TORNADO PASSES THROUGH HOLT COUNTY, MONDAY

A tornado that entered Holt county southwest of Chambers late Monday evening did considerable damage to trees, barns and other outbuildings as it crossed the county in a north-easterly direction. The funnel shaped cloud seemed to dip down at intervals and destroyed trees and scatter out buildings and other property and then leave the ground for several miles before incurring more damage.

Mr. Wilkinson says that the storm struck at his place at 11:30 Monday night; a large boxelder tree that stood in the pasture was uprooted and carried out into the corn field some distance away.

MONOHAN POST BAND AND ORCHESTRA COMING

The thirty-seven piece Monohan Post band and their ten piece orchestra will entertain the people of this part of the state during the three days' running race meet in O'Neill, July 3rd, 4th and 5th.

The Monahan Post band is the best American Legion band in the world. They won the first prize at the national convention in Paris last year against strong competition; they have won the same honors in the national conventions of 1922, 1924, 1925, 1926; they contracted to record a number of pieces for the Victor Talking Machine Company October 14, 1926. People from all parts of the county have been attracted to Sioux City to hear this wonderful band when they make their appearance. Everyone should arrange to hear this organization of high class musicians; it is very unusual that a town of this size are in a position to contract for a band of this magnitude. The orchestra is composed of ten musicians from the personnel of the band; they will furnish the music for the American legion dance each evening.

The races are going to be the best ever.

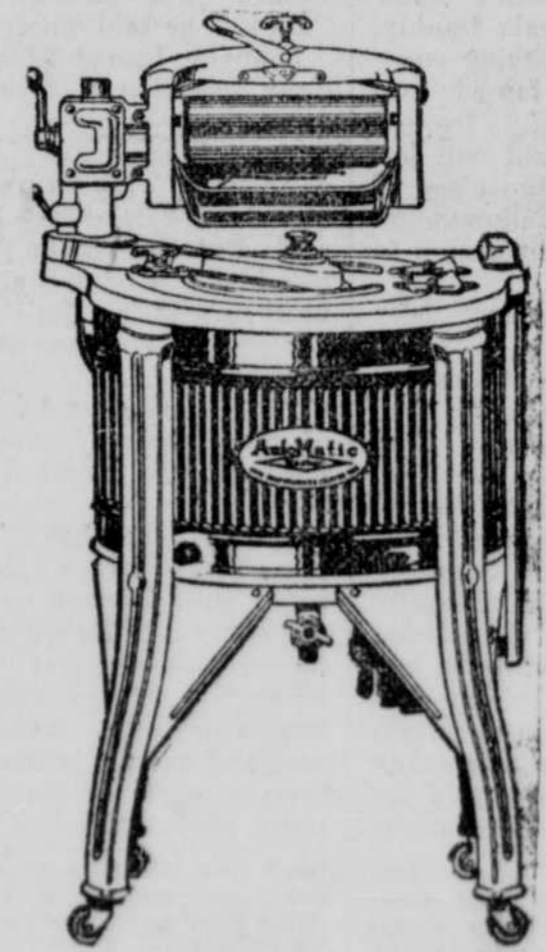

The streets down town will be filled with concessions of all kinds; the McClellan shows, of Kansas City, consisting of four rides, eight shows, 30 other concessions, and carrying 250 people, are only a part of what will be on the mid-way.
