**FAME OF SARGON IS NOW SPREADING OVER WORLD**

People of This Country Sending Medicine to Relatives and Friends in England, Scotland, Ireland, France, Canal Zone, Norway, Sweden, Cuba and Many Other Distant Lands.

If you had found a medicine that was of such benefit to you that you would go to the trouble of sending it to relatives and friends in distant countries, you would have to be convinced in your own mind that it possessed real merit, wouldn't you?

That's just what thousands of people throughout the United States have been doing with Sargon.

From all over America and wherever Sargon has been introduced, thousands of letters have been received from grateful users telling of the gratifying results that have been accomplished by this celebrated medicine.

**THOUSANDS EXPRESS GRATITUDE**

On November 27th, a letter dated November 23rd, was received at the Sargon offices advising that in one week one drug firm alone had received orders for Sargon to be shipped to Cavite, Philippine Islands, Coca-Solo, Canal Zone; Belebroom, Ireland, and Paris, France.

Only recently a well known resident of Denver, Colorado, who had been restored to health by Sargon, sent a full treatment to London, England, to his sister, who is the wife of an executive of one of the greatest retail drug firms in the British Empire.

During the past month there appeared in the Toronto papers the statement of a well known world war veteran whose health had been greatly impaired while in the service, who stated among other things, that he owed his restoration to health to two bottles of Sargon sent him by a friend in Minneapolis.

**LETTERS RECEIVED FROM THE NORTHWEST**

From the Northwest, many letters of this kind have been received advising that users of Sargon are sending it to relatives back in their old countries of Norway and Sweden.

Many such letters and endorsements have been received from men of prominence, including former governors, business and professional men, mayors, state and county officials, and even ministers of the gospel have deemed it their duty to come forward and tell what Sargon has done for them.

These are only a few of thousands of such cases and not a day nor a week passes that does not bring hundreds of statements from the people concerning the good this medicine is doing, and reciting case after case that would convince the most skeptical.

Sargon's fame is built on actual results—not empty promises, and only those who have put it to the test know its real powers.

Sargon's aim is not mere temporary relief, but new and abundant health. No wonder it is now called the medicine with a million friends.

Ladies Aid at Mrs. C. E. Linn's on Wednesday. The ladies are not sewing at present, but are contemplating starting again in the near future.

John Charles Karr passed away Friday night at the home of his son Roy W. Karr, who owns the Midway store and garage. Mr. Karr had been

ill for some time with cancer of the stomach and suffered intensely at times. He was one of the pioneers of this community, coming here in 1885

and making a home in what was then a wilderness. He was a grand neighbor and friend to all who knew him and will be missed by many.
