After a man has lost 11 jobs, he wants to get into a rut.

### Conquers Bad Breath and is Popular Again

"The day I started taking Carter's Little Liver Pills," says Mr. John A. Perry of New York City, "my habitual bad breath and bad stomach stopped. I strongly recommend them to all those afflicted with these nasty troubles. I assure you that my own case was a bad one, causing me untold embarrassment, and Carter's helped me right from the start."

Bad breath comes from sour stomach and can usually be relieved quickly by Carter's Little Liver Pills.

They are wonderful for constipation, sick-headache and indigestion and they physic the system in a mild and gentle manner, no bad after effects.

Recommended and for sale by all drug stores.

## PRESBYTERIANS WILL HOLD MEET

Annual Session of Nebraska Synod Is to Open October 6

Columbus, Neb., (Special)—Several men of national prominence in religious work will take part in the program of the 52nd annual session of the Presbyterian synod of Nebraska which will be held in the Federated church here October 6 to 8, inclusive. Among them will be Dr. Warren H. Wilson, of New York City, who will come as a representative of the national board of missions. Dr. Wilson is recognized throughout the country as an authority on rural church work. He will speak Wednesday morning, October 7. Another of national prominence will be Dr. Cleveland B. McAfee, of the McCormick seminary, Chicago. He is to give the principal address Wednesday afternoon.

The synod will open Tuesday evening, with an opening sermon by Dr. Guy Morrell, representing the national council of the general assembly. Business sessions will be held morning and afternoon of Wednesday and Thursday, with a service to which the public is especially invited, scheduled for Wednesday evening. At that time an address in the interests of Christian education will be given by Rev. Frederick E. Stockwell, general director of the department of colleges.

More than 200 ministers and laymen are expected to attend the synod and will be guests in the homes of the members of the Federated church while here. The Federated church here is a union of the local Presbyterian and Congregational churches which effected a highly successful federation six years ago. Rev. Walter H. Riley is the pastor.

### CHICKEN AND DUCK HUNTING IS GOOD

Newcastle, Neb., (Special)—Reports that the duck and prairie chicken hunting is extra good this year have encouraged many expert and amateur hunters to try their luck and consequently a number of parties have been formed. Some parties from this locality already have returned and report that the ducks and prairie chickens are more numerous this year than they have been other years. The first day or two of the open season so many hunters appeared at their resorts that the game made a quick departure to other and more secluded places, but after a short time they began to return and do not appear to be so much frightened as at first.

### JURY CONVICTS RENTER

Fremont, Neb., (Special)—Roy Renter, of Dodge was found guilty in Colfax county court of an unlawful attack on Rosie Simerl, 14 years old, and was acquitted on a charge of the possession of liquor. The jury spent an hour and a half in deliberation. Renter was fined \$25 and costs and released upon his own recognizance pending possible appeal to district court.

### FUNERAL FOR FORMER LINCOLN ENGINEER

Madison, Neb., (Special)—Funeral services were held here Thursday for William Steebelberg, former city engineer of Lincoln, who died on his farm northeast of here, where he had lived for many years. The body was taken to Lincoln for burial. He is survived by his widow, a son and a brother.

### GIRL TAKES POISON; RUSHES FOR HELP

Fremont, Neb., (Special)—Rushing into the Wagner oil station Friday night, Mabel Nelson, 24 years old, declared to the attendant, George Muller, that she had taken poison. She begged him to call a doctor. He called police and the girl was taken to a drug store where physicians attended her and said she would live. She would give no reason for her act.

### ARTERIES SEVERED BY A BREAKING JAR

Fremont, Neb., (Special)—The life of Mrs. John Bartunek, of Abie was endangered when, as she was tightening down the top of a fruit jar, the jar broke and the glass penetrated her arm, severing two arteries. Mrs. Bartunek was weak from the loss of blood by the time a physician arrived, but she will recover.

### Alta Youth, Struck By Baseball, Dies

Alta, Ia., (Special)—As a result of injuries sustained when struck by a baseball, Dwight J. Eastman, son of Fred Eastman of this city, died in a Spencer hospital. According to a report, the boy was hurt while playing ball on the school grounds and, although he was rushed to a hospital, nothing could be done to save his life. He was buried at Linn Grove, Ia.

### TEACHERS SIGN UP FOR EDUCATIONAL ASSOCIATION

Yankton, S. D., (Special)—Yankton county rural teachers have signed up 100 per cent. for membership in the South Dakota Educational association, it was announced here by Miss Emma Meistrick, county superintendent of schools, at the close of the three days' institute for county teachers. Blanks are in the hands of city instructors and 100 per cent. membership is expected from them. Miss Meistrick said.

