

THE FRONTIER

D. H. CRONIN, Publisher
W. C. TEMPLETON, Editor and Business Manager

Entered at the Postoffice at O'Neill, Nebraska as Second Class Matter.

ADVERTISING RATES:

Display advertising on Pages 4, 5 and 8 are charged for on a basis of 25 cents an inch (one column wide) per week; on Page 1 the charge is 40 cents an inch per week. Local advertisements, 10 cents per line first insertion, subsequent insertions 5 cents per line.

Every subscription is regarded as an open account. The names of subscribers will be instantly removed from our mailing list at expiration of time paid for, if publisher shall be notified; otherwise the subscription remains in force at the designated subscription price. Every subscriber must understand that these conditions are made a part of the contract between publisher and subscriber.

THE BANK STATEMENT (Norfolk Daily News)

Put a bank statement in the hands of the average man and he can't get much out of it. It is a sort of Chinese puzzle to him. He might as well read it upside down as right side up so far as getting any sense from it is concerned.

There is no business in which the confidence of the community is a greater asset than the banking business. The banks ought, therefore, to be interested in helping the public on which it depends to understand just what their statement means.

There has just come to this office a statement of the O'Neill National Bank, S. J. Weewes, president, which is a statement that other banks might well copy. In the printed folder, under each item of the statement, there is a plain easily understood explanation of what the terms and figures mean.

This takes the mystery out of the bank statement, and when you take the mystery out of a thing you establish confidence in it.

If other banks would follow this practice of interpreting their bank statements frankly to their patrons they would be educating the public and putting a solid foundation of confidence under the banking system.

ALL-NEBRASKA BANQUET IZAAK WALTON LEAGUE

The O'Neill chapter of the Izaak Walton League of America a few years ago formed a gun club and on practically every Sunday during the fall months of the year, a number of our expert gun men have participated in a blue-rock shoot on the local traps. An entrance fee of \$1.00 was charged each entrant who competed in the shoot and each participant was obliged to furnish his own shells. Turkeys, geese and ducks were awarded to the winners showing the highest average as a result of their marksmanship. Recently our gun club purchased a building to be used as a club house and placed on the trap grounds where the members will be able to store their guns, house their ammunition and wearing paraphernalia when they are not being actively engaged or used by the trap shooters.

At 6:30 on the evening of Tuesday, January 28, 1930, the Omaha chapter of the Izaak Walton League will hold their annual banquet at the new hotel Paxton. This will be an "All Nebraska" gathering around the festive board. All members are cordially invited to attend.

Dr. Henry Baldwin Ward, national President, Izaak Walton League of America, will be the speaker of the evening. The seven members of the new Nebraska Game, Forestation and Parks Commission, headed by Hon. Arthur J. Weaver, Governor of Nebraska, will be guests of honor on that occasion as well as Dr. S. P. Cresap, President, Nebraska Division, Izaak Walton League; Dr. G. E. Condra, Conservationist, of the Nebraska Uni-

THURSDAY 20c ADMITS YOU

iversity, and other state officials. Moose and venison will be on the menu and is already in the ice box. "Dick" Kitchen, the major domo of the Paxton Hotel, promises to outdo himself to make this "feed" one long to be remembered. This will be an outstanding event, replete with moving pictures on Conservation and other subjects. Three hours of high class entertainment without an idle moment, and all in a most worthy cause, in which we all believe.

Reservations for tickets for this banquet should be made immediately by notifying Dr. C. H. Lubker, president of the local chapter, or George M. Harrington, secretary. Tickets are \$1.50 per each.

MRS. EDWARD MENISH

Mrs. Edward Menish passed away in O'Neill last Friday evening following an illness of a little more than two weeks. A little son was born to her on Christmas eve; she was recovering nicely until "flu" symptoms developed about a week before her death and she became seriously ill and remained in that condition until death relieved her sufferings. She was aged thirty years, five months and eleven days.

Lucille Bruzzell was born in Denver, Colo., July 29th, 1899; she came to Holt county with her parents in 1913 from Ft. Collins, Colorado. She was married to Edward G. Menish at York, Nebraska, April 29, 1919. To this union two children were born, a daughter, Mary Elizabeth, now three years old and a son, Joseph Edward, born December 24th.

Besides her husband and children she leaves her father and mother, Mr. and Mrs. Frank Bruzzell, Gillette, Wyoming, and one brother, Frank Bruzzell, Waldron, Colorado.

Mr. and Mrs. E. J. Marsh are caring for the little son for the present while the little daughter will remain with her father and grandmother on the home place.

Funeral services were held from St. Patrick's church Monday morning at nine o'clock, conducted by Father Brady and Monsignor M. F. Cassidy. Burial was in Calvary cemetery.

