**YANKTON COLLEGE GLEE CLUB GIVES CONCERT**

The Yankton College Girls Glee Club were heard in concert Saturday evening, March 17, by a small but appreciative audience at the High School Auditorium. The club had a well rounded program with plenty of variety to make it a very enjoyable evening. The program was mostly classical but the numbers were well chosen and were all of the order that can be appreciated by anyone. The girls were well acquainted with such masters as Chamade, Gounod, Dancia, and Strauss, and their rendition of these masters reflect much credit to Miss Florence Babcock, their director. The Acapello numbers showed very careful preparation and excellent training. Though the crowd was small they received each number with hearty applause and the Club members responded with numerous encores.

On Sunday the Glee Club gave two concerts, one in morning at the Methodist church and in the evening at the Presbyterian church. Both programs were well attended, and the S. R. O. sign hung out early.

**THE RACE MEET WILL BE A BIG AFFAIR**

The three day race meet to be held in O'Neill July 3, 4, 5, will be the big event of the year along amusement lines. Peter W. Duffy, who is using his best efforts to see that the event is a success, tells The Frontier that he has already received a number of letters from horsemen stating that they will be here at that time with their gallopers. The American Legion have arranged to conduct a big dance each evening during the celebration. Baseball games will be played each day between a crack Sioux City team and some other team with as good a rating.

Horses are scheduled for O'Neill from Iowa, Minnesota, South Dakota and from all parts of Nebraska. These horses will stop in O'Neill enroute from Omaha to Van Couver, B. C. A short time intervenes between the Omaha and Van Couver races.

**LAUNDRY DELIVERY WAGON RUNS DOWN SMALL BOY**

Leo Frank the little six year old son of Mr. and Mrs. Frank Valla of this city was knocked down and run over by the laundry delivery truck near the S. L. Berry office on west Douglas street last Monday. It seems that several little boys were playing in the street and that Leo dodged in

front of the car. Mr. Arnold who was driving the truck was driving slowly and did not know that he had run over the lad at the time.

The boy was taken to the office of Dr. Gilligan at once where it was learned that no bones were broken and that the boy was not injured beyond a few scratches.

The Atkinson Public School Primary Room has a Juvenile Band. This is one of the newer innovations in the school room and is very successful in teaching music appreciation.

The Inman school has a radio and the High School pupils are very fortunate that they may hear some of the finest music and talks during their convocation hour.

Superintendent Maricle of the Page school reports that he has resigned his position. Mr. Maricle has been very successful in school work here and will be missed. While Page has no Normal Training High School, this town sends a large representation to Wayne each year to finish their Teacher's Training Course.

The Ewing High School has an unusually large class of Normal Training graduates this year. It consists of 25 members.

The P. T. A. in the Rural Districts are making splendid progress. The Amelia P. T. A. reports that they had an attendance of over 80 at their last meeting. District No. 110 and Emporia, also, report excellent attendance.
