Kansas, arrived in O'Neill, Wednesday, for a visit with the former's parents, Mr. and Mrs. Henry Zimmerman, and with other relatives and friends.

Mr. and Mrs. Fred West and daughter, Miss Vera, of Hutchinson, Kansas, arrived here on Wednesday of last week for a visit with their daughter and sister, Mrs. Clarence Zimmerman, and family. They returned home Saturday.

E. N. Purcell, Frank Younkin and Ross Harris returned Tuesday morn-ing from a several days trip to Oma-ha during which they witnessed the opening of the state golf tournament Sunday and attended the show at Ak-Sar-Ben Monday evening.

Mrs. C. H. Lubker has been enjoying a visit from three of her sisters, Mrs. Clarence Frey, Elk City, Nebraska; Mrs. John Falter, Huron, South Dakota; Mrs, Eber Schnauer, Plainview, Nebraska, who arrived Monday for a couple of days stay.

Word received from Irving Harding by local friends is to the effect that the Hardings are returning from their sojourn in Arizona? They will stop over at Grand Canyon for several days, enroute, and also at Denver, arriving at O'Neill about July 15.

Mr. and Mrs. Henry Mills returned home Wednesday evening from a week's visit with their daughter, Mrs. Oscar Pierson, at Haywarden, Iowa, and with friends and relatives in South Dakota. Henry says that the crops look as good here as they did anywhere on the trip.

State Superintendent John M. Matzen, has recommended that all schools in the state or at least those schools whose teachers and pupils care to attend the state fair, postpone the open-ing of school this fall until the week following the state fair, in order that the teachers and pupils may take advantage of the exhibits.

L. E. Oyler, the pleasant and effi-cient manager of the Western Union uptown office at this point, has accepted a promotion to Scottsbluffs, Nebraska, and will leave to assume the duties of his new position Satur-

Miss Mary Ryan and Miss Catherine Lynch of Sioux City, returned with them for a short visit in O'Neill.

street. The color scheme of the gardens has been re-arranged so that the different varieties are grouped separately, making the selection of bulbs for future delivery by patrons much

St. Mary's academy, as a grand open sired the death penalty. Gregor him-day morning for a several days outair production for the benefit of the self at all times has seemed indiffering at the famous fishing resort. academy and to assist in raising the almunae pledge of \$2500 to the academy's silver jubilee this fall. The production will be staged under the direction of the Priest sisters of Battle Creek, who have gained national fame in the work. The dates, which will be sometime the latter part of July, will be announced later.

The little two year old son of Mr. and Mrs. Andrew Johnson, Jr., who reside near Blackbird postoffice, severed the index finger of the right hand at the second joint Tuesday when he fell with the finger protuding through the hole in the end of the handle of a small stew pan or dipper. The edges of the hole were thin and the second and sharp and completely severed the member with the exception of a small tendon. The child was brought to the office of Dr. Gilligan where the wound was dressed.

John B. Ryan arrived here last Thursday from Eldora, Iowa, and will make O'Neill his future home. Mr. Ryan is the new division manager for the Tri-State Utilities Company, of Minneapolis, who own and operate a large per cent of the lighting plants between Neligh and Valentine which will be the territory covered by Mr. Ryan. Mr. Ryan expects to go to Sioux City Saturday and accompany his family to O'Neill the following day. They will occupy the Clevish resi-They will occupy the Clevish residence in the east portion of the city.

The new side trck to the Purcell Produce Company buildings on the Northwestern right-of-way has been comleted and now is in use. The new track, necessitated by the increasing business of the firm which is the largest in north Nebraska will afford facilities for the better handling of shipments. The poultry department in the large building has been moved from the basement to the main floor, on a level with the loading dock. Facilities for unloading coal directly into the basement which is now occupied by the coal department, also have