The pall bearers were Chas. Naughton, George Wilson, Herb Jensen, Harry Donohoe, Ed Murray, John Jennings.

CARD OF THANKS

We wish to express our sincere thanks to our kind friends and neighbors for their sympathy and assistance during the illness and following the death of our dear wife and mother.

Ed Menish and Family.

C. F. KARR

John Charles Fremont Karr was born at Promise City, Iowa, March 7, 1862 and died at the home of his son Roy W. Karr, near Meek, Nebraska, January 10th, 1930, aged 67 years, 10 months and 3 days.

In 1885 he came to Holt county, Nebraska, and filed on a homestead 13 miles north of O'Neill.

On September 12th, 1886, he was united in marriage with Miss Ella L. Johnson, in this county, and to this union was born three children as follows, Frank L. Karr, who died at Hutchinson, Kansas on December 24, 1923; Roy W. Karr of Meek, Neb., and Mrs. C. E. Worth of Joy, Neb. He had one sister living, Mrs. V. V. Manassa, of St. Louis, Missouri, who was unable to attend the funeral.

In 1892, after proving up on his homestead, they moved to Grand Island, Nebraska, where he had a position with the Union Pacific railroad and they lived there until 1910, when they returned to the farm here where he lived until his death. He was one of the few original homesteaders that still owned the land they first filed on and he had added 120 acres more to his homestead by purchase.

Funeral services were conducted by the Rev. O. A. Fortune of O'Neill, Nebraska, from the residence of his son Roy W. Karr and the pall bearers were all old neighbors that had lived here since homestead days.

Burial was in the cemetery at Joy, Nebraska, on January 12th, 1930.

THE COUNTY BOARD ORGANIZED TUESDAY

The County Board of Supervisors began their new year's work Tuesday morning by electing John Sullivan chairman. The chairman appointed the following committees:

Court House—James, Skidmore, Steinhauer.

Finance and Official Bonds—Steinhauer, Gibson, McKim.

Printing and Supplies—Gibson, McKim, Skidmore.

Tax and Tax Titles—Stein, James, Steinhauer.

Claims—Skidmore and entire Board

Settlement of County Officers—McKim and entire Board.

THE INMAN LEADER SUSPENDS PUBLICATION

The Inman Leader has suspended publication. J. S. Jackson, who has owned and operated the Leader for the past sixteen years states in his farewell announcement that lack of support by the business men was his reason for suspending publication of the paper. Mr. Jackson will continue to operate his printing plant as a job shop. He is also postmaster of the village; he will continue to make Inman his home.

HOME HYGIENE CLASS ORGANIZED MONDAY NIGHT

Those desiring to join in a class of Home Hygiene and First Aid Methods met with the Red Cross Nurse, Miss Ruff, at the schoolhouse on Monday evening of this week and organized for work each Monday night for the three months of the stay of Miss Ruff in O'Neill. The following officers were selected: Mrs. H. H. Haffner, President; Mrs. Geo. A. Miles, Secretary; Mrs. Ira H. Moss and Mrs. Leo

Mullen as a committee for general purposes.

They were shown proper methods of taking temperatures by thermometers, and Miss Ruff made an excellent talk outlining the work and giving them general information. This is a wonderful chance to learn First Aid in the home and to learn just what to do should an accident occur in your home. All those wishing to join this class are asked to be present on next Monday night. There is no charge.

90,850 CATHOLIC MEMBERS IN THE OMAHA DIOCESE

Returns from the first complete census ever taken in the Catholic diocese of Omaha show that 90,850 members of that church reside in the diocesan boundaries, according to Monsignor Jas. Stenson of Omaha, vicar general of the diocese. The census was taken by an organization of three thousand volunteer workers, men and women. Tabulations of reports from the 140 parishes in the 23 counties within the diocese was completed Wednesday.

The census discloses that 21,203 Catholic families were enrolled in the census and that 56,312 individuals are over 16 years of age.

For convenience the diocese was divided for the census into six districts. The census figures for each district were:

Omaha district, 46,968; Norfolk, 11,942; Hartington, 9,567; Columbus, 8,572; West Point, 8,421, and O'Neill, 5,380.

The census shows that one-fifth of Omaha's population is Catholic, as 11,360 families, including 44,631 individuals, were recorded in the 35 local parishes within the city limits. The federal census estimate of Omaha's population for July 1, 1928, was 222,800 residents.

The total number of Catholics in the diocese outside of Omaha are 9,843 families and 46,219 individuals. The census was taken at the re-

quest of Bishop Joseph F. Rummel, who came to Omaha a year and a half ago from New York. He requested that the census be taken in order that the needs of the diocese, along religious, educational and charitable lines might be surveyed.

