THE FATS DEFEAT THE LEANS SUNDAY

One of the most entertaining ball games of the season was played last Sunday afternoon at the base ball park between "The Fats" and "The Leans." A large crowd was present. As soon as the game was called the fans began cheering for their choice and the merriment ran high until the end of the tenth inning. The early part of the game seemed to be a one-sided affair in favor of the Fats, with Bill Martin, the star southpaw doing the twirling, but about midway in the game the old time mound artist Fred Ratliff who was doing the strike-out stuff for the Leans began to "come back" and held the Fats. The Leans managed to tie the score in the ninth inning but were unable to match the two score gathered in the tenth by the Fats. The score was 10 to 12. The features of the game was a home run by Martin and one by Mellor, the mound work by Martin and Ratliff and the fast field work of each team.
