**NOTES FROM THE NORTHEAST.**  
 George Shellhart and Alex Wertz were transacting business in O'Neill Tuesday.  
 Martin Stauffer and family drove to Plainville Saturday, visiting relatives returning home Sunday evening.  
 Emmet Wertz was on the Page market Monday with twenty-one Poland Chinas that averaged 450 pounds, selling at \$9.00 per cwt.  
 George Mott, of Walnut, Nebraska, was in this part of the county Saturday, passing sale bills for his father, George Mott, Sr., who intends retiring from the farm. Mr. Mott is a pioneer and is well known here and in western Knox county.  
 We are informed that George Their-off, of Star, threshed over 200 bushels of sweet clover seed. Frank Hunter 65 bushels and M. C. Coffman 42 bushels. It has been proven in this vicinity that sweet clover is a soil builder and has produced an average crop on light sand soil.  
 The republicans of Willowdale precinct met in caucus at the regular voting place Saturday evening, nominating a township ticket. August Smith, assessor; J. P. Berger, Justice of the Peace; Emmett Wertz, clerk; Orton Young, treasurer; George Wadsworth, Overseer District No. 43; Charley Berger, Overseer District No. 21.

We note in The Frontier of September 11th, "Louse Creek named after 'Cooty' Baths." We are informed from another source, that it should be Lost Creek, origin of this name being that the early survey did not appear on the plat or map, through some error. Steel Creek was named from Tom Steel, the first settler or trapper on this stream and was killed by the Indians. When your correspondent crossed the creek the first time in 1879 it was known as Apple Creek, supposed to be named by John C. Fremont, the only stream growing crab apples that he found west of the Missouri river. From his autobiography the supposition is he wintered on the hill or elevation between Steel Creek and a spring branch about 80 rods east of the elevation. An enclosure of about two acres of the earth thrown up was plain in 1879. A ditch or trench was dug from this enclosure to the spring branch east and covered with timbers and dirt. The flour mill built by Frank Jones was Apple Creek Mills. In the "80's" W. V. McElhany was P. M. of Apple Creek postoffice in the log house on the claim. The Dorsey cemetery is on this hill or elevation. We are pleased to note the farm or ranch owned by Carl Grant and well improved and occupied by Mr. Grant and family is named "Apple Creek Farm." We insist as one of the pioneers of this part of Holt county that this beautiful stream surrounded by picturesque hills covered with trees and groves should be known as Apple Creek.

**DANGERS OF A COLD.**  
 O'Neill People Will Do Well To Heed Them.  
 Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Pills at the first sign of kidney trouble. Follow this O'Neill resident's example:  
 C. P. Mahen, says: "Catching cold has sometimes put my kidneys in a weakened condition and the secretions passed frequently and were highly colored. It was through the advice of a neighbor that I first tried Doan's Pills which I got at Reardon's Drug Store. Three boxes corrected this trouble and I have not been bothered since. I can certainly recommend Doan's from the lasting cure they made for me and I believe them to be the best kidney remedy one can use for kidney trouble."  
 Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Mahen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
