## LOCAL NEWS.

Mr. and Mrs. M. S. Abdalla were in Omaha Monday.

Mr. and Mrs. George M. Henry, of Hanover, Montana, are visiting relatives in O'Neill.

Geo. Robertson is driving a new Pontiac which he purchased this week of Warner & Smith.

A. Marcellus, the Buick dealer, was in Omaha the first of the week and drove home a new coach.

Mr. and Mrs. James Timlin accompanied a number of little girls to Page to see the circus Saturday evening.

A number of O'Neill and Holt county people attended the Ringling, Barnum & Bailey circus in Norfolk Tuesday.

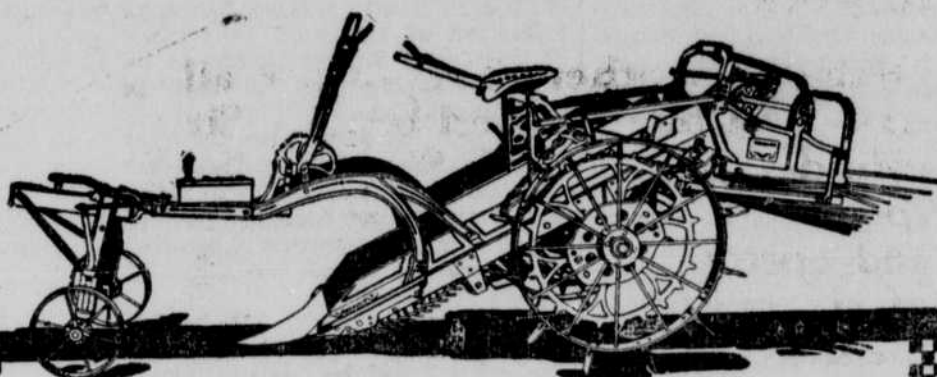

Mrs. Edward O'Donnell and daughter, Patricia Ann, returned Monday from a few days visit with her parents at Norfolk.

Mr. and Mrs. Harry Sisco, of Burchard, Nebraska, spent the week-end with Mrs. Sisco's parents, Mr. and Mrs. E. B. Carter.

Miss Exlaura and Miss Dorothy McDonough entertained several girl friends last Saturday afternoon, honoring Mary Joan Finley.

Mr. and Mrs. C. E. Martin in company with their son, Elyin, and family expected to leave for Texas, Sunday, for a few weeks vacation.

Mrs. Parl Harding is back at work again in the Stout drug store. She was confined to her hom for a few days following the removal of her tonsils.

## More Money for Your Potato Crop

Regardless of the market price for potatoes, it pays to harvest your crop with a

### Hoover Potato Digger

The Hoover digger soon makes extra profit for you by digging up potatoes that otherwise would be left in the ground and by doing the work so quickly, easily and economically.

The Hoover digs up the potatoes and piles them in neat rows where they can be handled with minimum labor.

The shovel is of best quality high-carbon crucible steel and shaped so as to gather the potatoes with the least possible loss. No danger of cutting the potatoes to the extent that a plow or hoe does. Stone guards can be used in stony ground.

The vine-separating rear rack sifts out all dirt and deposits the potatoes in a compact row on clean ground directly at the rear

of the machine, while the vines and trash are deposited at one side.

Roller bearings and wide tires on the wheels assure light draft.

Double-Action or Single-Roller Front Truck permits the digger to be turned in a very short space.

Solid steel frame, strong main sides of Bessemer steel, beams of best quality charcoal malleable castings, and steel chains and hardened steel sprockets that greatly resist wear.

Don't fail to see the Hoover Potato Digger before you harvest your potato crop; its use means greater profits. Also ask us about Hoover Engine Drive Potato Diggers—two-horse machines under all conditions, and any other potato tools you require.

**Warner & Sons**

Get Quality This Store and Service Gives Both

Mr. and Mrs. W. H. Allinger have moved to the new Gatz residence on east Douglas street.

