

BRILLIANTLY Different

Dodge Brothers Victory Six is not only a new car but an entirely new and better kind of a car. For the first time in history, body and chassis are a single, integral unit.

The wide, deep Victory chassis frame, flush with the body lines, eliminates the body sill and the customary body OVERHANG.

Major body parts are reduced from 367 to 87! 175 pounds of useless weight are cast off!

The gravity center is radically lowered—with head-room and road clearance unaffected.

The results can not be expressed—they must be experienced.

No unpleasant skidding or sidesway at the corners. No back-wheel "chatter" when the Lockheed Hydraulic brakes are quickly applied.

A smoothness over cobble roads that you have never imagined possible.

A swift car that is safe—a moderate-priced car that is unsurpassed in smartness and individuality.

BIG SPECIAL
"CHANG"

A picture showing the dangers of the jungles. Eat or be eaten. Attack or be attacked. This is the underlying motif of CHANG, the most interesting picture on Broadway today.

GEORGE WASHINGTON BIRTHDAY

The next meeting of the O'Neill Woman's Club will be held in the club room Wednesday, February 22nd (Birthday of the Father of our country). Every member is requested and urged to attend. Please make an effort to be at this meeting as the presence of every member is needed.
MRS. J. J. HARRINGTON, President.

SCHOOL NOTES.

Second Grade—Miss Edith Sexsmith entertained the second grade girls at a party Monday afternoon in honor of her sister Alice's seventh birthday. At the same time the Camp Fire Girls, of whom Miss Sexsmith is guardian, were entertained.

Our visitors the past week were: Mrs. Bressler, Mrs. Uttley, Mrs. Rouse, Mrs. Bowen, Mrs. Warner and Mrs. Sexsmith.

Third Grade—We were glad to have Mrs. Sauer, Mrs. Templeton, Mrs. Brown, Mrs. Osenbaugh, and Mrs. Gunn visit our room Tuesday afternoon and hope that more of the parents will be able to come visit us.

Fourth Grade—We have had the following visitors the past week: Mrs. Bert Davey, Mrs. Walter Warner, Mrs. Archie Bowen, Mrs. Rouse, Mrs. Cecil Brown, and Mrs. R. M. Sauer. Monday we looked at some very interesting stereoscopic views of lumbering and coal mining. We are continuing to enjoy our health lessons and have learned many good health exercises the past week.

Fifth and Sixth Grades—The fifth and sixth grades wrote essays on Lincoln Monday, February 13. Mrs. Geo. Bressler and Mrs. H. M. Uttley visited the fifth and sixth grades Tuesday

afternoon.
Seventh Grade—We are reading Evangeline for opening exercises. In a diagnostic test covering the fundamentals of Arithmetic recently given the following people received the highest scores: Patrice Robertson, Arleen Page, Geneva Fox, Lucille Zinn, Jerome Ashton, Catherine Hagensick, and Luella Crandall. Miss Anna O'Donnell, Mrs. Davey, Mrs. Ed Burge, Mrs. Sargent, and Mrs. Schimmel were callers in our room recently. We received a letter from Melvin Pilger, who is spending the winter in California. Melvin is having a wonderful time and seeing many interesting things. He likes his school work under California sunshine but says the sight of his own classmates in Nebraska would be very much appreciated.

Eighth Grade—Jerome Cadwell entered the eighth grade last week. Elizabeth Henry led the class in a geography drill Monday. In a dictionary drill Marjory Britnell was first; Marie Williams being second. The class observed Valentines Day by having a Valentine box. Helen Hancock received the most Valentines.

The eighth grade have been spending their evenings carving objects out of soap. They had a soap display at the Parent-Teacher's meeting which was greatly enjoyed.

O. H. S.
The musical treat of the season, the Yankton College Women's Glee Club, is to be here about the middle of March. This year the Glee Club has the best organization it has ever had because of the strong competitor for places. Today, there is probably no more popular form of entertainment than a well-trained glee club. This is evidenced by the large number of solo and glee club contests promoted by many radio companies. To hear a well-trained glee club is a treat that no one can afford to miss.
Remember, the middle of March, and the Yankton College Women's Glee Club.

EDWIN OLSON RETURNS FROM SERVICE SCHOOL

Edward Olson of the Service Department of Mellor Motor Co., local Ford Dealer, has just returned from Omaha, Nebraska, where he completed a course of instruction in the Madel Shop of the Ford Motor Company.

This course of instruction was under direction of a Factory Instructor and included the complete disassembly and assembly of the motor used in the Ford car, together with all other details essential in the intelligent servicing of new Ford cars and trucks.

