**SENATOR NORRIS**

**ENDORSES SIMMONS**  
Kimball, Neb., Oct. 10.—In his speech here last night Senator George W. Norris likened the government unto a great corporation, of which the people were the stockholders, representatives and senators elected directors and servants, and named Congressman Simmons and himself as such directors.  
He declared the work of such directors should be of a non-partisan nature and that they should be free of political machines and bosses. He unqualifiedly endorsed the candidacy of Congressman Bob Simmons, who had already spoken saying that the people should send him back because he acknowledged no bosses and did his own thinking.  
Throughout his whole speech he praised the work of Simmons and urged his re-election because it was necessary that experienced men be on the job.  
Senator Norris advised a government made corporation for control of railroads and the adoption of the proposed state constitutional amendment because it would free the same of machine rule, he said.

**EMMET NEWS.**

Robert Allen and Charles Harris and families now occupy the Frank Pruss house.  
Dougal Allen has returned from Ohio where he spent the summer with his brothers, Hamilton and Ed.  
Will Tenborg Jr. and family now occupy the Wm. Crawford chicken and turkey ranch.  
Fred Tenborg sprang a surprise on his friends by being married to a Sioux City lady in Sioux City last week. He and his wife are now living in the residence near Fred's blacksmith shop.  
Lee Steskal has just completed a five room residence for Mr. Armstrong about twelve miles north of Emmet. Lee will begin the building of a residence for himself in Emmet in a few weeks.  
A daughter was born to Mr. and Mrs. Emmet McCaffrey last week.  
The dance that the Catholic ladies were to give October 15th has been postponed to next Tuesday evening, October 21st. It will be a real old time dance with luncheon served all through the dance. The K. C. club of Emmet has the management of the dance and this means one of the best social affairs Emmet ever had.  
Ross Harris is doing jury duty at Norfolk for the past three weeks in the federal court.  
A fire of unknown origin destroyed all the outbuildings on the William Malloy ranch two miles south of Emmet.  
Charlie Andrews, of Emmet, won second prize in the hay baling contest at Stuart last week.

**MORE LOCAL MATTERS.**

County fairs of north Nebraska will be on a racing circuit next fall if plans discussed at a meeting of fair secretaries at Neligh last week prevail. The proposed circuit will include Holt, Boyd, Rock, Antelope, Pierce and Stanton counties and will include both harness and running races. Secretary John L. Quig represented the Holt county fair at the Neligh meeting.

Mr. and Mrs. J. H. Meredith together with Mr. and Mrs. Charley McKenna spent last Sunday with Mr. Joseph Schollmeyer and family. Mr. Meredith says they had a very fine time, and only regrets that he was not able to fill his pockets with cats to last him a week. Joe says Mr. Schollmeyer has a fine farm with 170 acres of corn that will yield from 40 to 50 bushels to the acre, and has two car loads of cattle in the feed yard with 165 head of shoats.

Edward Gallagher returned Wednesday from attending the dedicatory exercises at the Yankton bridge Monday. He pronounces the entertainments at the festivities as most extensive, including a circus, a rodeo, a half mile of midway attractions, a magnificent nightly display of fireworks and other and varied entertainments. M. R. Sullivan and C. E. Stout accompanied him to Yankton, Mr. Sullivan later going on to Sioux City and Mr. Stout to Omaha.

C. T. Boone, superintendent of the Norfolk division of the North Western railroad, was killed Sunday afternoon when his car, a Lincoln, overturned south of Norfolk while he was attempting to pass a car ahead. Mrs. Boone also received serious injuries in the accident and the other two members of the party minor injuries. Mr. Boone was well known to the business men of this city, which he frequently visited. The funeral was held at Boone, Iowa, his former home, Wednesday afternoon.

**WOMAN'S CLUB ACTIVITIES.**

The Music Department gave a most interesting program on Wednesday afternoon, October 15th. Mrs. Reardon, chairman of the department, was leader. Mrs. Reardon has a most complimentary manner of introducing the participants in the program, thereby inspiring each one to perform her part to the best of her ability. The program was carried out in full, as follows: How to Learn to Listen to Music, Miss Miram Gilligan. The Waltzing Doll, Poldini, Mrs. Kubischek. Vocal solo, The Shoozy-Show, Miss Genevieve Biglin. Development of the Waltz Form, Mrs. Suhr. Waltz Song, Just a Song at Twilight, Marie McLeod. Current Events in the musical world, Mrs. P. J. O'Donnell. Gavotte, Mrs. C. B. Scott. The Demonstration of the gavotte, under the direction of Mrs. Kubischek, was a most delightful feature: The Gavotte was danced by Helen Reardon, Grace Quilty, James Brown and James Harty. All were dressed in Colonial costumes, and performed their part with a grace and beauty of movement which charmed every one.

Members of the club would do well to attend these programs, as every one is a real entertainment you cannot afford to miss. Remember you do not have to be a member of that department, to attend the meetings. Any member of the club may attend any program.  
Ladies of the club who have not received their year books may find them at the library in charge of Miss McLaughlin. You will find your name on your book.  
Next week, October 22, is the General meeting of the club. Let us have a large attendance. You will miss something interesting and instructive if you miss this meeting.

**OUT OF THE GLOOM**

Many a Gloomy Countenance in O'Neill Now Lightens With Happiness.

A bad back makes you gloomy. Can't be happy with continual back-ache.

The aches and pains of a bad back Are frequently due to weak kidneys. Doan's Pills are recommended for weak kidneys.

So O'Neill citizens testify. Ask your neighbor!

Mrs. A. H. Jacobs, O'Neill, says: "I was troubled with my back and kidneys for a number of years before I learned of Doan's Pills. At that time I was so bad I could hardly get around and felt miserable and weak all over. Generally when I lay down at night I felt worse. My back and hips pained me and I couldn't rest properly. When I heard of Doan's Pills I tried them and it took a couple boxes from Stout's Drug Store to give me fine relief. In the past few years I have used Doan's occasionally when I feel my kidneys need attention and they never fail to do their work."
