

Whole wheat in wholesome form

The whole wheat—all of it, and nothing else, is in **Shredded Wheat**. None of the healthful qualities, not even the bran is lost. And better still, the grain is steam-cooked, shredded, formed into large loaves and baked all the way through. This is not just to bring out the flavor. It insures easy digestion and enables grand-children as well as grand-fathers to secure the full benefit of nature's most important food.

over the arrival of a 9 pound baby girl who came to bless their home on Wednesday, June 6th. The little lady was named "Gloria June."

A heavy wind storm struck Chambers Monday evening which caused considerable damage to trees and small buildings. A tree at the home of Mr. and Mrs. Albert Pashke was struck by lightning.

Robert Kiltz, the son of Mr. and Mrs. Clarence Kiltz, was taken to Stuart, Sunday and placed in the Wilson Hospital where he was operated on Monday for appendicitis and the removal of his tonsils.

The annual school meeting was held at Chambers Monday evening, June 11th, at the school house. A large crowd was present. Dr. J. W. Gill was elected director for a term of three years to succeed himself.

Robert Clouse, son of Mr. and Mrs. Marvin Clouse, stepped on a nail last Tuesday which caused a badly infected foot. His condition became alarming Saturday. A dose of tetanus antitoxin was ordered by telephone, from Norfolk. Through the kindness of Postmaster Grady, of O'Neill, the medicine was delivered to a messenger from Chambers Sunday at 5:30 a. m. At the present time the patient seems to be getting along nicely.

Deep Rock Gasoline

Economy of operation—that's the big point to consider in running any car. And good fuel—gas of reliable test and quality—is the first and most important item when you want to cut repair bills.

Deep Rock gas, sold at O'Neill Gas & Oil Co. filling station will eliminate much of that "carbon" trouble and help you maintain a low operating cost.