## EQUIP BUSES TO SHOW SPEED

Nebraska Rail Board Issues Order to Operators of Intertown Cars

Lincoln, Neb., (Special)—The state railway commission has issued an order requiring all intertown buses to be equipped with speedometers. Investigations by its inspectors and complaints from persons riding on these cars show that a number of them are not equipped in any way to indicate to passengers how fast they are being operated, and that most of them are run more than 35 miles an hour, the legal limit. The commission says that the safety of the public demands that the order issue without a hearing, but that bus men may have a chance later to have modifications made. If a speedometer goes wrong on a trip the driver may proceed to the next terminal before having it fixed.

### OMAHA BANK APPEALS TO SUPREME COURT

Lincoln, Neb., (Special)—The Live Stock National bank, of Omaha, has lodged an appeal in supreme court from the judgment of a Douglas district court jury that ordered it to return to Faylard H. Park the \$7,500 bonds he deposited with it as security for any moneys that might be due the bank as the result of his trading in sheep on the Omaha market. The bank says that the amount of such bonds is offset by a note of his that it holds and which he executed to Lewis and company, brokerage firm that owed the bank \$26,400, when it ceased business in 1923. Park denied liability on the note, claiming it had been secured from him by the floor manager of the brokerage company by deceit and fraud and under an agreement that it was not to be used other than as security for any losses he might sustain on accounts carried by the brokerage company.

### TWO BANK ROBBERS RENEW PARDON PLEAS

Lincoln, Neb., (Special)—A rehearing before the state board of pardons is being asked by Oscar Yoss and Jul W. Grau, two former farm hands, who turned bank robbers. They walked into a bank at Waterloo five years ago, and after holding up the cashier walked out with \$1,570. A posse caught them within an hour, and the court gave them from three to 15 years each. Grau's folks live at Manning, Ia.

A fifth plea for a pardon has also been filed by William Beetley, who stole an automobile in Gage county, shot at the officers who pursued him, and was badly riddled with bullets. He has a 20-year maximum sentence to serve.

### FIND EVIDENCES OF GROSS MURDER

Omaha, Neb., (Special)—With the finding of the dismembered body of a young woman in three different spots on the bank of the Missouri river, one of the most gruesome murders in the annals of crime here came to light.

Local officers, together with the police of Council Bluffs, Ia., are working on the theory that a degenerate committed the crime and then severed the body with a saw and dumped it into the river to blot out all traces of murder.

The lower part of the torso was found by a group of boys on the Iowa side of the river. Late Sunday two youths found the upper part of the torso on the Nebraska side of the river six miles from Florence, a suburb.

No marks which might assist in the establishing of the woman's identity were found. The body is that of a woman, apparently 22 years old, and weighs between 110 and 120 pounds.

### FOOTBALL PLAYER'S INJURIES FATAL

Lincoln, Neb., (Special)—Clyde Moser, 17 years old, Dorchester high school football player, died at a local hospital, Sunday, from injuries sustained in a game Friday. His skull was fractured.

### UNIVERSAL APPROVAL OF BIG FUND PLAN

Vermilion, S. D., (Special)—The \$500,000 South Dakota Union campaign was given unanimous approval and pledges of support by representatives of nine alumni divisions at the initial organization conference held on the university campus Saturday. Delegates to the meeting, among whom were men from points as far distant as Chicago and St. Paul, expressed themselves as being wholly in accord with the movement and declared it to be the most significant enterprise in which the alumni have ever been engaged.

A student union building, which will serve as a home center for the life and activities of the campus, is an absolute necessity if the university is to do its best work, according to Dean L. E. Akley, who pointed out the need and service of such a structure.

### RAIN RAISES LAKE LEVEL AN EVEN FOOT

Worthington, Minn., (Special)—The near cloudburst which occurred here recently is found to have raised the level of Lake Okobena exactly 12 inches. Approximately five inches of rain fell, and so great was the deluge that for several hours it ran over the wing dam near the intersection of Oxford street and the diagonal. Many cellars were flooded owing to the inability of the storm sewers to carry off the water.

## STATE IS SHORT OF READY CASH

Various Departments of Nebraska Spend Ahead of Appropriations

Lincoln, Neb., (Special)—State Treasurer Robinson is a bit fearful that it may be necessary to register state warrants again for a short time. He says that the state departments are spending money faster than the monthly proportions of the biennial appropriations would justify. Last month he took in \$764,000 and paid out \$1,129,000.

The situation is eased considerably by the fact that a million and a quarter of gasoline tax money has come into the treasury in the last five months, with only a small amount of it paid out so far.

The general fund is overdrawn \$451,000, but warrants on it are being paid out of other cash funds. The situation is complicated by the fact that a half million of warrants, ordered by the legislature to pay deficits in government for the two previous years, were cashed, but no funds to pay them off will be available until the new tax money starts to come in.