Mrs. J. F. Dishner returned home last Thursday from an auto trip to Denver with Mr. and Mrs. Ivan Kinsman, of Columbus, Nebraska.

Summer Downey is raising his building and will use the basement for work rooms in order to keep up with the fast increasing photo business.

Mr. and Mrs. B. S. Bayle, of Chicago, came Monday evening for a ten days' visit at the home of the latter's parents, Mr. and Mrs. J. S. Ennis.

### SHERIFF DUFFY'S SEDAN COLLIDED WITH A FORD

The Oldsmobile sedan driven by Peter W. Duffy collided with a Ford driven by J. E. Dean, of Brunswick, about five o'clock Sunday evening on the county road five miles south of Orchard, Nebraska. Mr. Duffy was alone in his car while the other car was occupied by Mr. and Mrs. Dean and their children. No one was injured beyond a few bruises and scratches.

Both cars were considerably damaged. A committee of three were chosen from the bystanders who gathered soon after the accident, who decided that a fair way to settle the responsibility for the damages was for each to stand his own expense of repairs, which Mr. Dean and Mr. Duffy agreed to do.

### O'NEILL TRAP SHOOTERS BRING HOME THE BACON

R. E. Calvert, Bert Gunn, Ray Scofield and Alva Stevens went to Norfolk last Sunday and took part in the trap shooters convention at the Yellowbanks park. Calvert won three first prizes and one second prize in six events in which he was entered; Gunn carried away three firsts and two seconds; Scofield took two firsts and one second and Stevens got a first. This was an excellent showing for the O'Neill team and won them much consideration.

The prizes were all donated by the businessmen of Norfolk.

Those from O'Neill were loud in their appreciation for the treatment given them by the Norfolk sportsmen and those interested in the entertainment.

### LIGHTNING KILLS TEAM OWNER NARROWLY ESCAPES

(Stuart Advocate)  
John Hamik, living six miles east of Stuart had a narrow escape from death about eight o'clock Wednesday morning when his barn was struck by lightning, which killed a valuable team of work horses which he had just harnessed in preparation for the day's work.

The stroke came just as Mr. Hamik stepped from the barn door and had walked perhaps fifteen feet away from the building. He and his little ten-year-old son Leo, and his nephew Joe Schneider, who were with him were all badly stunned by the shock, but were not rendered unconscious.

The rafters and other parts of the barn were badly shattered and splintered by the lightning, but fortunately did not take fire. After striking the barn, the lightning followed a wire fence to a steel water tank where it spent its force, after melting galvanizing from a small part of the tank.

It was a miraculous escape for Mr. Hamik and the boys but he is now looking for another good team to complete his haying operations.

### MRS. JOHN SULLIVAN.

A pall of gloom spread over this vicinity Wednesday evening when it became known that Mrs. Sullivan, wife of Supervisor John Sullivan, residing a short distance southeast of this city was found dead in her kitchen about seven o'clock that evening.

She had evidently been ironing when death came upon her; the iron lay upon the floor and the handle was some distance away which would indicate that she had been using the iron which was almost cold when found. The iron had burned a hole in the linoleum where it lay upon the floor.

The first to learn of her death was her son, Tom, who returned home from the day's work on the state truck, which was about seven o'clock in the evening; he at once called Dr. Gilligan, who found that she had been dead for some time.

Rose Ann Smith was born in New Haven, Conn., November 24, 1873. She came to Holt county with her parents, in May, 1879, who located for a short time in O'Neill, later residing four miles southeast of Atkinson. She taught school in the vicinity of O'Neill and Atkinson for several years.

She was united in marriage to John Sullivan on May 31, 1899, at Atkinson, Nebraska; they came at once to the farm home of Mr. Sullivan two miles east and one mile south of O'Neill where they have since resided. Five children were born to this union; they are: Mrs. Loretta Hynes, of Maple Grove; Dan J., Thomas J., Harry F., Margaret M., John, Jr., and Francis M.

