ALMA ARABELL RIDGEWAY

Miss Alma Arabell Ridgeway passed away in her rooms in the Naylor building last Friday at the age of forty-two years, four months and seven days.

Miss Alma was born to Mr. and Mrs. George Ridgeway at Agee, Nebraska, January 23, 1888. She resided in this vicinity all of her life with the exception of the last fourteen years, which was spent as a practical nurse in the state hospital in Norfolk, Nebraska, and the exception of one year which was spent in Washington and California; she returned from the west about six years ago.

She deceased has been suffering with a cancer for the past year; she has consulted specialists in all parts of the country, but with no success; she returned to O'Neill from Perry, Iowa, the latter part of November and has occupied rooms in the Naylor building since that time where she has been under the care of a special nurse continuously.

The deceased leaves her parents, Mr. and Mrs. George Ridgeway, of Agee, Nebraska; two brothers, Ross Ridgeway, of Dorsey, Nebraska, and Glen Ridgeway, of Agee, Nebraska, besides a host of friends. The funeral services were held from the Methodist church in this city at two o'clock, Sunday afternoon, June 1st, conducted by Rev. O. A. Fortune. Burial was in Prospect Hill cemetery.

The pallbearers were John Lansworth, John Martin, Ben J. Grady, Charles Carroll, Lynch, Nebraska; James Early, Albert McDonald.

The out of town relatives who were here to attend the funeral services were: Erwin and Leona Naylor, Stratford, Iowa; Arthur and Verne Naylor, Mr. and Mrs. Henry Spindig, Mrs. J. M. Naylor, Mrs. Emma Jones, all of Perry, Iowa; Mrs. Arabell Billings and son Haskell, Des Moines, Iowa; Mrs. Bessie Gaughenbaugh, Mr. and Mrs. Daniels and Mr. and Mrs. Casey, all of Norfolk, who were associates of Miss Alma during her hospital work in Norfolk.

Dearest Alma, thou hast left us And thy loss we deeply feel. But 'tis God that hath bereft us And He doeth all things well.

CARD OF THANKS

We desire to express our deep appreciation for the many acts of kindness shown and for the very beautiful floral offerings sent to our dear daughter and sister, Alma, during her illness and following her death. Mr. and Mrs. George Ridgeway and Children.

MRS. WM. N. CHENEY

Mary M. Glover was born April 27, 1854, at Trenton, New Jersey. At about the age of 14 years, she came with her grandparents to Mills county, Iowa.

In 1869 she was married to Wm. N. Cheney, at Glenwood, Mills county, Iowa. Nine children were born to this union. Those living are: John N. of Minneapolis, Kansas; Mrs. Ella Dallegree, Emmet, Nebraska; Mrs. Clara M. Grimm, Ulysses, Nebraska; Mrs. Sarah Fender, Benington, Kansas; Fred M., Minneapolis, Kansas; Mrs. Bertha Durham, Garden City, Kansas. Three children and her husband preceded her in death.

The family located on a farm near Ulysses, Nebraska, in 1886 and lived there until 1905, when they moved to Minneapolis, Kansas. Since her husband's death, in August, 1922, she has made her home with her daughter, Mrs. Clara Grimm, at Ulysses, Nebraska. About five weeks ago she came to Emmet for a visit with her daughter, Mrs. Ella Dallegree; she was taken sick eleven days prior to her death; everything that loving hands could do, was done, but she slipped quietly away at 1:20 o'clock on Saturday afternoon, May 24th. Miss Anna Nelson, the Methodist pastor, was with her when the end came.

The funeral was held from the M. E. church Sunday afternoon; the pastor, Miss Nelson, preached a very comforting sermon. The body was taken to David City by train, where friends and relatives took it and laid all that remained of a kind and loving mother and friend, to rest, by the side of her husband, in the cemetery at Ulysses, Nebraska. The sympathy of the entire community goes out to

FROM THE OFFICE OF CLAUDE P. HANCOCK, SUPERVISOR OF CENSUS, SECOND NEBRASKA DISTRICT, O'NEILL.

June 3, 1930.

I am about to close my office as Supervisor of the Second District of Nebraska and wish to take this opportunity to thank the newspapers, commercial and civic organizations, the one hundred and twenty-two enumerators, and my office staff for their splendid co-operation and faithful service. The people as a whole have been very kind and were more than willing to assist in the Census work. The merchants and manufacturers have shown a great interest in compiling data of the Distribution and Manufactures for that branch of the Census and a great good will come to the public as a whole from facts set up by the Census Bureau from these returns. They cannot help but greatly assist in providing better means of distribution which will represent a saving to both the producing and consuming public. The farm data secured will be a wonderful aid in bringing about greater returns in the agricultural districts. It will be interesting to know just what condition will be shown when the information from 1621 business establishments and 15,350 farms in this district has been compiled. This district extending over 200 miles along the north side of the state takes in some of the best farming land in the state and some of the best stock raising country.

Improved methods in handling farm and ranch work has reduced the population in the rural districts, but with the reduced cost of production this district should show continued prosperity.

Below is the total population for 1930, 1920 and 1910, and the numbers of farms in the counties for 1930, 1920 and 1925:

Table with 5 columns: County, Population 1930, Farms 1930, Population 1920, Farms 1920, Population 1910, Farms 1910. Rows include Antelope, Boyd, Brown, Cedar, Cherry, Holt, Keya Paha, Knox, Pierce, Rock.