### ACHIEVEMENT DAY PROGRAM POSTPONED ONE WEEK

Dakota City, Neb., (Special)—Owing to last Saturday's rain the Achievement day for boys' and girls' clubs, which was to have been held at the Brushy Bend school, was postponed to 10:30 a. m., Saturday, October 10th.

A meeting of interest to livestock feeders will be held at the C. C. Beer-mann farm, one and one-fourth miles north of the Twin churches, beginning at 1:30 p. m., Friday, October 9. Several Dakota county farmers will discuss problems which they have worked out in cattle and hog feeding. E. E. Posson, animal husbandry specialist of the college of agriculture, will discuss the results of the year's cattle, hog and sheep feeding experiments.

### TAXATION PROBLEMS ARE TO BE STUDIED

Walthill, Neb., (Special)—At a meeting of the Thurston County Farm Bureau board of directors, October 2, U. S. Cornwell was made chairman of the Thurston County Taxpayers' committee. Mr. Cornwell stated that he would announce the membership of his committee soon. One of the first matters to be considered by the committee will be a study of any inequalities or alleged inequalities in the assessed values now given to real estate as compared to railroad and other property.

### DIXON COUNTY BANK CASE IN HIGH COURT

Lincoln, Neb., (Special)—The supreme court listened to arguments, Monday, on an unusual case from Dixon county. J. F. Wheeler, John F. Pomeroy, Charles Lovell and M. R. Burgess were stockholders in the Farmers State bank, of Allen. The bank got into a hard row for money, and the four men took their liberty bonds and turned them over to the bank, which cashed them. In return it issued certificates of deposit to the stockholders for the face value of the bonds. Because the bonds were worth but 86 when turned over and sold by the bank, the guaranty fund is resisting payment on the ground that the actual return on the certificates was more than the 5 per cent. permitted to be paid by law and are only general claims against the bank, which failed long after the deal was made.

### STOLEN CAR CASE BOTHED AUTHORITIES

Plainview, Neb., (Special)—A case that has aroused no little interest in Pierce county and in various parts of South Dakota where the defendant lives and where the stolen property was recovered, is that of the state of Nebraska against Joe Story, a young man living at Mission, S. D., who was found with a stolen automobile in his possession, which came to a sudden close when Judge Welch took the case out of the hands of the jury and discharged the defendant on the ground that the state had failed to produce sufficient evidence to sustain the charge. Story was charged with stealing the car from M. Christiansen, near here, and the case has been argued in justice court here and in county and district court at Pierce for about a year, part of which time the accused man has been in the county jail.

The new car was identified by a man in South Dakota, several months after Mr. Christiansen had notified the officials of several counties in Nebraska and South Dakota, when Story tried to trade it for a truck. The engine number had been partly obliterated in an attempt to disguise the car, which aroused suspicion and led to the recovery of the car.

Story's only witnesses were himself his wife and his father-in-law, who claimed that Story bought the car from a stranger traveling through the country.

### HARTINGTON GIRL IS TO BE WED IN CHINA

Hartington, Neb., (Special)—Miss Helen Hieb, daughter of Rev. and Mrs. Louis Hieb, is engaged to George Ratcliff of Foochow, China according to word received here by her parents. The wedding will probably take place before the end of the year. She has been secretary for the American mission at Foochow for the past year and it was there she met Ratcliff, a young Englishman representing a British firm there.

## SEEKS RETURN ALLEGED SLAYER

Governor Issues Requisition for Ogallala Man from Wyoming

Lincoln, Neb., (Special)—Governor McMullen has issued a requisition upon the governor of Wyoming for Harry Lindsay, of Ogallala, who is wanted on a charge of murdering his wife, September 27. The woman's body had been hidden for a week on the river banks near the town of Brule, and had been covered with willows. It had been stripped of all clothing save a suit of underwear, and acid had been used to disfigure the face.

Investigation led to identification, and when Lindsay was looked for it was found that he had sold his car, September 27 at Ogallala, and gone to Wyoming. He was run down at Casper, and is under arrest.

## NAME HOSPITAL FOR COMMONER

Methodist Institution at Lincoln to Be Memorial to Bryan

Lincoln, Neb., (Special)—The name of the Lincoln Methodist hospital here was changed to Bryan Memorial hospital by the board of trustees here. They passed resolutions that the institution stand as a tribute to the life and character of the commoner. When the plans for changing the name were submitted to Mrs. W. J. Bryan, she expressed the desire that it be the Bryan Memorial.

The site and one of the main buildings of the institution were Fairview, the Bryan home, before the commoner presented it to the district church a year ago.

