THE CLYDE KING FAMILY ENJOY ROASTING EARS FROM THEIR GARDEN

To have roasting ears from one's garden on July 15th is a rather unusual occurrence but that is what happened this year at the Clyde King home. On July 15th Clyde picked a half bushel of sweet corn that was fully developed and in just the proper condition to prepare for the table. Mr. King claims to have the earliest roasting ears in this section of the state.

THE FIRST "COMBINE" USED IN HOLT COUNTY WAS STARTED FRIDAY

The first Harvester-Thresher or "Combine" to be used in this part of the state was started at the Robert Donohoe farm six miles north of O'Neill, last Friday. John Schmidt the owner of the new machine did the operating. The first grain harvested was a field of barley. The grain was cut with a windrower; after the barley had been left in the windrow for a few days the harvester-thresher, with a "pick-up" attachment, was used to harvest it. The same procedure was used in handling a field of oats. Those who saw the new machine operate say that the harvester-threshers are going to be a great benefit to this community. The grain from the combine seems to be much drier than grain threshed from the shock. Grain from the combine has been grading very high.

CHEVROLET EXHIBITION AT CIRCUS GROUNDS

The new line of six cylinder Chevrolet cars and trucks, which proved the sensation of the winter automobile shows, are to be on view today inside one of the tents at Robbins Brothers Circus. The Chevrolet exhibition is a miniature automobile show, and is free to the public. It was made possible through the cooperation of the circus management and Messrs. Arbuthnot and Reka, local Chevrolet dealers.

The entire line of passenger cars and trucks will be on display and Arbuthnot & Reka say today that every precaution has been taken to make thorough inspection possible. Any visitor who so desires will have the opportunity to get inside the cars and experience their roominess and see their fashionable upholstery and fittings.

This is the second successive year that Robbins Brothers have included among their attractions a Free Automobile Exhibit.

Arbuthnot & Reka declared today that the interest in the Auto Show has been amazing, despite the fact that hundreds of thousands of the new six cylinder Chevrolets have been on the road for months.

"In all my experience as an automobile dealer I have never witnessed such continued enthusiasm over a new line of cars," Mr. Arbuthnot said. "There are no more keen judges of what the public wants than circus people. And the Robbins Brothers management have informed me that everywhere they travel the Auto Show is one of their best attractions."

"The crowds who visit our exhibition today at the circus grounds can feel assured that they will be afforded courteous treatment and have any or all of their questions answered regarding the new Chevrolet Six."

LOCAL NEWS.

Mr. and Mrs. Alfred Sanders and children left Tuesday for the harvest fields of South Dakota.

Mrs. Emma Novak, Miss Marie Bruegman, Miss Della Harnish and Miss Ruth Barnard went to Omaha Saturday morning on the C. & N. W. excursion. Miss Barnard will resume her studies with the Burrough's Adding Machine Company, while the other ladies visited Miss Luella Lewis formerly a stenographer for the Interstate Power Company of city, but who is now employed in Omaha. They returned home Sunday night.

The residents of Butte, Nebraska, have arranged for an afternoon of professional auto races next Sunday which will furnish plenty of real excitement. Professional drivers have signed an agreement to run at these races and everyone is assured of seeing the real stuff. All cars will run against time, then two preliminaries one of six laps and one of ten laps, and a grand final race of fifteen laps for the long money. Races will start at 2:00 o'clock.

The harvesting of small grain is well under way in this community. Only a small amount of grain has been threshed excepting where the combine is being used which was recently purchased by John Schmidt. Mr. Schmidt's oats are making 40 bushel per acre and are of a fine quality, weighing thirty-eight lbs. to the bushel. The barley on the Peter Donohoe farm, which was harvested by Mr. Schmidt with the combine made more than forty bushels per acre. Mr. Schmidt is harvesting oats with the combine for Pat Coyne today. It is estimated that Charles Jenkins will have 14,000 bushels of oats on his farm four miles north of O'Neill.

Rolland Frost and son Bobby, of Kansas City, who had been visiting in Sioux City, drove up last Friday and spent until Monday with Dr. Frost. Mrs. Frost and son Billie remained in Sioux City visiting her parents.

Mr. and Mrs. Kenneth Templeton stopped in O'Neill, Saturday afternoon, enroute to their home in Hastings, Nebraska, from the Black Hills and visited until Tuesday with the former's parents, Mr. and Mrs. W. C. Templeton.

The Ted North Shows closed a week's engagement here last Saturday evening. They drew large audiences each evening and presented a repertoire of clean plays throughout the entire week. The vaudeville was above the average this year.

Levi Mitchell, accompanied by a nephew and wife, Mr. and Mrs. West drove from Pataluma, California, arriving here last Friday. Mr. Mitchell will be remembered by the older residents as he resided a mile east of O'Neill prior to thirty years ago.

A company at Wahoo have been awarded the contract of oiling the nine and one-half miles of highway just completed south of O'Neill. Work will be started soon and will be rushed to completion.

Mrs. Paul Henry accompanied by her daughter Patricia Jane and her mother, Mrs. Cox, drove up from Geneva, Nebraska, last Thursday; they returned home Friday, accompanied by Mrs. E. D. Henry and daughter, Miss Elizabeth who will visit it Geneva for a few weeks.