WOMAN'S CLUB NOTES

The regular club meeting of the Literary department was held at the club room Wednesday afternoon. "Street Scene," by Elmer L. Rice, was reviewed by Mrs. J. J. Harrington in her inimitable manner and the discussion led by Mrs. F. J. Dishner, who impressed her hearers with the thought and study given her subject. She reviewed it from a psychological and sociological viewpoint. This particular scene was laid in the poorer tenement districts of New York City where the flotsam and jetsam of European countries become amalgamated into American citizenry. Do these sordid surroundings create the depraved individuals pictured or will the person with the proper inheritance surmount all obstacles as found in his leading character? The age-old problem—just something for us to think about.

EDUCATIONAL NOTES

The first Eighth Grade examinations will be given on Friday, January 24th, at Atkinson, O'Neill, Page, Ewing, Chambers, Amelia and Scottville Dist No. 38. Only four examinations, Reading, Mental Arithmetic, Spelling and Grammar will be given and to eighth graders only.

Any pupil who resides in the country and attends a town school or any pupil who may possibly live in the country during the next year should take these examinations. No pupil is entitled to a free high school tuition certificate for the ninth grade unless they hold a diploma from graduation of the eighth grade, by having passed the state examination.

Any teachers who have not yet sent in the application cards for num-

bers for their eighth grade pupils, please do so at once so that we may send the numbers to you. Donald Daily, Dorsey, Nebraska, a pupil of school district No. 100, has attended school for seven years without being absent or tardy. This is a very fine record and one of which he can justly be proud. Donald is 13 years of age.

Keep Your Funds Safely Employed

You Can Invest Your Surplus In a Home Concern With An Unbroken Dividend-Paying Record.

For the purpose of erecting a new feed mill and elevator, in connection with its present plant, the Gooch Food Products Co. offers to conservative investors a limited amount of

GOOCH AND COMPANY, Sixth and South Sts., Lincoln, Neb. Without any obligation on my part, please send me circular descriptive of the stock you are offering. Name: Address:

HAVE YOU SEEN THESE TWO GREAT NEW CARS?

THE NEW OAKLAND 8

GENERAL MOTORS' Lowest-priced Eight—

\$1045 AND UP Three years of actual designing and testing preceded the announcement of the New Oakland Eight. In addition it incorporates General Motors' sixteen years' experience in building fine eight-cylinder automobiles. This mature background accounts for its sound basic design.

Superior Performance

The New Oakland has an 85-horsepower engine. This is the highest power ever employed in a car of Oakland's size and weight, racing cars excepted. Oakland develops one horsepower to 37 pounds of car weight. That's why few cars are as fast. That's why few, if any, can pass it on the hills. That's why it accelerates so rapidly. In fact, that is

the reason for its superior performance.

Eight-Cylinder Performance

With its high speed and fast acceleration, the new Oakland combines the smoothness resulting from the overlapping power impulses inherent in eight-cylinder design. This smoothness is intensified by such features as its complete down-draft fuel distribution, its patented laminated spring and rubber engine mountings and a new type of cylinder head which assures uniform combustion.

Only a close inspection and a demonstration will enable you to understand fully the many advantages provided by the New Oakland Eight.

The New Oakland Eight, \$1045 and up, f. o. b. Pontiac, Michigan, plus delivery charges. Lovejoy Hydraulic Shock Absorbers included in list price. Bumpers, rear fender guards and spring covers extra. General Motors Time Payment Plan available at minimum rate.

NEW SERIES PONTIAC BIG 6

A FAMOUS NAME—A Finer Car—

\$745 AND UP Once again Pontiac has improved upon a car already noted for its excellent qualities. To the hundreds of thousands who own Pontiacs, and to everyone interested in low-priced automobiles, this announcement is important. For it introduces the New Series Pontiac Big Six—a new and finer car with a famous name.

New Beauty, Smoothness, Safety

Smart new bodies by Fisher make the New Series Big Six a more beautiful Pontiac. Pontiac's smoothness is increased by a new type of rubber supports for its 60-horsepower engine.

Improved non-squeak four-wheel brakes and a new sloping non-glare windshield add to the car's safety.

Time-Tried Performance

When these and other improvements were being made, all of Pontiac's basic big car excellence was retained.

Come in. Let us show you the many advantages of this finer car with a famous name—the New Series Pontiac Big Six.

The New Series Pontiac Big Six, \$745 and up, f. o. b. Pontiac, Michigan, plus delivery charges. Shock absorbers standard equipment. Bumpers and spring covers of slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. . . . Oakland-Pontiac delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.