### AGED MISSIONARY'S ESTATE TO MISSIONS

Lincoln, Neb., (Special)—After 30 years of missionary work in the orient, Miss Louisa Imhof, 70 years old, has willed her entire savings to the cause of foreign missions, it became known here today when her will was filed in the county court. The estate is valued at \$2,000. Miss Imhof died at Blair, Neb., September 11.

### COMPENSATION CASE IN SUPREME COURT

Lincoln, Neb., (Special)—A case that has excited considerable attention was argued and submitted to the supreme court today. Nels C. Jensen, clerk in a hardware store in Minden, was killed by a fall while running to answer a fire alarm. He was a member of the volunteer department. The widow sued his employer and the city under the workmen's compensation law. The court below held the city wasn't liable because it did not pay its volunteer firemen any wages, and compensation is based on wages. It did hold the employer liable and ordered him to pay \$15 a week for seven years. The employer insists that running to fires was no part of the duties of a clerk in a hardware store, and to make him liable the death must have been in the course of his employment. The woman's attorneys asked the supreme court to hold both defendants liable, the employer because as a property owner he benefited from a volunteer fire department.

### FORMER STATE EMPLOYE SENDS CONSCIENCE MONEY

Lincoln, Neb., (Special)—The former state employe whose conscience pricked him into sending \$100 to the state treasurer last May has suffered from another twinge, and as a result the treasury is \$19 richer. The letter was mailed from Philadelphia, and in it the writer said that this squared him with the state. The letter was signed I. M. Honest. In his previous letter he said that he had been an appointive officer, and had frequently filched postage stamps and had stuffed his expense account so that it covered cigars and other expenditures purely personal in character.

### HE MUST NOW FACE MANN ACT CHARGE

Lincoln, Neb., (Special)—A complaint charging violation of the Mann act has been filed here against Chris Neff by a federal agent, and a preliminary hearing will be held before U. S. Commissioner Broome. The woman in the case is Aulga Plaster, who admitted Neff brought her here from Wyoming, and lived with her in a local house, as her husband for two weeks. The pair might never have been apprehended on this charge, only that they were returned here from Wyoming, charged with taking some household goods from the home which they had rented. They were ordered to make restitution for the goods.

### PAVING ASSESSMENTS ARE QUICKLY PAID

Winside, Neb., (Special)—Winside property owners in the district recently paved, a large majority of them at least, do not believe in paying high interest rate. This was evidenced when \$21,549.31 of the \$25,063.55 which the paving cost was paid into the city treasury, in advance of the date in which the assessments would begin to draw interest. It is believed this is a record for the state.

## Look Younger

WAKE up your sleeping youth! Look younger! Be younger! Age has little to do with your looks or your feelings. It's the condition of your blood that counts! And blood will tell! It tells in a hundred ways. If your system is starving for rich, red blood, you may look and feel old at thirty. But if you build up the red-blood-cells with S. S. S., you'll quickly see the wrinkles fade away—the sagging pouches give way to firm, solid flesh—and the fresh, glowing beauty of youth take the place of a skin sallow and disfigured with blemishes.

Rich, red blood means youth, vim and energy! S. S. S. helps Nature build red-blood-cells by the millions. For generations S. S. S. has been keeping people looking and feeling young.

Fresh, cleansing, purifying, rich, red blood that S. S. S. helps Nature build, nourishes every muscle, organ and tissue of the body. Pimples, blotches and blackheads disappear. Boils, eczema and rashes dry up. Your face—your body—your whole being takes on the look and power of youth.

Wake up your system with S. S. S. Build red blood and you rebuild youth! Get S. S. S. from any druggist. The larger bottle is more economical.

## For Pimply Skin Peterson's Ointment

"All pimples are inflammation of the skin," says Peterson, "and the best and quickest way to get rid of them is to use Peterson's ointment." Used by millions for eczema, skin and scalp itch, ulcers, sore feet and piles. All druggists, 60 cents.

When the fruit fly, which is a native of Australia, becomes prevalent, it is necessary to boil all fruit from infected trees and bury it.

## Mother! Don't "Physic" a Child

To Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, it seemed cruel that so many constipated infants and children had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, colamel and nasty oils.

While he knew that constipation was the cause of nearly all the children's little ills, he did not believe that a sickening "purge" or "physic" every little while was necessary. In Dr. Caldwell's Syrup Pepsin he discovered a laxative which regulates the bowels. A single dose will establish natural, healthy bowel movement for weeks at a time, even if the child was chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose is necessary. Besides, it is absolutely harmless, and so pleasant that even a cross, feverish, bilious, sick child gladly takes it.

Buy a large 60-cent bottle at any store that sells medicine and just see for yourself.
