

MRS. WM. BUTTS WAS VERY SICK

Gives Full Credit to Lydia E. Pinkham's Vegetable Compound for Remarkable Recovery

Wellston, O.—"I took Lydia E. Pinkham's Vegetable Compound to make me strong. I was troubled with my back and sides hurting me till I could not do my work, and whenever I caught cold it made me irregular. Since I have taken the Vegetable Compound my side and back don't bother me and I can do my housework and care for my children now, where before I did not feel like doing anything or going around. After my first child was born about four years ago I saw an advertisement in the paper about the Vegetable Compound. I knew it would help me, but I was afraid to try it because people said it would help you to have children and I knew I was having children fast enough. But I thought if it would help me it would be better to have a whole house full of children and have good health. I became stronger from taking it and my husband says I look like a live woman instead of a dead one. When Spring comes I am going to take your Blood Medicine as I am very thin. I will answer letters from any woman who wishes to ask about your medicine."

Mrs. WILLIAM BUTTS, Wellston, Ohio.

Inability to Translate

I know not how it is that we need an interpreter, but the great majority of men seem to be minors, who have not yet come into possession of their own, or mutes, who cannot report the conversation they have had with Nature. There is no man who does not anticipate a supersensuous utility in the sun and stars, earth and water. These stand and wait to render him a peculiar service. But there is some obstruction or some excess of phlegm in our constitution which does not suffer them to yield the due effect. Too feeble fall the impressions of Nature on us to make us artists. Every touch should thrill.—Emerson.

U. S. Collectors Redeem Soviet Revolt Roubles

Moscow.—Russia's revolutionary roubles are being redeemed by American capital. The currency which poured off the printing presses until one rouble was worth about 1-20,000 of one cent, is now being bought up by an American firm of philatelists and numismatists for retailing to collectors.

Football Begins.

From the New York World. The squads have been at it since September 1. The freshmen have had several days to learn to cheer. This afternoon we hear again from those small colleges—Canisius, Hobart, Muhlenberg, Norwich—which apparently exist to furnish practice games.

An Ingenious Answer.

From the Edinburgh Weekly Scotsman. From a recent examination the inspector asked the children this question:

isting for the variety of inter-sectional games scheduled. For some the eastern "classics" suffice. But others will take interest in the fact that Chicago invades the east to play the Army, while Columbia, the Navy, Syracuse and Dartmouth go west to play Ohio State, Indiana, Michigan and Chicago respectively. Red Grange, the only football player who has averaged seven yards every time he carried the ball, leads his Illinois team onto Franklin field in Philadelphia next month. Inter-sectional games seldom prove anything, though Princeton in 1922 carried off a clear national leadership by beating Chicago as well as Harvard and Yale. But they are welcome evidence that east and west are coming nearer.

Every year sees football attaining a new record of popularity. In the east and middle west 75,000 is no longer an unusual crowd; on the Pacific coast last year 100,000 witnessed the Stanford-California game. Those in charge of so huge a sport have a heavy responsibility in maintaining its standards and keeping it subordinate to more important college interests.

Minister Called Liar Gives Man Black Eye

Atlanta, Ga.—Rev. J. N. Tallant, Macon (Ga.) Baptist minister, believes that a minister has just as much right to defend himself against personal slurs and "nasty names" as any other private citizen. And Reverend Tallant demonstrated, after the Sunday morning service in his church here, that he practices what he preaches, when he doubled up his fist and punched Henry Griffin—who is alleged to have called him a liar—in the eye.

Why That Bad Back?

Is backache keeping you upset? Feel all tired out—so nervous and dispirited you can hardly keep going? Then look to your kidneys! Your kidneys rid the body of poisonous waste. But if they lag, impurities accumulate and poison the whole system. Then one is apt to suffer backache, stabbing pains, headaches, dizziness and other annoying kidney irregularities. If your kidneys are sluggish, help them with a diuretic. Use Doan's Pills. They are praised the world over. Ask your neighbor!
