PATRICK S. HUGHES.

Patrick S. Hughes died at his home one and one-half miles southeast of this city this (Thursday) evening. He has been in failing health for several months, but has been able to be about the house most of the time.

Mr. Hughes was born in County Monahan, Ireland, eighty-five years ago last September. He was the last of the original colony in O'Neill, who came to Holt county in the spring of 1874 with General O'Neill. He located upon a homestead one mile west of O'Neill where he made his home for a number of years. Later he purchased and moved to his present home southeast of O'Neill.

He was united in marriage on January 29, 1899, to Margaret Vaughan. To this union was born one child who died in infancy.

The passing of Patrick Hughes removes a prominent figure from the community. He was well known and liked by everyone. He has taken a prominent part in the upbuilding and advancement of O'Neill ever since its organization. The funeral services will be held Saturday morning at nine o'clock at St. Patrick's church in this city. Burial will be made in Calvary cemetery.

HIGH SCHOOL FOOTBALL.

The high school team journeyed to Spencer Friday, October 31st and defeated the high school team of that place 12 to 7. The game was hard fought and well played.

Throughout the first quarter O'Neill completely outplayed their heavier opponents. In this period Downey, the O'Neill quarter aided by fine interference returned a punt eighty yards for a touchdown. On the try for point a forward pass was incomplete.

In the second period the tables turned with Spencer the master of the situation. They recovered an O'Neill fumble on O'Neill's twenty-yard line and after a series of plays put the

oval across for six points. They drop kicked for the point.

The score remained 7 to 6 until near the end of the game. However O'Neill marched down the field twice only to lose the ball at the goal line. Finally with their backs to the wall Spencer attempted a punt which was blocked by Hunt and recovered by Carney, left tackle, for a touchdown. The game ended with the ball in the middle of the field.

The line-up for the game—
Minton, end
Carney, Tackle
Hough, H—Guard
Abdouch, Center
Bressler, Guard
C. Hough, Tackle
Hirsch, End
Downey, Quarter
Phalin, Half
Morrison, Half
Hunt, Fullback
Touchdowns—Carney one and Downey, One. No substitutions.

Ainsworth—O'Neill

The local high school team failed to be the David and as a result Goliath completely smothered his smaller opponent.

The first half of the game was closely contested. Ainsworth received the kick-off and marched down the field, entirely by means of straight football, for a touchdown. The try for point through the line was successful.

O'Neill elected to receive—Hall returning the punt nicely—ten yards by Hunt and a brilliant run of forty yds. through the line by Hall scored for O'Neill.

From that point on it was all Ainsworth—O'Neill on the defensive practically all the time. However they failed to stop the heavy line and hard hitting backs of their opponents. The game ended 33 to 6.

The showing made by the locals in view of the 13 to 7 game at Ainsworth was somewhat disappointing yet the absence of certain players from the lineup coupled with the fact that the team was unable to practice for over one week, seriously handicapped them. However the game was won by the better team.

Lineup—
Minton—End
Bressler—Tackle
H. Hough—Guard
Abdouch—Center
Carson—Guard
C. Hough—Tackle
Hirsch—End
Downey, Quarter
Morrison—Half
Hall—Half
Hunt—Fullback
Substitutes:—
Phalin, Bazelman, Hough C. A., Davidson—Touchdowns: Hall (1).
Referee—Keith of Long Pine.

The next game to be played is with Ewing on the local field Friday, November 14th. After the Armistice day game the boys are out for revenge and will be in a better physical condition to get it. Everyone come out and support the team in their last home game of the season.

SHES FROM BRYAN'S STATE.

The following article was taken from the Grand Rapids (Michigan) Herald and tells of the approaching visit of Miss Georgie Hall to that city. Miss Georgie is quite prominent in grand opera. She was formerly an O'Neill girl:

"And Georgie Lee Hall, who is now making good in a very fine part in 'Rain,' coming to Powers'. She also started in to fight her way to stage honors. Miss Hall was born at O'Neill, Nebraska. Dr. Madelein Doyle and Miss Marguerita Doyle of this city came from the same town and were schoolmates of Miss Hall. They tell me that Georgie was a very talented and a very pretty girl, a leader in all school affairs and a girl with many 'beaux.' In other words, one of those girls who are popular because they deserve to be. Later Miss Hall removed with the family to Lincoln, Nebraska, where her father was chief of police. She began looking to the stage early. From Lincoln Miss Hall went to New York. Her first considerable engagement was, we believe, in 'The Hotentot.' In 'Rain,' we are told, she has one of those roles that actors love, a part that 'plays itself,' so 'fat' that anyone with talent must make a hit in it.

LEAVES FROM THE BOOK OF NEBRASKA

Coronado Visits The Land of Quivera

EIGHTY years before the Pilgrims set foot on the snow-bound shores of Massachusetts, white men trod the rich prairies of Nebraska.

In the spring of 1540 Coronado set forth from Mexico to explore the vast unknown region to the north. By July, 1541, he reached the Platte country and spent twenty-five days in "The Land of Quivera"—Nebraska.

The fertility of her soil, her climate, her fruits and inhabitants were noted. But three centuries rolled around before the white man claimed this rich domain for his own.

Blood and toil, hardships and privations, difficulties and dangers that only the most heroic courage and strength could endure and overcome, form the glorious heritage and the brave traditions of Nebraska.

The pioneer spirit transformed endless buffalo plains into smiling farms and rich cities—into a well-peopled but uncrowded empire of peace, progress and prosperity.

In growth and sound development, no state leads Nebraska. She has steadily advanced, making new records in agricultural wealth and manufactures, in educational facilities and public works. Last year the value of agricultural and live stock products for each resident of Nebraska was approximately \$400, while for the United States it was \$125.

Nebraska is also great industrially. The last U. S. Census proved that the value of her manufactured products exceeds that of her field crops. Apply what measure or test you please, Nebraska is a land of promise, opportunity and achievement.

In its own field, the Standard Oil Company of Nebraska knows the satisfaction of pioneer accomplishment. A strictly Nebraska company with complete direction of the company's destinies and operations in the hands of executives who are residents of the state, its aim and effort have been to develop and maintain an adequate and convenient service—to keep step with the requirements of both communities and individuals.
