### ITEMS OF INTEREST FROM NORFOLK NEWS

Ewing, Neb., Feb. 18. Miss Phoebe Honeywell has been notified that she is the winner of a nation-wide contest conducted by the Federal school of Commercial Designing at Minneapolis. She has been awarded a scholarship of \$50, having received the highest grade in a two-year course and is taken by correspondence. Miss Honeywell intends to start immediately.

Spencer, Neb., Feb. 18. Superintendent Pease of the Atkinson schools met with what might have been a serious accident while driving to Butte to referee the basketball games between Butte and Spencer teams Friday night. A stray horse on the highway became frightened and turned into the car. The horse's head went through the side window and struck Mr. Pease, knocking him unconscious for a time. Luckily he had a driver with him, and was able to continue the trip to Butte.

### THE AMERICAN LEGION PLAN NEW BUILDING

The members of the American Legion held a meeting the first of the week and plans were made to obtain plans and specifications for the proposed new auditorium and club rooms. According to the present plans an effort will be made to locate the building on the county lots east of the Methodist church. The proposed building will be 60x100 feet with a basement if the present plans are fulfilled.

The building as planned by the legion would be a great addition to the city and would be worth its cost in many ways.

### A "POULTRY DAY" IN O'NEILL, MARCH NINTH

Arrangements are being completed for a big "Poultry Day" to be held in O'Neill on Saturday, March 9th, to which all the farmers and those interested in the raising of poultry are cordially invited.

R. D. Reddick, poultryman of the Extension Department of the state university, at Lincoln, will speak during the afternoon and evening. It is being planned to have other speakers on the program, at least one of whom will be a practical local poultry raiser. The program is being compiled and perhaps will be ready for publication for next week's issue.

The poultry industry has advanced by leaps and bounds during the past two of three years and has become one of the chief industries of the county; however, there is still plenty of room for improvement in most of the flocks.

Much information can be obtained from such speakers as Mr. Reddick and others who will talk, that will be of priceless value to poultry raisers, and especially to those who are just entering the business from a practical standpoint.

Arrange to be in O'Neill March 9th.

### GERTRUDE LENORE ENRIGHT.

The community was shocked Wednesday morning by the announcement of the death of Miss Gertrude Lenore Enright, daughter of Mr. and Mrs. Thomas Enright, of this city. Only a few people in O'Neill had knowledge of her illness which began Sunday when she complained of not feeling well. Dr. Gilligan was called Monday; she continued to grow worse rapidly and Tuesday she maintained a fever of 108; a nurse was procured from Norfolk; Tuesday, symptoms developed

that caused the physician to pronounce the illness hemorrhagic Scarlet fever. Nothing could be done to stay the hand of death and the young lady passed away at 4:00 a. m. Wednesday morning. As soon as it was known that Gertrude was suffering with scarlet fever, serum was sent for but had not arrived when the end came.

Gertrude was born in O'Neill on March 5, 1912, and has made her home in this city all of her life. She was sixteen years, eleven months and fifteen days of age at her death.

