Leonard Jorgensen and Miss Lucille Kruger, both of Inman, stole a march on their many friends when they went to Neligh last Tuesday evening and were married by Judge Ingram of that place. The bride is the youngest daughter of the late August Krueger and grew to womanhood in Inman, being a graduate of the Inman high school in 1927. She is employed as stenographer by the Watson Hay Co. The groom has served as night operator at the C. & N. W. depot the past several months and has made many friends in Inman. They were accompanied by Mr. and Mrs. T. D. Hutton, of this place. Their many friends hasten to extend congratulations.

Fire caused by an overheated cook stove did considerable damage to Mrs. Lizzie Colman's residence Friday morning. Mrs. Colman had been packing prior to moving to O'Neill, and was burning paper, etc., when the overheated stovepipe set the wall on fire. Mrs. Colman was in the back yard sorting some fruit jars and conversing with a neighbor when they noticed smoke coming from the partially open door. Thinking it was only the stove smoking, they gave it little thought; later the smoke began to emerge from the roof; then they hastened to the house, but the smoke was so dense they could not enter. The fire alarm was immediately turned in and the fire fighters succeeded in extinguishing the flames before the house was consumed. The damage, which was estimated at about \$500, was covered by insurance.
