WOMAN'S CLUB ACTIVITIES.

The Literature and Art Department had a very interesting Riley program on Wednesday, October 1st. This date, was very close to James Whitcomb Riley's birthday, designated by the Legislature of Indiana, as "Riley Day." Each member gave a quotation from Riley, and Mrs. Biglin read a review of his life written by Mrs. Hugh Coyne.

Following this, three young ladies gave a group of readings as follows: Old-fashioned Roses, Helen Ryan. That Old Sweet Heart of Mine, Iola Purcell; "Lettin' The Old Cat Die," Mildred Timlin. These were well rendered and much enjoyed by the club.

On Wednesday, October 8th, The Home Economics Department held their first meeting, and carried out the prescribed program in full. Frozen fruit salad was demonstrated by Mrs. Reardon and Mrs. Ed. FOOTBALL GAME AT EWING.

The foot ball game with Ewing, scheduled for October 3rd, was postponed and played on October 7th, at Ewing.

The game, ending in a tie score, 6 to 6, proved to be a ragged affair, due no doubt to the fact that it was the first game of the season, and for nearly all the players, the first in which they had ever participated. However they showed in the second half, particularly, when they held Ewing for downs repeatedly, that they have the potential power with a little more "seasoning," they should give a good account of themselves in the games which follow.

Ewing's score came early in the third period, as a result of a blocked punt and two forward passes.

O'Neill's lone counters was made in the last three minutes of play, when runs by Downey, Hunt, Hall and Arbuthnot ended in the ball being carried across the chalk line by Hall. The game ended with Ewing in passing of the ball on their own twenty yard line.

The work of Captain Merle Hunt, fullback; A. Carney, tackle and Jack Arbuthnot, quarterback, were bright spots in the otherwise featureless game.

An effort is being made to secure a home game with an out of town team for Friday, October 9th. Should the plans fail to materialize a game will be arranged with the Alumnae of O. H. S.

The schedule to date, calls for games with Ainsworth, Butte, Spencer and Ewing. Others will be arranged in the very near future.
