,** Mrs. Bowen added: "I still think Doan's are a good kidney medicine. It has been a long time since I have had need of a kidney remedy."