Besides her immediate family the deceased leaves three sisters, Mrs. Nicholas O'Connell, Atkinson; Mrs. Thomas Grady, Norfolk; Mrs. Anna Campbell, Thermopolis, Wyoming, all of whom are expected to be present at the funeral services.

Mrs. Sullivan was a woman that will be missed by her family and by all the large circle of friends and neighbors; she was a hard working woman and took a great pride in rearing her children to become men and women that would be a credit to her, and in this she did not fail.

Funeral services will be held from St. Patrick's church Friday morning at nine o'clock. Burial will be made in Calvary cemetery.

## EDUCATIONAL NOTES.

I understand that there are two salesmen canvassing the county who are carrying what purports to be a recommendation of their goods written and signed by me. While I have endorsed some publications, I have never given a written recommendation to any agent whatever and furthermore do not intend to do so. Any one calling on you and presenting a written recommendation from me has obtained such recommendation falsely and is not worthy of any consideration.

(Continued on page 8.)

### FRITTON-MURPHY.

Alloysius L. Fritton, of Atkinson, and Miss Catherine E. Murphy, of Emmet, were united in holy wedlock last Saturday by Rev. Ft. Byrne, of Emmet, Nebraska.

### W. C. T. U. NOTES.

The regular meeting of the W. C. T. U. will be held at the home of Mrs. Blanch Mitchell, Tuesday afternoon, September 4th. Everybody welcome. Publicity Director.

### "TED" NORTH PLAYERS HERE UNDER CANVAS FIVE NIGHTS

Commencing next Friday, August 31st, the ever popular "Ted" North Players will appear in O'Neill under canvas five nights offering a new repertoire of comedy and dramatic successes at popular prices.

The North Players have been favorites here several years and will no doubt be greeted by a full tent for their initial performance Friday night. The big tent will be erected on the vacant lot on West Main St. Since appearing here last fall the North Company have played an extended engagement at the Crawford Theatre at Wichita, Kansas, where they were able to secure the playing rights for some of the latest and best stock releases. One of the outstanding successes of the Wichita engagement was the presentation of the new domestic comedy "What Ann Brought Home" and for that reason it has been selected for the opening play during the road tour and will be seen here Friday night.

"Ted" North and Marie Peters will be seen in the leading roles as usual

HERODOTUS said "Anything may happen in the course of time." The poor man who takes time to accumulate money in bank here may become a rich man.

## The O'Neill National Bank

Capital, Surplus and Undivided Profits, \$125,000.00

This bank carries no indebtedness of officers or stockholders.

and they will be supported by an excellent cast of players including Arthur Kelly and Barney Wolfe.

An added feature this season with the North company is the Kansas City Ladies orchestra under the direction of Miss Pearl Roemer of Horner's Institute at Kansas City which will furnish the music before and during

all performances.

The prices will be twenty-five and fifty cents and there will be no extra charge for reserved seats. On Friday night only one lady will be admitted free with each paid adult ticket. The doors will open at seven thirty and performance will start at eight fifteen.

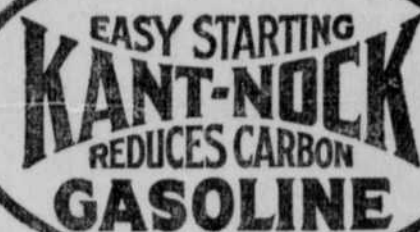

"A CLEAN Motor CANT Knock"

"But tell me, Joe, how are you going to keep it clean?"

"KANT-NOCK gasoline. There's no soot or carbon in this pure petroleum gas—nothing to carbonize."

"POSITIVE POWER"

Kant-Nock Gasoline is the outstanding Deep-Rock achievement, supreme in its knockless quality and approximating aviation gasoline specifications. It is non-poisonous, a 100 per cent pure petroleum motor fuel. Kant-Nock vaporizes progressively, smoothly and completely under all driving conditions. It insures positive power performance—easy starting, ready acceleration, better hill climbing, more mileage. A superior high test fuel for high compression engines.

Its use insures motoring in comfort
