MRS. DANIEL A. FLAHERTY.

Mrs. Daniel A. Flaherty died at her home ten miles north of O'Neill about six o'clock last Monday morning following an illness of twelve days.

Josephine May, eldest daughter of Mr. and Mrs. N. R. Chalfant, of Fullerton, Nebraska, was born at Fullerton, July 12, 1885, where she grew to womanhood and was graduated from the Fullerton high schools.

She was married to Daniel A. Flaherty, at Columbus, Nebraska, and later came to Holt county in March, 1915, where the family has since resided.

The deceased leaves four small children, Bernard, age eight; Donna, age five; Francis, age two, and a baby boy twelve days old.

Mrs. N. R. Chalfant, mother, and Mrs. Chas. Nixon, Mrs. Frank Sheaf and Mrs. Hashberger, sisters of the deceased and Miss Nell Flaherty, a sister-in-law, besides her immediate family were at the bedside when she passed away.

The remains were taken to Fullerton Monday afternoon where the funeral services were held Wednesday morning. Burial was made in the Fullerton cemetery.

JOHN KILLMURRY.

John Killmurry, a former resident of this city died in a sanitarium in Spokane, Washington. The remains brought to this city this Thursday morning and were taken to the home of his sister, Mrs. R. R. Morrison.

The deceased was forty-four years of age. He has been located at Spokane and vicinity for the past sixteen years at which time he moved from O'Neill. His occupation for a number of years was mining until he contracted illness that caused his confinement in the sanitarium and later his death.

The deceased leaves two sisters, Mrs. R. R. Morrison, of this city, and Mrs. Ralph Merriman, of South Sioux City, Nebraska, and three brothers, Richard, of Spokane, and Patrick and

Edward of Atkinson. Funeral services will be held from St. Patrick's church, Friday morning at nine o'clock. Burial will be made in Calvary cemetery.

JOHN D. KELLY.

John D. Kelly, perhaps one of the most widely known residents of this city, died in Rochester, Minnesota, on Wednesday of last week following an operation for gall stones, a short mention of which appeared in the Frontier of last week.

John D. Kelly was born in Calumet, Michigan, December 3, 1873. When still a small child he came to Holt county with his parents, who located upon a homestead four miles north-east of O'Neill where they lived for a short time. The family moved to Leadville, Colorado, where they made their home for a few years, going from there to Humboldt, Illinois, where they located in the community in which his mother's relatives resided. The family remained for eleven years in Humboldt, when they returned to Holt county where his parents resided until death claimed each of them.

In May 1900 he was united in marriage to Miss Mary Harrington, of O'Neill. They made their home on the old homestead until 1912 when they moved to O'Neill and built a modern home in the northeast part of the city. Mr. Kelly continued his operations of farming and stock raising although he resided in the city.

On February 11th, accompanied by Dr. Finley, he went to Rochester, Minnesota, where, on the 17th he submitted to an operation for gall stones. He seemed to recover from the effects of the operation, but the following day he began to show weakness and rapidly became worse until death claimed him at 4:30 o'clock on the 18th. His wife and a cousin, Wm. P. Kelly, of Omaha, were with him when he passed to the great beyond.

The deceased is survived by his wife and a host of relatives and friends. He leaves no brothers or sisters, he was the only child of his parents.

The death of John D. Kelly takes from us a comparatively young man who has been an active, vigorous man and has worked hard that he might help build the community in which he lived. He was a man liked by all who knew him and who enjoyed a host of friends throughout the county.

The funeral services were held from St. Patrick's church, Sunday morning, conducted by Rev. M. F. Cassidy. Burial was made in Calvary cemetery.

The following relatives were here from a distance to attend the funeral services for the late John D. Kelly: John D. Harrington and Peter D. Harrington, accompanied by their sons, Dan and Peter, of Humboldt, Illinois, uncles and cousins; Wm. P. Kelly and Miss Agnes Kelly, of Omaha, cousins; Mrs. H. P. Hansen, of Verdigris, cousin; Daniel J. Kelly, of Winnetoon, cousin; Mr. and Mrs. D. D. Harrington, of Wisner, cousins; F. D. Harrington, of Omaha; Mr. and Mrs. H. E. Snyder, of Columbus, Nebraska; Mr. and Mrs. Walter Wilford and Dennis J. Harrington, of Omaha.

