No damage was done.

O'Neill folks scattered in all directions to spend the Fourth of July and to celebrate the day according to the dictates of their better halves. The day passed off quietly in O'Neill. There were no accidents with firecrackers that have come to our knowledge; a car turned over south of O'Neill but no one was seriously hurt. During the evening many of those who enjoy dancing went to the various parks and enjoyed the evening.

TED NORTH SHOW

Without a doubt the Ted North show has the largest following of any company that makes this section. The company will open a week's engagement here in their tent theatre next Monday night. The first play will be a comedy-drama, entitled "Self Defense," with lots of new vaudeville between the acts. The show has thirty people and all of the plays are new, also the vaudeville. The tent is waterproof so if it rains, which we hope it will, don't let that keep you from attending the show, as the tent does not leak. Monday night one lady will be admitted free when her escort holds a paid adult ticket. Show starts at 8:30 p. m.
