Enjoy the Spring Roads Comfortably!

SPRING, the motoring season, is here. Everyone wants to be out taking advantage of the weather. Week-end trips, after-dinner drives, long rides on Sundays—everything is just great—except the roads.

Many roads are still bad—wet, muddy and cut up by the frost.

To enjoy the pleasant weather, there is one absolute necessity—good, dependable tires.

That's why we suggest that you look over your tires now and replace the doubtful ones with United States Tires. They will carry you smoothly and safely over the worst of roads. They will allow you to enjoy every minute of the spring season.

Come in and let us show you how we can help you with Royal and USCO Cords.
