

I have 30 or 40 prospective cash buyers for Holt county farms.

If you will come in and list your farms with me at cash prices I am positive that I can turn them by March 1st, for cash. No use putting on war time prices because they can not be sold that way.

I also have some attractive trading propositions for large tracts.

If you want to buy, sell or trade, see me.

## System Counts

In everything, systematic procedure wins. Hit and miss tactics always fail.

This applies with equal force to saving money. Save systematically. Put away a stated minimum amount every payday, or every so often, and the rapid accumulation will surprise you.

On our books are many successful people who save regularly—in good times and bad—and most of them started with only one dollar. You can do it, too. We pay 5 per cent on savings.

**HAVE YOU EVER FOLLOWED YOUR WASHING?**

We would all like to believe every kitchen is clean; that all tenements are sanitary, and all alleys sweet and airy—but do we?

If you send your washing out, why not safeguard yourself and family by calling in an organization like ours which makes a business of sanitation, and which sterilizes while it washes?

You will like our Family Laundry Service both for its purity and for its thoroughness in every detail.