Mr. Olson states that the new Ford motor is not just a new motor, but that it is an entirely new development in modern engineering, it being unique in design and performance.

The Model "A" Motor develops 40-horse power at only 2200 revolutions per minute, which means you can do 55 to 65 miles an hour in the new Ford and yet do not have to have a high speed motor.

The low R. P. M. or revolution speed also means greater efficiency and longer life, because the lower the speed of your engine, the less wear on its parts.

PLEASANT VALLEY NEWS.

Mrs. Wertz has been on the sick list the past week.

Mr. and Mrs. A. O. Webber's spent Sunday at the Kelly home.

George Pink, wife and son, Don, visited Wednesday at the Frank Snyder home.

Ronald Grass was on the sick list Saturday and Sunday, but is now feeling some better.

Mr. Gleason returned from Iowa where he has been visiting for some time with relatives.

Mrs. Roy Zellar returned home Thursday. She has been visiting a sister near Orchard.

Mrs. Charles Grass spent Thursday and Friday of last week with Mrs. Lucy Grass of O'Neill.

Mrs. Cora Hamilton and son, Claude, spent last Sunday evening at the Charles Grass home.

Mr. and Mrs. Frank Snyder, George Fink, wife and son, Don, spent Sunday at the Walter Snyder home.

Mr. and Mrs. Frank Snyder and Mr. and Mrs. George Fink and son, Don, spent Sunday evening at the Cora Hamilton home.

Mrs. Chris Nelson, who has been visiting at the Ralph Prill home for the past ten days, returned to her home at Creighton the first of the week.

SURROUNDING AND PLEASANTVIEW ITEMS

Walnofer Shelled corn for Wm. Murphy Wednesday.

Miss Lydia Hagel, of Lincoln, spent a few days at Ralph Ries home.

Leo Steskal Sr. spent Sunday with his brother Ed and family, of O'Neill.

Mr. and Mrs. Wm. Myers and daughter were Sunday guests of Mr. and Mrs. Ivan Cone.

Mr. and Mrs. Jos Straaka and son called on Mr. and Mrs. Ralph Ries Sunday afternoon.

Mr. and Mrs. Fred Johring and family were guests of Mr. and Mrs. John Warner Sunday.

Mr. and Mrs. Nels Anderson were Sunday callers at the homes of Mrs. McCaffrey and Mrs. Younburg Sunday afternoon.

Mr. and Mrs. Charley Taasler, Mr. and Mrs. Orville Siebert and son were dinner guests of Mr. and Mrs. John Warner Sunday.

Mr. and Mrs. Elmer Warner and daughters, Charley Richards were Sunday visitors of Mr. and Mrs. Alvin Walnofer and family.

Mr. and Mrs. Nels Anderson entertained neighbors and friends at their home Friday evening. The evening was spent in cards and dancing.

Neighbors gathered at the home of Elmer Warner Monday evening to remind him of his birthday anniversary. Lunch was served; all wishing him many returns.

"AIN'T NATURE WONDERFUL"

(By "Uncle Pete" in St. Louis Post-Dispatch.)

Beaver Flats, Neb.
Ole Margarin, a Swede homesteader, residing south of Beaver Flats, is in the hospital here with a severely mangled hand from which he probably will lose several fingers as the result of being attacked by a school of ringed perch at Waller's lake last Tuesday. Margarin and several companions had gone to the lake, which is frozen over, to do some fishing for perch through the ice. They were each equipped with several short lines, to which were attached hooks baited with pork rinds.

On their arrival, after cutting a large square hole in the ice and erecting a shelter over it to protect themselves from the elements, the fishermen sat down to discuss one of several bottles of homebrew while awaiting the arrival of the fish and in doing so decided that after fishing began each was to limit himself to one drink after each fish he caught. A number of perch in the meantime had been attracted to the hole by the aeration of the water and as food had become scarce in their frozen-over home began biting furiously when fishing commenced.

In maintaining their schedule of one drink to each fish, Margarin and his companions soon became rather befuddled and one of the bottles, standing near the edge of the hole, was accidentally tipped over and drained into the hole. Shortly thereafter the perch began exhibiting signs of exhilaration and to leap clear of the water in their pursuits of the baits.

The tipping over of the bottle having exhausted the supplies, Margarin's companions after a time departed for a nearby ranch house to replenish the stock and he lay down on the ice beside the hole to rest while they were away. Soon after dropping off to sleep, Margarin was aroused by sharp pains in his right hand and awoke to find himself surrounded by a number of large perch that had jumped from the hole and were biting at his ungloved hand. His clothing having become frozen to the ice as he slept, he was unable to defend himself from the attack and as a result the hand was severely chewed and mangled before his companions returned and drove the fish away.

