Be it ordained by the Mayor and Council of the City of O'Neill, Nebraska: Whereas the Interstate Power Company of Nebraska, a Delaware corporation is desirous of furnishing equipment for lighting the streets in the City of O'Neill, Nebraska, and furnishing electrical energy therefor, and said City is desirous of purchasing electrical energy for lighting its streets from said company.

And whereas the said City and said Company desire to enter into a valid contract for said purpose and to be authorized by this Ordinance, And whereas the said proposed contract is in words and figures as follows, to-wit:

STREET LIGHTING AGREEMENT THIS AGREEMENT, made and entered into this 14th day of February, 1930, by and between INTERSTATE POWER COMPANY OF NEBRASKA, a Delaware Corporation, with offices at Dubuque, Iowa, its successors and assigns, hereinafter called the "Company," and the CITY OF O'NEILL, HOLT COUNTY, STATE OF NEBRASKA, hereinafter called the "Municipality,"

WITNESSETH: THAT, WHEREAS, the Company now owns and operates an Overhead Street Lighting System within the Corporate limits of said Municipality consisting of fifty-two (52) Suspension Fixtures with 80 C. P. 6.6 Series Lamps and two (2) 100 C. P. 6.6 Series Lamps and twenty-eight (28) White Way Standards equipped with 250 C. P. 6.6 Series Lamps.

WHEREAS, the Municipality desires that the Company shall operate said Street Lighting System. NOW, THEREFORE, for and in consideration of the mutual covenants and agreements herein contained, it is hereby mutually agreed by and between the parties hereto as follows:

I. That the Company shall operate and maintain said Street Lighting System (including the renewal of lamps) and furnish electric energy for the same, in accordance with the following schedule, to-wit:

Table with 4 columns: Number, Size, Hours of Burning, and Description. Includes rows for 28 250 C. P., 52 80 C. P., and 2 100 C. P.

II. That the Municipality shall pay to the Company, each month for maintaining and operating said Street Lighting System and furnishing electric energy thereto during the term of this contract, a consideration computed upon the following schedule of rates, to-wit:

For each 250 C. P. White Way Standard burning from Dusk until Dawn, \$4.80 per Mo. For each 100 C. P. Overhead Lamp burning from Dusk until Dawn, \$2.12 per Mo.

For each 80 C. P. Overhead Lamp burning from Dusk until Dawn, \$1.94 per Mo. Provided that said consideration shall not be less than the sum of Two hundred Thirty-nine Dollars and Fifty-two cents (\$239.52) each month during the term of this contract.

III. That the Company shall, as soon as practical after the end of each month, render a bill to the Municipality for the operation and maintenance of said Street Lighting System and White Way Standards and the furnishing of electric energy thereto during the preceding month, and the Municipality shall pay said bill within Five (5) days following the first ensuing Meeting of the City Council.

IV. That the Municipality hereby represents that it has taken due and proper action, in accordance with the Statutes of the State of Nebraska, to appropriate sufficient funds for the payment of bills to be rendered hereunder and it agrees that if such funds shall be insufficient for that purpose it shall, at the time and in the manner and to the extent provided by the Statutes of said state, appropriate additional funds and assess, levy and collect a tax sufficient for the prompt payment of said bills.

V. That the Company shall, upon proper written request therefore from the Municipality, install additional overhead and White Way Street Lighting equipment and maintain, operate and furnish electric energy thereto at the rates herein above specified; provided, however, that the Company shall not be required to install any such additional street lighting equipment during the last year of the term of this contract, or of any extension thereof, unless the Municipality shall give notice to the Company, evidenced by a certified copy of resolution or ordinance passed by its governing body, that it is going to and had elected to renew this contract for a period of not less than Five (5) years, and provided further that the Company shall not be required to extend its street lighting circuit further than three hundred (300) feet for each additional street light.

VI. That the Company shall operate and maintain said overhead and White Way Street Lighting System at its own cost and expense, and shall patrol said system at least once each

week and promptly replace all broken or burned out lamps. VII. That the Company shall render good and sufficient service for the purpose of this contract but shall not be liable for failure of such service due to causes beyond its control.

VIII. That this agreement shall be and remain in full force and effect for a period of Five (5) years from and after the time when energy shall first be delivered hereunder, provided, however, that the term hereof shall be extended an additional Five (5) years if the Municipality shall not, within Thirty (30) days prior to the expiration hereof, notify the Company in writing of its desire to terminate the same at the end of said Five (5) years.

IX. That all contract and agreements, written or oral, heretofore existing between the parties hereto and covering the subject matter hereof, (if there be any such), are hereby cancelled, and the Municipality hereby represents that it has by appropriate action repealed or amended all ordinances, resolutions and rules, or parts thereof, heretofore adopted by it in conflict with the terms hereof.

X. That the Municipality represents that this agreement has been duly authorized by a majority vote of its City Council in accordance with the Statutes of the State of Nebraska, certified copies of the proceedings therefore shall be promptly furnished to the Company for approval of its Council.

XI. If any Section or part of a Section of this agreement shall be declared null and void by any competent authority, the remaining portions hereof shall not be affected thereby.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed by their respective officers thereunto duly authorized and their respective corporate seals to be hereunto affixed, the day and year first above written.

Therefore, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF O'NEILL, NEBRASKA, AND BY SAID CITY: Section One: That the City of O'Neill, Nebraska does enter into the aforesaid contract for lighting its streets with the Interstate Power Company of Nebraska, a Delaware corporation, and that the Mayor and City Clerk of said City execute said contract on behalf of said City of O'Neill.