CARD OF THANKS.

We wish to express our sincere thanks to the many friends and neighbors for their kindness and sympathy extended to us during the illness and death of our beloved husband and brother.

We especially wish to thank the Knights of Columbus, relatives and friends for the beautiful floral tributes received.

Mrs. Mary A. Kelly.

IZAIAK WALTONS ENJOY BANQUET TUESDAY EVENING

A drive for new members for the local chapter of the Izaak Walton League of America was in every way a pronounced success. Mike Kerwin captain of the winning side came in with forty-one to their credit. Dr. Carter, captain of the other side ran a close second with twenty-seven restled by his assistants. With these sixty-eight new members the grand total is now one hundred and two.

The losers proved themselves to be genuine sportsmen and came across with a sumptuous banquet for the winners with a smile on every face. The banquet was served in the dining room of the Golden Hotel. Dr. Carter officiating as toastmaster. The following members responded to toasts: "Fish Bait," Mike Kirwin, "Furbearing Animals and Their Nocturnal Habits," S. J. Weekes, "O'Neill Makes Good," G. H. Nichols, "Crow Eggs and Their Uses," Mike McCarthy, "Plucking The Crow," J. H. McPharlin, "Statewide Crowbounty," Dr. Lubker, "Saving The Little Ones," Loren Simonson, "Ethics of Sportsmanship," Dr. Burgess, "Poisoning Crows," "Crippled ones," C. E. Stout. All other members took active part in discussions that followed.

President Clauson told about the Hungarian partridges that were received from the Fish and Game department and turned loose on the farm of Sam Wolfe.

Upon motion wires were sent to Senator Robertson and Representative Hunter expressing the chapter's approval of Senate File 81, which is considered as class legislation of the ranker sort.

It was decided to have a local crow shooting contest to begin as soon as arrangements can be made. Mike McCarthy was selected as manager. J. H. McPharlin and Loren Simonson were chosen as captains who will select their assistants from chapter members. They can also go outside the membership, providing those chosen become Waltonsians. The BULL'S EYE

Editor and Manager

Another 'Bull' Durham advertisement by Will Rogers, Ziegfeld Folies and screen star, and leading American humorist. More counting. Watch for them.

LOOKING at this Bull's picture here just reminds me of the Cattle Business, of which I am still in, in a small way.

Stock on the Exchange in Wall Street was never higher. Stock on a Ranch was never lower.

If a cattleman sold a Steer and they would let him weigh all the mortgages that was on the Steer with him, he would weigh 50 pounds heavier.

One Tenderloin Steak at a Hotel brings more than a Steer.

A quart of milk brings more than the Cow.

A Texas Long Horn brings \$20 and one pair of Horn-rimmed glasses \$25.

A Calf sells for \$10 and its brains sell for \$20.

The hide of a Cow brings \$1 and one pair of shoes \$18.

Two sacks of 'Bull' Durham is worth more than the Bull.

The only way to be in the Cattle business is with a picture of one.

Will Rogers

P. S. I'm going to write some more pieces that will appear in this paper. Keep looking for them.

MORE OF EVERYTHING

for a lot less money. That's the net of this 'Bull' Durham proposition. More flavor, more enjoyment and a lot more money left in the bankroll at the end of a week's smoking.

THE Ford car has remained the undisputed leader for value in the motoring world. There are certain fundamental reasons why this is true. It is a car, properly designed and staunchly constructed, having a motor which has proved itself reliable, long-lived and economical.

It is adequately serviced by an organization reaching to every community and neighborhood. These combine to give the Ford car the highest resale value in proportion to list price.

And as production volume of the Ford has grown the purchase price has been steadily reduced.