METHODIST NEWS.

There will be a Union meeting between the Protestant churches of O'Neill at the Methodist church on Sunday evening, February 19th. The event will be a patriotic service in honor of the memory of George Washington. The Masonic Fraternity will be on hand and every one is cordially invited. Special music will be rendered by the Methodist choir and Mrs. Ballard will read a musical selection. Rev. Beers and Rev. Ballard will give short addresses.

Nearly three hundred folks attended services at the Methodist church last Sunday. Sunday school attendance was 171 and a good attendance at both Epworth and Intermediate leagues.

On next Wednesday evening at 8 o'clock, the Rev. Luther Kuhns, of Omaha, will speak to the Masonic fraternity and their families and friends at the Methodist church. This Washington Day service will climax over a week of patriotic meetings.

District Supt. E. D. Hull, of Norfolk, will hold our Second Quarterly Conference on Saturday, February 25th, at 7:30 p. m. He will preach for us at the morning service on the following day.

The Woman's Foreign Missionary Society met at the parsonage this week Wednesday. A full report of the meeting will be in next week's paper.

The "Reds" gave a party to the "Blues" in the church, Tuesday evening. We had a fine time.

EDUCATIONAL NOTES.

Parent-Teachers Associations

A Parent-Teacher Association was organized in District No. 88 by the National Field Secretary Minnie Jean

Martin's Store

Pure Milk

As it comes from the cow, is the greatest food in the world. Don't take any chances. Buy milk from tested cows. Q's Quality milk and cream. The best by test. All cows T. B. tested. We guarantee our milk and cream. For sale by Ross Harris. He delivers twice a day.—John L. Quig, Prop. Q's Quality Dairy. 28-4

As a hot cereal, too + + +

Shredded Wheat served in any form creates the "inside" warmth and energy that is the best kind of winter protection. Its proteins, carbohydrates and vitamins take care of that. But serve it hot these cold mornings and see how the family takes to it. Dip the biscuits in hot water, drain, and cover with hot milk and a little cream. Then sprinkle with sugar or salt. Lagging appetites will awaken—fussy eaters will be delighted. Serve Shredded Wheat tomorrow and see how pleasant and simple your breakfast can be.

MADE AT NIAGARA FALLS

Neilson, of Washington, D. C. and County Superintendent Mrs. Luella A. Parker. The name chosen was "The Emporia P. T. A." The Second Friday of every month was chosen as the meeting dates. The first Business Meeting was held on February 10th. The subject for discussion was "Character Building." The following officers were elected:

President—Mrs. Allen Haynes
Vice-President—Ed Shaw
Secretary—Mrs. Bert Finley
Committees appointed were as follows:

Program—Miss Ella Schutte (Teacher), Miss Marie Schutte (Teacher), Mrs. John Holliday and Eben Graft.
Membership—Mrs. Ernest Wiseman
Publicity—Mrs. Geo. Craig, Mrs. Otto Retke, John Holliday.
Social—Ed Shaw, Miss Marie Steinberg, Mrs. Alexander.

The Parent-Teachers Association recently organized in District No. 110, near Page, have forty signed up members and several more in the community have declared their intentions of entering the organization. Much interest is shown in this organization and the meetings are being held very successfully.

The Parent-Teachers Association at Amelia, which was organized last fall, has a large enrollment and have been holding some very successful meetings.

These communities are much interested in the Parent-Teachers Association work and these organizations promise to become a great benefit to our rural schools by promoting cooperation between the parents and teachers in each community.

The week of February 20th to 24th has been set aside as Parent's week in the schools of Holt county. Each member of the community should make it a point to visit their district school on whatever day the Teacher sets for this. Parents, Teachers and Children will derive much benefit from the interest shown in their work. Let us try to make this a general visiting week.

Date of Next Sale Saturday, March 24

SATURDAY MARCH 24th is our next Big Combination Sale. What have you got to sell? List it.

Your Telephone and Automobile Have Both Kept Pace With Progress

Your telephone today no more resembles the one of 1886 than modern automobiles resemble the "horseshoe carriage."

As an example of the constant improvement in your telephone, there have been 56 types of receivers and 77 types of transmitters developed to date. Each in turn has been better than the one before. Today your telephone is the best science knows how to make.

In order to obtain the best service, you should not attach devices of any kind to your telephone. They impair rather than aid its efficiency.
