Rupture

EXPERT AT NORFOLK.

Seelye C.'s truss expert from Chicago will personally be at the Oxnard Hotel, and will remain in Norfolk Wednesday only, November 19th. Mr. Seelye says: "The Spermatic Shield will not only retain and ease of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions." Warning—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rests where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seelye has documents from the United States Government, Washington, D. C., for inspection. Our representative will be glad to demonstrate without charge or fit them if desired. Business demand prevent stopping at any other place in this section.

P. S.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seelye. Home Office: 117 No. Dearborn St., Chicago. 24-

PRAIRIE FIRE SWEEPS PONY LAKE TERRITORY (Atkinson Graphic.)

A prairie fire last Friday destroyed fifty stacks of hay and considerable other property in the vicinity of Pony Lake, fourteen miles straight south of Bassett. It is supposed that careless hunters started the fire, which covered an area of about fourteen miles by five or six miles. An alarm was sounded in Atkinson and several cars started for the place to assist in the fight but only a few got there.

E. H. Roepe's Oakland sedan was bruised up in a collision on the road to the fire. Denny Criss of Stuart ran into Roepe from the rear and both cars were considerably damaged and Mr. Roepe had his nose bumped and J. F. Brady, who was riding with him, had his back severely strained and for a day or two was not able to go about his work.

ARE YOU ALL RUN DOWN.

Many O'Neill Folks Have Felt That Way.

Feel all out of sorts? Tired, achy, blue, irritable? Back lame and stiff? It may be the story of weak kidneys!

Of toxic poisons circulating about. Upsetting blood and nerves. There's a way to feel right again. Help your weakened kidneys with Doan's Pills—a stankulant diuretic. Doan's are recommended by many O'Neill people:

A. W. Gunn, carpenter, O'Neill, says: "My kidneys acted irregularly and I had to get up many times at night to pass the secretions. I had a lameness in the small of my back that bothered me a great deal when I lifted or bent over. Doan's Pills corrected the trouble and I wasn't bothered for years until a cold disordered my kidneys. I took Doan's again and they relieved me so I haven't been bothered since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Gunn had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (39)
