MOTHER'S DAY

Mother's Day, which falls on May 11th this year, had its origin in a thought by a Philadelphia young woman, Miss Anna Jarvis at whose suggestion it was first observed in a number of cities in the United States in 1910. The beautiful idea spread rapidly until it was commended in 1913 by a joint resolution of congress whereby that body and the executive departments of the government recognized the day. In 1914 more formal recognition was given by congress, when the President was authorized to designate by annual proclamation the second Sunday in May as Mother's Day. The object of the day is to recall memories of mothers who have passed to the beyond and to pay special tributes of affection to the living. Few of us reflect as often as we should upon the debt of love and gratitude we owe our mothers.

NOON BUS SERVICE MAY BE REINSTITATED

Immediately following the announcement by the Northwestern Railway Company that bus mail service between Norfolk and O'Neill would be discontinued on May 4th, C. P. Hancock of this city wired Congressman Simmons this information and asked him to use his influence to have the bus mail schedule reinstated. Congressman Simmons took the matter up with the company who are now investigating the value of the service that O'Neill would receive from the schedule; the company discontinued the service for the reason that No. 11 would go west in the afternoon and would bring the mail that had been coming to O'Neill on the bus that arrived here at 5:30; this train, however, does not give us an opportunity to send mail east after 10:30 A. M. until about 3:00 the following morning. If the bus mail schedule could be reinstated from O'Neill to Norfolk at 1 o'clock as formerly, business men and bankers would have time to clean up their morning mail and start it on its way without the sixteen hour delay which is now the case.

An effort should be made by the citizens to have this service reinstated.

NEW CITY COUNCIL MET MONDAY NIGHT

The City Council met and reorganized Monday night. Mayor C. E. Stout appointed the members to the same positions on the various committees that they held last year.

BERL BECK, OF ATKINSON, INJURED BY DISCUS

During the field events at the Holt County Track and Field Meet, held at the fair grounds today, Berl Beck was seriously injured when a discus which was thrown wild, struck him on the back of the head, inflicting a very deep wound. He was brought to the office of Dr. Finley where the wound was dressed. He was later taken to the hospital at Stuart.

O'NEILL GAINS FIVE IN CENSUS COUNT

The supervisor of the census has discovered five residents of O'Neill who were not enumerated during the month of April; the addition of the five names brings the population of O'Neill to 1993, a gain of twenty over ten years ago.

The probable loss in the county will be about five hundred as near as can be estimated at this time; only about two-thirds of the county has been checked.

HOLT COUNTY TRACK AND FIELD MEET WAS HELD THURSDAY

The annual Track and Field Meet of the schools of the county was held at the O'Neill fair grounds today. Stuart won the meet with 60 points; O'Neill second with 50 points; Atkinson third with 22½ points; Inman fourth with 10½ points; Ewing fifth with 8 and nineteen-seventieths; Page sixth with two and seventeen-twentieths; Chambers nothing.

TROSHYNSKI—PONGRATZ

Daniel Troshynski, of Atkinson, Nebraska, and Miss Margaret Pongratz, of Emmet were united in marriage by Father M. F. Byrne, at the Catholic church in Emmet last Tuesday.

O'NEILL LIONS CLUB ENJOYS NOON LUNCHEON

The first noon luncheon of the O'Neill Lions Club was held at the Golden Hotel last Tuesday at 12:10. All of the members who were in the city were present at the meeting which is a very good showing. A real good fellowship meeting was enjoyed.

Lion President Carter read from a pamphlet describing the objects and purposes of the Lions and duties of the various officers.

During the business session following the luncheon, W. H. Harty resigned as secretary-treasurer and W. C. Templeton was elected to that office to fill the remainder of the term. W. H. Harty was elected on the board of directors to fill the vacancy caused by the resignation of Mr. Templeton.

The club will meet regularly each Tuesday at 12:10 sharp.

ANDERSON—CONGER

Carl W. Anderson, of Creighton, Nebraska and Aroma Grace Conger, of Yankton, South Dakota were united in marriage by Rev. O. A. Fortune at the parsonage of the Methodist church, Wednesday.

LIGHTNING KILLS TEN HEAD CATTLE FOR C. J. KIMBROUGH

Ten head of yearling cattle were killed by lightning at the C. J. Kimbrough ranch eighteen miles north of O'Neill during the severe electrical storm that visited that locality some time Sunday night. We understand that the cattle were insured. The value of the cattle is estimated at about \$600.

MEYER—SOBOTKA

Clifford J. Meyer, of Beatrice, Nebraska, and Miss Ella G. Sobotka, of Inman, Nebraska were united in marriage by Monsignor M. F. Cassidy, last Thursday.

FAY A. PUCKETT, OF MECK, NEBRASKA, CHAMPION HEIFER BREAKER

Fay A. Puckett of Meck, Nebraska is the latest Holt county resident to break into the championship class. Mr. Puckett has paid his entrance fee and claims to be the champion heifer breaker in Holt County.

He says that he has "broken" 19 heifers to milk since the first of January; most of them submitted to the ordeal during the month of April. No ropes or "cuss words" are used in training these heifers to stand quietly; friendliness and kind treatment turned the trick for him.

In speaking of the matter Mr. Puckett said, "since this seems to be an age of champion base ball players, prize-fighters, golf, billiard, tennis, and what-not, as well as champion spellers, beauty contests and a host of similar events in which I cannot compete, I want to start a contest of my own of a different class, so I hereby claim to be the champion breaker of heifers to milk, by one man, in one season, in Holt County."

Mr. Puckett says that he has a number of other heifers yet to break if his competitors crowd him for the title; along with the breaking of these cows to milk he has taught their calves to drink milk from a pail without letting them miss a feed as is sometimes done.

The milking of that many heifers along with a bunch of old cows is a very steady pastime as well as a very effective way of chasing the proverbial wolf from the door.