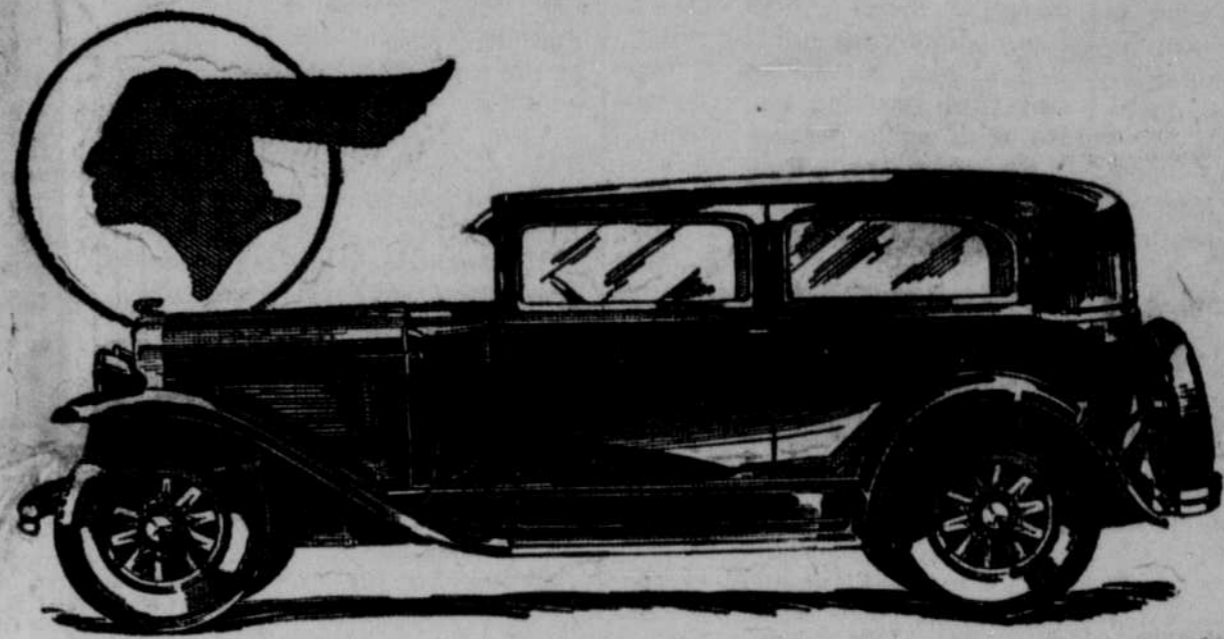

She was a member of the Junior class of St. Mary's Academy and was also a member of the normal training class. She had been absent from her studies at the Academy on account of the flu, for several days prior to her illness.

Gertrude was a young lady who enjoyed a wide circle of friends among the young people as well as the older ones and her death will be keenly felt by the neighbors with whom she came in daily contact.

The funeral services were conducted by Monsignor M. F. Cassidy this (Thursday) morning from the family home, burial was in Calvary cemetery. Because of the fact that death was caused by a contagious disease the funeral was of a private nature only the immediate family and close friends attending.

The deceased leaves to mourn her sudden death her father, mother, and two sisters, Miss Loretta, who is teaching school at Petersburg, and Miss Eileen, who is a student nurse in St. Catherine's hospital in Omaha.

The Frontier joins with the many friends of the family in expressions of sympathy.

## announcing The New PONTIAC BIG SIX

### Introducing Big Car Standards of Luxury, Style and Performance at \$745

**T**ODAY a new type of low cost motoring luxury is available. It embraces big car style. It provides big car riding comfort. It embodies big car quality in unseen parts. It is offered by a brand new automobile—the New Pontiac Big Six.

Frankly, the New Pontiac Big Six was designed to appeal to a certain group. This group is made up of people who are beginning to move up in the world. Many of them will soon make the first step up in the quality of their cars. The New Pontiac Big Six was designed for them.

It comes to them entirely new in appearance. Stunning new bodies by

Fisher contribute to the big car beauty and big car style presented by the car as a whole.

Progressive people are seeking greater luxury. The Pontiac Big Six offers them the luxury for which bodies by Fisher are famous the world over. It provides the smooth-riding qualities of a car 167 inches in overall length, with accurately balanced rotating mechanical parts and such advanced comfort features as adjustable drivers' seats.

It is a six with the added power of a larger L-head engine and the added smoothness imparted by a dynamically balanced, counter-weighted

crankshaft and the famous Harmonic Balancer. Its new brakes are of the dirt-and-weather-proof internal four-wheel type.

It reveals big car performance even to the point of developing big car power and big car speed.

Only a few highlights in its construction have been mentioned. Just enough to prove that the Pontiac Big Six is entirely new and capable of meeting progressive Americans' demand. But the amazing thing about it is that it gives so much big car luxury, style and performance at prices which come within practically everyone's reach!

Prices \$745 and up, f.o.b. factory, plus delivery charges. Bumpers and rear fender guards regular equipment at slight extra cost. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.
